English the American Way: A Fun ESL Guide to Language and Culture in the U.S. (with Embedded Audio & MP3) - Sheila MacKechnie Murtha 2015-01-04

REA's English the American Way: A Fun ESL Guide to Language and Culture in the U.S. with Embedded Audio & Mp3 Download Helps English Language Learners Improve Their Skills A fun guide to everything American for the English language learner! Authored by seasoned ESL instructors, this handy guidebook is perfect for people who already have a good grasp of English, but want to improve how they speak the language as it is spoken in the United States. Written in a lighthearted and easy-to-follow style, this book is a great resource for people of

all ages and all nationalities. Each unit introduces commonly used phrases, vocabulary, and verbs, and offers sample dialogs to illustrate everyday American life. Sentence completions, quizzes, tips, and illustrations make learning fun. Individual units cover topics essential to the mosaic of American life: making friends, basic skills, driving, dining out, dealing with money, home life, emergency situations, doctor visits, handling a job interview, and more. To improve your pronunciation, listen to the embedded audio that accompanies this e-book or download the Mp3. The audio contains all the dialogues and pronunciation pointers found in the book so you can listen along and practice your speaking skills as you read. The dialogues are read by native speakers and are a great way to work on accent reduction. If you're looking for a fun and easy way to improve your English language skills, this is the book for you!

Practice Makes Perfect: Spanish Conversation, Premium Second Edition - Jean Yates 2016-04-01

Practice Makes Perfect: Spanish Conversation will help you: Engage in dialogues that illustrate practical conversations Expand your vocabulary Get clarification of new concepts with numerous realistic examples Reinforce your new conversational skills through extensive exercises Improve your pronunciation through audio dialogs and exercises, via app and online Before you know it, you'll find yourself confidently speaking Spanish with your Spanish-speaking friends--or ready to make new ones!

Understanding Morphology - Martin Haspelmath
2013-10-28

This new edition of *Understanding Morphology* has been fully revised in line with the latest research. It now includes 'big picture' questions to highlight central themes in morphology, as well as research exercises for each chapter. *Understanding Morphology* presents an introduction to the study of word structure that starts at the very beginning. Assuming no knowledge of the field of morphology on the part of the reader, the book presents a broad range of morphological phenomena from a wide variety of languages. Starting with the core areas of inflection and derivation, the book presents the interfaces between morphology and syntax and between morphology and phonology. The synchronic study of word structure is covered, as are the phenomena of diachronic change, such as analogy and grammaticalization. Theories are presented clearly in accessible language with the main purpose of shedding light on the data, rather than as a goal in themselves. The authors consistently draw on the best research available, thus utilizing and discussing both functionalist and generative theoretical approaches. Each chapter includes a summary, suggestions for further reading, and exercises. As such this is the ideal book for both beginning students of linguistics, or anyone in a related discipline looking for a first introduction to morphology.

Korean for Beginners - Henry J. Amen IV
2010-08-10

Have you ever considered learning Korean, but

been put off by the unusual look of the characters? Don't let yourself be scared away! Korean has been called "the most logical language there is," and with this friendly and thorough introduction you will soon see why. The best way to learn Korean—this book uses a lighthearted, humorous approach. *Korean for Beginners* starts by showing you just how reasoned and logical the Korean alphabet, hangeul, actually is, and helps you master it faster than you learned the English alphabet. Realistic situations you might encounter in Korea in Korean-speaking environments are described, and new words are explained in terms of how you'll find them useful to communicate. Numerous illustrations enliven the text, downloadable audio lets you listen and repeat phrases in the book. Soon you'll be able to say with pride, "I know Korean!" Features of *Korean for Beginners* are: Learn to read Korean writing with ease. Practical phrases help you converse with confidence. A lighthearted "guide" walks you through, bringing the language to life. Downloadable audio with native Korean speakers help you to speak Korean like a pro. As the more than 1 million Americans who speak Korean can attest, the Korean language is here to stay, and generations of young (and older) adults are determined to learn it. This book is for people who want a grasp of how to speak, write and understand Korean—and who want to enjoy things while they're at it!

The Oxford-Duden Pictorial Spanish-English Dictionary - Manuel Alvar Ezquerro 1985
Spanish & English vocabulary printed with pictures on the same page. Index in English. Includes technical pictures in two languages.

English Made Easy Volume Two - Jonathan Crichton 2016-03-29

This is a fun and user-friendly way to learn English. English Made Easy is a breakthrough in English language learning—imaginatively

exploiting how pictures and text can work together to create understanding and help learners learn more productively. It gives beginner English learners easy access to the vocabulary, grammar and functions of English as it is actually used in a comprehensive range of social situations. Self-guided students and classroom learners alike will be delighted by the way they are helped to progress easily from one unit to the next, using a combination of pictures and text to discover for themselves how English works. The pictorial method used in this book is based on a thorough understanding of language structure and how language is successfully learned. The authors are experienced English language teachers with strong backgrounds in language analysis and language learning.

English Made Easy, Volume 2 consists of a total of 20 units arranged in groups of five. The first four units presents language and provide learners the opportunities to practice as they learn. The first page of each unit has a list of all the words and phrases to be learned in that unit, together with pronunciation guide. At the end of each unit, an interesting story which uses the language that has just been learned is presented. The fifth unit in each group contains exercises designed to reinforce the language learned in the first four units.

Word by Word - Peter Bliss 1995-01

This album and accompanying songbook offer entertaining practice with English vocabulary through a variety of popular musical styles.

English Picture Dictionary - Catherine Bruzzone 2011

This simple, colorful picture dictionary is perfect for young readers. Here are more than 350 useful words in English, organized by topic, including school, sports, park, beach, house, street, farm, and wild animals. Each word is clearly illustrated for easy learning, and there is a full alphabetical list of words at the end of the book. A handy format, colorful illustrations, and simple, clear layout make this book ideal for early readers.

The Oxford Picture Dictionary - Jane Spigarelli 2009-09-01

The Oxford Picture Dictionary Canadian Workbooks are accompaniments to the OPD that allow it to be more easily used in the classroom as a core text. They correlate to the dictionary

page-for-page with vocabulary reinforcing exercises at each of the three available levels. Each book comes with a listening section at the back of the book and access to online audio. The workbooks can also be used for self study.
The Oxford English Dictionary - John Andrew Simpson 1991

American English File - Clive Oxenden
2010-01-07

"Texts must be interesting enough for students to want to read them in their own language. Otherwise, how can we expect students to want to read them in English?" This is the authors' golden rule when they choose texts and topics for every level of American English File. It ensures you get material that learners will enjoy reading and will want to talk about. Texts such as "Could you live without money?" really help to generate opinion and discussion. They create a desire to communicate. Having created the desire, American English File then helps you to develop learners' communication skills. One way it does this is with a strong focus on pronunciation. Research shows that poor pronunciation is a major contributor to breakdowns in communication (Jennifer Jenkins: *The Phonology of English as an International Language*). American English File integrates pronunciation into every lesson - the "little and often" approach. But that's not all. The unique English File Sounds Chart puts a picture to each sound in the phonetic alphabet, so learners find it easier to remember the sounds and, ultimately, improve their pronunciation.

English Collocation in Use. Per Le Scuole Superiori - Michael McCarthy 2005-09-22

Collocations are combinations of words which frequently appear together. Using them makes your English sound more natural. Presents and explains approximately 1,500 word combinations in typical contexts using tables, charts, short texts and dialogues.

Accurate English - Prentice Hall 1993-04-01
This manual accompanies the main text which focuses on the pronunciation of English in North America as it is spoken by educated native speakers. It teaches vowels, consonants, rhythm, stress and intonation using the principles of articulatory phonetics. It includes spelling patterns.

Everybody Up, Level 3 - Patrick Jackson
2016-03-10

Everybody Up gets students talking about the real world. Posters, videos, stories, and songs link English to other school subjects and universal values, developing global citizens with 21st century skills. Everybody Up is a seven-level course that motivates children by linking the English classroom to the wider world. Everybody Up encourages children to use language in a natural and meaningful way by connecting English to their own lives. Colorful cross-curricular lessons link English to other school subjects. Fun stories teach life lessons such as being kind and polite. Great songs, and the special Everybody Up Friends, motivate children to practice English - even at home! The Everybody Up Global Sing-along links your classroom to the wider world.

Oxford Picture Dictionary - Jayme Adelson-Goldstein 2009-06

The OPD Second Canadian Edition English/Chinese is an illustrated, theme-based dictionary for second-language learners. This four-colour dictionary defines words through pictures, and presents each new word in context. The OPD English/Chinese, along with the monolingual workbooks and many other components, can be used as a reference book or as text for high school or adult ESL students at the beginner level. For years, the first

monolingual Canadian edition of the OPD has been the industry leader among picture dictionaries. The second edition expands on the topics covered, providing more depth of vocabulary in the areas that matter most to students and offers Chinese speakers the additional advantage of having words and phrases defined in their native language. The illustrations have been completely updated in a more realistic style that is visually appealing to adult learners. The second edition also contains two new features: Introductory Pages and Story Pages. The Introductory Pages have been added to the beginning of each theme to give lower-level students a basic overview of key vocabulary words, and to give a starting point for discussion and an introduction to the theme for more advanced students. The Story Pages consist of a two-page spread at the end of each theme to help students use the words in context and practise their reading skills. The OPD English/Chinese is designed for use both in and out of the classroom. Speaking exercises are presented throughout the OPD to allow students to practise new vocabulary in pairs or small groups, while the pronunciation guide in the index allows students to check their pronunciation when they are studying on their own.

The Red Room - August Strindberg 2020-10-26
Arvid Falk is a young and idealistic government

worker who always wanted to be a poet. When a journalist writes a newspaper exposé based on Arvid's stories about his useless government department, Arvid is fired immediately. Starting afresh he sets out to explore every corner of the Swedish society, and the hypocrisy and corruption he finds shocks him. Walking the streets of Stockholm will never be the same again once this novel gets under your skin. Named the first modern Swedish novel, 'The Red Room' (1879) is wonderfully insightful and ironic. The Charles Dickens influence is undeniable and Strindberg's writing has been rightfully compared to that of Henrik Ibsen as well. August Strindberg (1849-1912) was a world-famous Swedish playwright, who, in Sweden, was known for his novels, poems, essays and paintings as well. Along with Henrik Ibsen, Hans Christian Andersen, Søren Kierkegaard and Selma Lagerlöf he is one of the all-time most influential authors of Scandinavia.

Oxford Practice Grammar - John Eastwood 2007
