The First Tycoon - T.J. Stiles 2010-04-20

NATIONAL BESTSELLER WINNER OF THE NATIONAL BOOK AWARD
In this groundbreaking biography, T.J. Stiles tells the dramatic story of Cornelius "Commodore" Vanderbilt, the combative man and American icon who, through his genius and force of will, did more than perhaps any other individual to create modern capitalism. Meticulously researched and elegantly written, *The First Tycoon* describes an improbable life, from Vanderbilt's humble birth during the presidency of George Washington to his death as one of the richest men in American history. In between we see how the Commodore helped to launch the transportation revolution, propel the Gold Rush, reshape Manhattan, and invent the modern corporation. Epic in its scope and success, the life of Vanderbilt is also the story of the rise of America itself.

Transmitting Gender across Generations - Elizabeth Summerfield 2022-02-02

The book interrogates the particular and generalisable qualities of the lived experience of gender in the twentieth century across three generations of a family. It penetrates the surface appearance of change to uncover the invisible layers beneath that perpetuate the transmission of gender for both women and men. Each sex is seen as enabled or disabled, often in binary ways, in reaching their full human potential. Life stories offer a vehicle to explore not only the hidden depths of individual lives, but also the unexamined assumptions of the patriarchal system. The book argues that there are alternative forms of personal and collective power that challenge the crude, popular concept associated

with patriarchy: a dynamic of domination and submission. It supports the re-conceptualisation of power as a cultural focus on the development of the full human potential—rational, physical and emotional—of the collective and the individual. It argues that the development of this type of power is the appropriate precedent for entry into the traditional conventions of private and public life that have acted for so long as proxies for the genuine maturation of both sexes, and societies more generally.

Speechwriting in Theory and Practice - Jens E. Kjeldsen 2019-03-14

This book provides students, researchers, and practitioners of speechwriting with a unique insight in the theory, history, and practice of speechwriting. The combination of theory and practice with case studies from the United States and Europe makes this volume the first of its kind. The book offers an overview of the existing research and theory, analysing how speeches are written in political and public life, and paying attention to three central subjects of contemporary speechwriting: convincing characterization of the speaker, writing for the ear, and appealing with words to the eye. Chapters address the ethics and the functions of speechwriting in contemporary society and also deliver general instructions for the speechwriting process. This book is recommended reading for professional speechwriters wishing to expand their knowledge of the rhetorical and theoretical underpinnings of speechwriting, and enables students and aspiring speechwriters to gain an understanding of speechwriting as a profession.

Supporting children when parents separate - Murch, Mervyn

2018-07-04

After years of research and reflection on the work of the interdisciplinary family justice system Mervyn Murch offers a fresh approach to supporting the thousands of children every year who experience a complex form of bereavement following parental separation and divorce. This stressful family change, combined with the loss of support due to austerity cuts, can damage their education, well-being, mental health and long-term life chances. Murch argues for early preventative intervention which responds to children's worries when they first present them, without waiting until things have gone badly wrong. His radical proposals for reform involve a much more coordinated and joined up approach by schools, the Children and Family Court Advisory and Support Service, and Child and Adolescent Mental Health Services. This book encourages practitioners and academics to look outside their professional silos and to see the world through the eyes of children in crisis to enable services to offer direct support in a manner and at a time when it is most needed.

Tuesdays with Morrie - Mitch Albom 2007-06-29

#1 NEW YORK TIMES BESTSELLER • A special 25th anniversary edition of the beloved book that changed millions of lives—with a new afterword by the author “A wonderful book, a story of the heart told by a writer with soul.”—Los Angeles Times Maybe it was a grandparent, or a teacher, or a colleague. Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound place, gave you sound advice to help you make your way through it. For Mitch Albom, that person was Morrie Schwartz, his college professor from nearly twenty years ago. Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights faded, and the world seemed colder. Wouldn't you like to see that person again, ask the bigger questions that still haunt you, receive wisdom for your busy life today the way you once did when you were younger? Mitch Albom had that second chance. He rediscovered Morrie in the last months of the older man's life. Knowing he was dying, Morrie visited with Mitch in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final “class”: lessons in how to live. *Tuesdays with Morrie* is a magical chronicle of their time together, through which Mitch shares Morrie's lasting gift with the world.

King, Kaiser, Tsar - Catrine Clay 2015-04-16

During the last days of July 1914 telegrams flew between the King, the Kaiser and the Tsar. George V, Wilhelm II and Nicholas II, known in the family as Georgie, Willy and Nicky, were cousins. Between them they ruled over half the world. They had been friends since childhood. But by July 1914 the Trade Union of Kings was falling apart. Each was blaming the other for the impending disaster of the First World War. 'Have I gone mad ' Nicky asked his wife Alix in St Petersburg, showing her another telegram from Willy. 'What on earth does William mean pretending that it still depends on me whether war is averted or not!' Behind the friendliness of family gatherings lurked family quarrels, which were often played out in public. Drawing widely on previously unpublished documents, this is the extraordinary story of their overlapping lives, conducted in palaces of unimaginable opulence, surrounded by flattery and political intrigue. And through it runs the question: to what extent were the King, the Kaiser and the Tsar responsible for the outbreak of the war, and, as it turned out, for the end of autocratic monarchy

Anita Trueman Pickett - Lyn Burnstine 1999-10

Public speaker, poet, author, Unitarian minister, preacher of New Thought philosophy, protege of Edwin Markham, Ella Wheeler Wilcox, John Burroughs and Swami Abhedananda, Anita Trueman Pickett (1881-1960) was instrumental in founding Rowe Camp and Conference Center. This feminist dared to live an unorthodox life in early twentieth-century America. Pickett's spiritual journey, marriage, motherhood, career in the UU ministry and struggle to juggle these many roles make an astounding and resonant story in any time. Burnstine's work fills a blatant gap in UU, women's and American histories. Includes a chronology of her life.

Harriet Evans Boxed Set - Harriet Evans 2011-09-13

A trio of novels from international favorite and bestseller Harriet Evans! This eBook boxed set includes three of Harriet Evans's compelling and heartrending novels about love, heartbreak, and family relationships, and an excerpt from *Love Always*. Going Home Leaving her tiny flat in London—and a whole host of headaches behind—Lizzy Walter is making the familiar journey back home to spend Christmas with her chaotic but big-hearted family. And by the time the Walters gather for a summer wedding, the stakes have never been higher—for Lizzy, for her family, and for love. *A Hopeless Romantic* With her life in tatters around her, Laura Foster agrees to go on vacation with her parents. After a few days of visiting craft shops and touring the stately homes of England, Laura is ready to tear her hair out. And then she crosses paths with Nick, the sexy, rugged estate manager. She finds she shares more than a sense of humor with him—in fact, she starts to think she could fall for him. But is Nick all he seems? Or has Laura got it wrong again? Will she open her heart only to have it broken again? *The Love of Her Life* Kate Miller, a Londoner-turned-New Yorker, is in love with the pace and rhythm of Manhattan. But deep down, she knows that there is something—someone—more to love. But when her father becomes ill, Kate realizes it's time to return and face the friends and the memories she left behind. What really happened before Kate left London? Can she pick up the pieces and allow herself to love life again? *Love Always* When Natasha Kapoor returns to her grandparents' idyllic coastal home for her beloved grandmother's funeral, her life is at a turning point. After the funeral, Natasha's grandfather gives her the long-lost diary of her aunt Cecily. Is it possible the diary is just the inspiration Natasha needs to take a fresh look at her future, and maybe even give love a second chance?

A Witness in Times of War and Peace - Wilfried Hein 2015-10-07

A Witness in Times of War and Peace is a searing memoir that describes the struggles a Mennonite pastor experiences during the Second World War. Gerhard Hein is a practicing Mennonite when he is called up for duty, and he must reconcile his pacifist beliefs with the obligation to serve in Germany's Wehrmacht. He displays courage in a terrifying and uncertain time by voicing his concerns about the National Socialistic ideology in both words and deeds, standing up for his beliefs by pointing to the One who can bring real peace. His story shows that in the darkness of war, rays of genuine love, care, and compassion can shine through.

Poetic Licence - Laurence Seeff 2017-09-12

In 2001, The Lord Chancellor saw fit to appoint Laurence as a magistrate (lay judge) and he has been dispensing justice ever since in North London. After never having participated in any sport, Laurence joined Acorn Lawn Tennis Club in 2005 and now 'plays' tennis (or, at least, attends the club!) on a regular basis! Both of these activities provided plenty of poetic material. Laurence has been married to (long-suffering) Sara for over 41 years. They have four fantastic children, one terrific son-in-law and four grandchildren for whom there are simply insufficient superlatives. The Chronic Lymphocytic Leukaemia Support Association (CLLSA) is a charity whose mission is to support and empower Chronic Lymphocytic Leukaemia (CLL - a form of blood cancer) patients, their families and their carers through education and access to reliable, relevant and current information. The charity is registered with the Charities Commission (1113588).

No Ordinary American - Esther E. Hansen 2015-06-18

A friend who read the manuscript of *No Ordinary American* said, as others had, “I love your book.” Later he said, “I've read it again, and I love your book still more.” Why do they love the book written by an old lady who remembers the wonderful stories told by her father in the past? Is it because the adventures of a lively young immigrant who came to the USA over a hundred years ago are amazing and unusual? Is it because they call to mind people and places that they have read about or know? Is it perhaps because he said about the memoirs he himself wrote, “If I have said anything negative about anyone, take it out! We all make mistakes”? Can it be that, as one reader said, “This book teaches you how to be successful and happy”? If the latter is true, I am thankful and glad to have set down these stories lived by my father for the readers' pleasure and unintended instruction. My father was a good man; his

fascinating adventures are meant to provide enjoyment. If they offer more than that it will be to the reader's advantage. They were recorded by myself, his daughter, and include, in part, excerpts from his memoirs. Esther E. Hansen

CareyOn - Cindy Graves 2015-08-05

When Harry Carey fired a shotgun at an unknown car that had been repeatedly trespassing on his rural property, he unwittingly triggered a series of events that would land him in jail and blow his family apart. CareyOn is the true story of the Carey family, who swapped their suburban home in Toronto for a hobby farm near Orangeville, Ontario in 1975. Told from the point of view of two teenage sisters, Cindy and Natalie Carey, CareyOn witnesses the unravelling of the family in the wake of Natalie's premature departure, and explores the impact of being abandoned. Written with warmth, humour, and compassion, it is the story of first love, of coping and carrying on in the face of loss, the strength of a family bond that pulls one of its members back home, and ultimately, the power of a family's love ... to forgive.

Queen Elizabeth II's Guide to Life - Karen Dolby 2019-10-17

A timely celebration of the many attributes our Queen brings to the nation - fortitude, stoicism, diplomacy, family values, sense of fun and

style among them. Queen Elizabeth II - Britain's longest-serving monarch, Supreme Governor of the Church of England and the Head of the Commonwealth - has reigned over us for a record-breaking sixty-seven years. Now in her ninety-fourth year, this timely celebration sheds new light on the myriad attributes and personal qualities she brings to the nation. From fortitude in the face of adversity to standing as the nation's ambassador all over the world, no one could doubt the work ethic that powers this remarkable woman, even into her nineties.

Equally, her love of family - from her rock of over sixty years' marriage, Prince Philip, to her great grandchildren - shines through. But what are the secrets of her success? How does she still approach her day-to-day with such vitality and aplomb, even when culture and society are changing rapidly all around her? The Queen on fame: When an MP commented that it must be a strain meeting so many strangers all the time, the Queen smiled, 'It is not as difficult as it might seem. You see, I don't have to introduce myself. They all seem to know who I am.' The Queen on fashion: In the late sixties when Mary Quant and the mini skirt came to epitomize all that was fashionable, Princess Anne suggested her mother might also consider shortening her hemline. The Queen was adamant, 'I am not a film star.' The Queen on family: As Great Britain's most famous great grandmother, it is no surprise that the Queen values family life. 'Marriage gains from the web of family relationships between parents and children, grandparents and grandchildren, cousins, aunts and uncles.' In this book Karen Dolby unpicks the key elements that make the Queen so special to - and so loved by - the nation and presents a guide to how you too could put into practice some of Her Majesty's traits to help overcome adversity, find inner strength and present yourself as wonderfully considered and calm, even when all about you seems in chaos.

Going Home - Harriet Evans 2006-10-10

A heartwarming and moving novel of family and love from the international bestselling author of the "effortless and deeply satisfying" (Glamour, UK) Love Always. They say love feels like going home...but what if your home is no longer there? Leaving her tiny flat in London—and a whole host of headaches behind—Lizzy Walter is making the familiar journey back home to spend Christmas with her chaotic but big-hearted family. In an ever-changing world, her parents' country home, Keeper House, is the one constant. But behind the mistletoe and mince pies, family secrets and rivalries lurk. And when David, the Love of Her Life—or so she thought—makes an unexpected reappearance, this one ranks as a Christmas she would definitely rather forget. As winter slowly turns to spring, all the things that Lizzy has taken for granted begin to shift. Keeper House is in jeopardy and might have to be sold for reasons Lizzy doesn't understand. Her family seems fractured like never before. And, with a new man in her life, she may finally have to kiss her dream of a reunion with David goodbye. By the time the Walters gather at Keeper House for a summer wedding, the stakes have never been higher—for Lizzy, for her family, and for love.
