The Wild Inside - Christine Carbo 2015-06-16
A haunting crime novel set in Glacier National Park about a man who finds himself at odds with the dark heart of the wild—and the even darker heart of human nature. It was a clear night in Glacier National Park. Fourteen-year-old Ted Systeand and his father were camping beneath the rugged peaks and starlit skies when something unimaginable happened: a grizzly bear attacked Ted's father and dragged him to his death. Now, twenty years later, as Special Agent for the Department of the Interior, Ted gets called back to investigate a crime that mirrors the horror of that night. Except this time, the victim was tied to a tree before the mauling. Ted teams up with one of the park officers—a man named Monty, whose pleasant exterior masks an all-too-vivid knowledge of the

hazardous terrain surrounding them. Residents of the area turn out to be suspicious of outsiders and less than forthcoming. Their intimate connection to the wild forces them to confront nature, and their fellow man, with equal measures of reverence and ruthlessness. As the case progresses with no clear answers, more than human life is at stake—including that of the majestic creature responsible for the attack.

Ted's search for the truth ends up leading him deeper into the wilderness than he ever imagined, on the trail of a killer, until he reaches a shocking and unexpected personal conclusion. As intriguing and alluring as bestselling crime novels by C.J. Box, Louise Penny, and William Kent Krueger, as atmospheric and evocative as the nature writing of John Krakauer and Cheryl Strayed, *The Wild Inside* is a gripping debut novel about the perilous, unforgiving intersection between man and nature.

Lady Chatterley's Lover - D. H. Lawrence

2015-05-06

David Herbert Lawrence (1885–1930) was an English writer and poet whose work famously examined the results of industrialisation on contemporary society. In his novels and poetry, Lawrence explored a variety of then-controversial issues including sexuality and emotional health, which led many to label his work pornography. Today, he is considered to be one of the most important and influential writers

of his generation. Lawrence's 1928 novel "Lady Chatterley's Lover" is the story of the former Constance Reid (Lady Chatterley), a young woman married to an upper-class baronet who was left with lower body paralysis as a result of his participation in the Great War. Both physically and emotionally distant from her husband, Constance begins an extramarital affair with the gamekeeper. Following the Victory of the publisher Penguin Books in an obscenity trial in the United Kingdom, an uncensored version of the book was finally published and gained notoriety due to explicit descriptions of sex and its use of then-unprintable four-letter words. A revolutionary novel and a true classic of English literature, "Lady Chatterley's Lover" would make for a worthy addition to any bookshelf. Read & Co. Classics is proud to be republishing this seminal novel now in a brand new edition complete with a specially-commissioned new biography of the author.

No Beast So Fierce - Dane Huckelbridge
2019-02-05

The astonishing true story of the man-eating tiger that claimed a record 437 human lives "Thrilling. Fascinating. Exciting." —Wall Street Journal • "Riveting. Haunting." —Scientific American Nepal, c. 1900: A lone tigress began stalking humans, moving like a phantom through the lush foothills of the Himalayas. As the death toll reached an astonishing 436 lives, a young local hunter was dispatched to stop the man-eater before it struck again. This is the extraordinary true story of the "Champawat Man-Eater," the deadliest animal in recorded history. One part pulse-pounding thriller, one part soulful natural history of the endangered Royal Bengal tiger, No Beast So Fierce is Dane

Huckelbridge's gripping nonfiction account of the Champawat tiger, which terrified northern India and Nepal from 1900 to 1907, and Jim Corbett, the legendary hunter who pursued it. Huckelbridge's masterful telling also reveals that the tiger, Corbett, and the forces that brought them together are far more complex and fascinating than a simple man-versus-beast tale. At the turn of the twentieth century as British rule of India tightened and bounties were placed on tiger's heads, a tigress was shot in the mouth by a poacher. Injured but alive, it turned from its usual hunting habits to easier prey—humans. For the next seven years, this man-made killer terrified locals, growing bolder with every kill. Colonial authorities, desperate for help, finally called upon Jim Corbett, a then-unknown railroad employee of humble origins who had grown up hunting game through the hills of Kumaon. Like a detective on the trail of a serial killer, Corbett tracked the tiger's movements in the dense, hilly woodlands—meanwhile the

animal shadowed Corbett in return. Then, after a heartbreaking new kill of a young woman whom he was unable to protect, Corbett followed the gruesome blood trail deep into the forest where hunter and tiger would meet at last. Drawing upon on-the-ground research in the Indian Himalayan region where he retraced Corbett's footsteps, Huckelbridge brings to life one of the great adventure stories of the twentieth century. And yet Huckelbridge brings a deeper, more complex story into focus, placing the episode into its full context for the first time: that of colonialism's disturbing impact on the ancient balance between man and tiger; and that of Corbett's own evolution from a celebrated hunter to a principled conservationist who in time would earn fame for his devotion to saving the Bengal tiger and its habitat. Today the Corbett Tiger Reserve preserves 1,200 km of wilderness; within its borders is Jim Corbett National Park, India's oldest and most prestigious national park and a vital haven for

the very animals Corbett once hunted. An unforgettable tale, magnificently told, No Beast So Fierce is an epic of beauty, terror, survival, and redemption for the ages.

At the Hands of Persons Unknown - Philip Dray 2007-12-18

WINNER OF THE SOUTHERN BOOK CRITICS CIRCLE AWARD FOR NONFICTION • "A

landmark work of unflinching scholarship."—*The New York Times* This extraordinary account of lynching in America, by acclaimed civil rights historian Philip Dray, shines a clear, bright light on American history's darkest stain—illuminating its causes, perpetrators, apologists, and victims. Philip Dray also tells the story of the men and women who led the long and difficult fight to expose and eradicate lynching, including Ida B. Wells, James Weldon Johnson, Walter White, and W.E.B. Du Bois. If lynching is emblematic of what is worst about

America, their fight may stand for what is best: the commitment to justice and fairness and the conviction that one individual's sense of right can suffice to defy the gravest of wrongs. This landmark book follows the trajectory of both forces over American history—and makes lynching's legacy belong to us all. Praise for *At the Hands of Persons Unknown* "In this history of lynching in the post-Reconstruction South—the most comprehensive of its kind—the author has written what amounts to a Black Book of American race relations."—*The New Yorker* "A powerfully written, admirably perceptive synthesis of the vast literature on lynching. It is the most comprehensive social history of this shameful subject in almost seventy years and should be recognized as a major addition to the bibliography of American race relations."—David Levering Lewis "An important and courageous book, well written, meticulously researched, and carefully argued."—*The Boston Globe* "You don't really

know what lynching was until you read Dray's ghastly accounts of public butchery and official complicity."—Time

The Venus Complex - Barbie Wilde 2012-10-05

A man rises out of an abyss of frustration and rage and creates works of art out of destruction, goddesses out of mere dental hygienists and beauty out of death. It's also about the sickness and obsession that is LOVE. "After purposefully killing his wife in a car accident, art professor Michael Friday finds his perspective on things has become a little...warped. Via his personal journal, we're allowed into his mind to slowly watch the disintegration of it, bearing witness to his unnerving sexual cravings and ideas about killing: intertwined with the paintings he loves so much. As Michael writes, he's 'turning into something dead'; but at the same time he wants to be somebody, not a nobody. Using his diary to rant against the world in general - including everything from banks to popular culture, from

national holidays like Christmas to politics - he reveals more about the big, gaping hole in his own life. But as the novel goes on the first person narrative tensely builds up, displaying his dark dreams and innermost thoughts; his way of filling that void and presenting his grisly 'works of art' to the world. As intelligent and cultured as Hannibal, easily as disturbing as American Psycho and infinitely less reassuring than Dexter, this is a sexually-charged real life horror story that will definitely stay with you." —review by Paul Kane, award-winning horror and fantasy writer Enter into Michael's world through the pages of his personal journal, where every diseased thought, disturbing dream, politically incorrect rant and sexually explicit murder highlights his journey from zero to psycho. "Wilde...is one of the finest purveyors of erotically charged horror around." —Fangoria Magazine #320 "The Venus Complex is a delicious collision of noir thriller and visceral horror. Whip-smart devious and jolting!"

—Jonathan Maberry, Multiple Bram Stoker Award Winner and New York Times best-selling author of Code Zero and V-War
