**Policing Major Events** - James F. Albrecht 2014-11-20

Whenever a major event requires police intervention, questions are raised about the nature of the police response. Could the police have prevented the conflict, been better prepared, reacted more quickly? Could they have acted more forcefully or brought the altercation under control more effectively? Based upon real case studies of events from all over the world, this volume explores the complex set of factors comprising the policing of major events. Topics covered include: Police procedures in Serbia in response to sporting events and violence The 2010 World Cup in South Africa as a model of best practice in governance structures, along with the region's struggles in routine policing initiatives Security operations at the 2010 Winter Olympic Games in Canada and the Summer Olympic and Paralympic Games in London in 2012 Community involvement to curb terrorist insurgency in North Eastern Nigeria Governmental response to Hurricane Katrina in Louisiana and Texas Revisions made to NYPD protocols following the September 11 attacks Policing strategies for major events on Aboriginal and tribal lands across Canada Other topics include the police/protestor relationship and low-profile versus high-profile policing strategies in crowd control, the growing strategy of private security in working with public police forces, and enhancing public safety in post-conflict regions. The concepts presented in Policing Major Events: Perspectives from Around the World will enable police departments to improve their readiness for policing major events across a diverse set of events and socio-political contexts. This book is a co-publication with the International Police Executive Symposium.

Poland's Security Policy - Justyna Zając 2016-11-02

This book examines how the changing post-Cold War order affected Poland's security policy and particularly how the West's weakening position and Russia's revisionist policy reinforced the traditional view of security in Poland. It addresses the reasons why Poland, a middle power in Central Europe, adopted a bridging strategy in the early 1990s; how this strategy changed along with the redistribution of power in the international system; why, after the 2008 Georgian-Russian War, Poland took steps to support NATO consolidation, strengthen relations with the USA, and expand its own military capabilities; and how the Ukraine crisis affected Poland's security. This overview is an invaluable resource for students of international and European studies, security studies, political science, as well as for decision-makers, politicians, EU staff, and anyone interested in international politics in Central Europe.

**A Manual for Writers of Research Papers, Theses, and Dissertations, Eighth Edition** - Kate L. Turabian 2013-04-09

A little more than seventy-five years ago, Kate L. Turabian drafted a set of guidelines to help students understand how to write, cite, and formally submit research writing. Seven editions and more than nine million copies later, the name Turabian has become synonymous with best practices in research writing and style. Her Manual for Writers continues to be the gold standard for generations of college and graduate students in virtually all academic disciplines. Now in its eighth edition, A Manual for Writers of Research Papers, Theses, and Dissertations has been fully revised to meet the needs of today's writers and researchers. The Manual retains its familiar three-part structure, beginning with an overview of the steps in the research and writing process, including formulating questions, reading critically, building arguments, and revising drafts. Part II provides an overview of citation practices with detailed information on the two main scholarly citation styles (notes-bibliography and author-date), an array of source types with contemporary examples, and detailed guidance on citing online resources. The final section treats all matters of editorial style, with advice on punctuation, capitalization, spelling, abbreviations, table formatting, and the use of quotations. Style and citation recommendations have been revised throughout to reflect the sixteenth edition of The Chicago Manual of Style. With an appendix on paper format and submission that has been vetted by dissertation officials from across the country and a bibliography with the most up-to-date listing of critical resources available, A Manual for Writers remains the essential resource for students and their teachers.

**The Spirit of Carnival** - David Keevin Danow 1995

In this case the result is "dialogized carnival" or "carnivalized dialogue." In their artmaking, Danow claims, human beings are animated by a periodic predisposition toward the bright side of carnival, matched by an equally strong, far darker predilection. Carnival forms of thinking are firmly embedded within the human psyche as archetypal patterns.

Handbook of Sports Medicine and Science, The Paralympic Athlete - Yves Vanlandewijck 2011-01-31

This brand new Handbook addresses Paralympic sports and athletes, providing practical information on the medical issues, biological factors in the performance of the sports and physical conditioning. The book

begins with a comprehensive introduction of the Paralympic athlete, followed by discipline-specific reviews from leading authorities in disability sport science, each covering the biomechanics, physiology, medicine, philosophy, sociology and psychology of the discipline. The Paralympic Athlete also addresses recent assessment and training tools to enhance the performance of athletes, particularly useful for trainers and coaches, and examples of best practice on athletes' scientific counseling are also presented. This new title sits in a series of specialist reference volumes, ideal for the use of professionals working directly with competitive athletes.

**Desire Against the Law** - James F. Burke 1998

The churches and manuscripts of medieval Europe incessantly juxtapose imagery depicting sacred themes with likenesses of the crudest and basest nature. Drawing on the contrast between Bakhtin's concepts of the carnivalesque and the domain of the law, this book examines such opposites in six major works of pre-1350 Spanish literature.

**Better in the Poconos** - Lawrence Squeri 2010-08-02

When Antoine Dutot opened the Kittatinny Hotel—the first tourist hotel in the Poconos—in 1829, little did he know that he was a pioneer in what would become one of the largest and most diverse tourist and recreation areas on the East Coast. Although his initial venture failed, the tourist industry of the Poconos has been a long-term success, evolving and adapting to change. *Better in the Poconos* tells the story of Pennsylvania's premier vacationland from its earliest days to the present. The flourishing tourist and resort industry in the Poconos can be attributed, in part, to the area's splendid mountains, streams, and forests. But the timeless appeal of nature was matched, and even surpassed, by the resorts' ability to redefine themselves. In the mid-nineteenth century, William Cullen Bryant depicted the Pocono region as a hunter's delight, describing abundant game and sublime landscapes. The Victorian era, however, brought genteel carriage rides and croquet; later, specialized ethnic resorts catered to the minority populations of Philadelphia and New York; and in the 1940s and 1950s, the Poconos earned its reputation as a honeymoon paradise. This evolution continues today: the land of romance has given way to the ski resorts and water slides enjoyed by today's vacationing families. Poconos resort owners and innkeepers have long recognized the cutthroat competition inherent in the vacation business. Early on, they realized that they were vying not only with each other but also with other resorts—first in the Catskills and on the New Jersey shore, and then in Florida, in the Caribbean, and even in Europe. *Better in the Poconos* illustrates the strategies by which resorts in northeastern Pennsylvania responded to these market forces. They were compelled to provide superior service and amenities as well as novel amusements and activities for their guests. In the latter half of the twentieth century, for example, "super-resorts" started to supplant the old hotels: the new resorts could offer year-round activities, thanks to the invention of artificial snow. Similarly, honeymoon hotels declined as couples resorts—retreats that boasted such innovations as the heart-shaped bathtub and the Jacuzzi in the shape of a tall champagne glass—emerged on the Poconos scene. *Better in the Poconos* recreates that scene and the people who brought it to life—not only the innkeepers, souvenir sellers, laborers, and service workers, but also the community leaders and visionaries who promoted the vacation economy and sought to guide it. The proper Victorians, the devoted sportsmen, the young newlyweds, the families and singles, the staid ladies of the Women's Christian Temperance Union (and the sinners whose vices they wished to temper), the members of the Ku Klux Klan, the rich Quakers, the Jewish socialists, and the immigrants—all these, and more, make up the humanly rich mosaic of the Poconos.

**Official Manual of the State of Missouri** - 1951

**Michael Palin's Hemingway Adventure** - Michael Palin 2010-05-27

A winning combination of No.1 travel writer Michael Palin and one of the great literary figures of the century. When Michael Palin was researching for his novel HEMINGWAY'S CHAIR his interest was stimulated by Hemingway's appetite for travel and 'Papa's' evocations of the places he knew. Hemingway remains a compelling figure, and Palin's goal was to revisit Hemingway's world. This book includes the American West ('wide lawns and narrow minds'), Idaho, Michigan ('fly fishing, hunting'), Europe in the First World (where Hemingway was wounded serving in the Ambulance Brigade), Cuba (where Hemingway wrote FOR WHOM THE BELL TOLLS), Paris in the Roaring Twenties and Spain during the Spanish Civil War, Sun Valley and Key West - where the Hemingway lookalike competition is an annual event.

**This Side of Paradise** - F. Scott Fitzgerald 1995

Fitzgerald's first novel in the authoritative Cambridge edition, now available as a paperback.

**The Illustrated London News** - 1868

**The Language of Passion** - Mario Vargas Llosa 2003

Since 1977, Vargas Llosa has contributed a biweekly column to Spain's major newspaper, "El Pais." In this collection of columns from the 1990s, Vargas Llosa weighs in on the burning questions of the last decade, including the travails of Latin American democracy, the role of religion in civic life, and the future of globalization.

**The Devil in Pew Number Seven** - Rebecca Nichols Alonzo 2010-07-27

2011 Retailers Choice Award winner! Rebecca never felt safe as a child. In 1969, her father, Robert Nichols, moved to Sellerstown, North Carolina, to serve as a pastor. There he found a small community eager to welcome him—with one exception. Glaring at him from pew number seven was a man obsessed with controlling the church. Determined to get rid of anyone who stood in his way, he unleashed a plan of terror that was more devastating and violent than the Nichols family could have ever imagined. Refusing to be driven away by acts of intimidation, Rebecca's father stood his ground until one night when an armed man walked into the family's kitchen . . . And Rebecca's life was shattered. If anyone had a reason to harbor hatred and seek personal revenge, it would be Rebecca. Yet *The Devil in Pew Number Seven* tells a different story. It is the amazing true saga of relentless persecution, one family's faith and courage in the face of it, and a daughter whose parents taught her the power of forgiveness.

**The Warrior's Gift** - Mack Faith 1986

Set in 1960, Mack Faith's first novel opens with a carnival troupe traveling in western Colorado and abruptly shifts to murder and the settling of old grudges. The characters in this alternately suspenseful and magical tale are gritty and memorable: Joy, a white exotic dancer; Louis, her sixteen-year-old son; Lenny, Joy's shady boyfriend; and Dacia, the black fortune-teller who prophesies the trouble that befalls the group. In the background lurks another figure: Washington, the warrior of the novel's title. Washington has recently left the band of sideshow performers but his instructions in magic leave a lasting impression on Louis. As murder, incest, enemies, incredible landscapes, pathos, and sex swirl about him, Louis remains untarnished and incorruptible. He discovers surprising answers to his past and the killers who stalk him, leading to a grand denouement and an ultimately triumphant ending.

**Scars of Conquest/masks of Resistance** - Tejumola Olaniyan 1995

Examining in detail the dramas of Baraka, Soyinka, Walcott and Shange, this study describes how these black writers are preoccupied with the invention of a postimperial cultural identity. It charts the foundations of an important aesthetic form, the drama of the African diaspora.

**Here Comes Charlie Moon** - Shirley Hughes 2010-12-07

Charlie Moon's Auntie Jean runs a joke shop at the seaside. Charlie loves to go and stay there and try out the comic hats, masks, rubber spiders, fake flowers that squirt water, and cushions that squeak when you sit on them...even when his clever cousin Ariadne is staying, too.

**Beckett's Critical Complicity** - Sylvie Debevec Henning 1988

Samuel Beckett's work harbors an inevitable complicity with traditional modes and values. His idealist and even nihilist inclinations, for example, are closely related to the abstracting and systematizing tendencies that have predominated in Western thinking. His drama and fiction, in reproducing these tendencies, also help to reinforce and legitimate them. Beckett's work can thus be said to encourage an attitude of stoic resignation or life-denying withdrawal. Sylvie Debevec Henning's study reveals an important countertendency. In examining Beckett's art and literary criticism, his novel *Murphy*, plays *Krapp's Last Tape* and *Endgame*, his only film venture, and the late story "The Lost Ones," she shows that through a variety of double-voiced techniques -- irony, parody, and satire -- Beckett also brings a powerful critical light to bear upon our culture's repeated attempts to reduce or eliminate the more problematic aspects of existence and even mocks our desire to do so. His disquieting and occasionally uproarious interweaving of contradictory perspectives -- somber and carnivalized, established and contestory -- suggests that suffering and anguish are fundamental to life, while it affirms their relation to laughter and creative vigor within a richer, if less settled, cultural context. Drawing upon the work of Nietzsche, Heidegger, Foucault, Derrida, and particularly Bakhtin, Henning argues that Beckett's profound critique of Western intellectual tradition does not necessarily entail the loss of all positive values and beliefs. On the contrary, his use of carnivalesque and dialogized modes signals a revitalizing capacity that has not been fully appreciated.

**The Invention of Hugo Cabret** - Brian Selznick 2015-09-03

ORPHAN, CLOCK KEEPER, AND THIEF, twelve-year-old Hugo lives in the walls of a busy Paris train station, where his survival depends on secrets and anonymity. But when his world suddenly interlocks with an eccentric girl and her grandfather, Hugo's undercover life, and his most precious secret, are put in jeopardy. A cryptic drawing, a treasured notebook, a stolen key, a mechanical man, and a hidden message from Hugo's dead father form the backbone of this intricate, tender, and spellbinding mystery.

*Laughter, War, and Feminism* - Gabriela Castellanos 1994

In the critical tradition, Jane Austen has long been considered a conservative writer, whose novels emphasize the importance of manners and propriety. This study, however, continues a more recent trend in Austen Scholarship, one that focuses on her feminism. It breaks new ground by identifying, as one ingredient in her fiction, an iconoclastic laughter that is closer to popular gaiety than to the elitist ironic stance of many of her predecessors. Furthermore, it underlines the presence of conflict in her narrative and points to the disruptive speech reported in Austen's elegant, hyper-correct sentences. Working with three of Austen's novels - Northanger Abbey, Pride and Prejudice and Emma - the study analyzes the elements of feminist carnival in her prose.

**Deaf American Literature** - Cynthia Peters 2000

"The moment when a society must contend with a powerful language other than its own is a decisive point in its evolution. This moment is occurring now in American society". Peters explains precisely how ASL literature achieved this moment, tracing its past and predicting its future in this trailblazing study. Peters connects ASL literature to the literary canon with the archetypal notion of carnival as "the counterculture of the dominated". Throughout history carnivals have been opportunities for the "low", disenfranchised elements of society to displace their "high" counterparts. Citing the Deaf community's long tradition of "literary nights" and festivals like the Deaf Way, Peters recognizes similar forces at work in the propagation of ASL literature. The agents of this movement, Deaf artists and ASL performers -- "Tricksters", as Peters calls them -- jump between the two cultures and languages. Through this process they create a synthesis of English literary content reinterpreted in sign language, which also raises the profile of ASL as a distinct art form in itself. Peters applies her analysis to the craft's landmark works, including Douglas Bullard's novel *Islay* and Ben Bahan's video-recorded narrative *Bird of a Different Feather*. *Deaf American Literature*, the only work of its kind, is its own seminal moment in the emerging discipline of ASL literary criticism.

*Hosay Trinidad* - Frank J. Korom 2003

The multivocalic rite known as Hosay in the Caribbean developed out of earlier practices originating in Iraq and Iran which diffused to Trinidad by way of South Asian indentured laborers brought to the Caribbean by the British from the mid-1800s to the early decades of the twentieth century. The rituals are important as a Shi'i religious observance, but they also are emblems of ethnic and national identity for Indo-Trinidadians. Frank Korom investigates the essential role of Hosay in the performance of multiple identities by historically and ethnographically situating the event in Middle Eastern, South Asian, and Caribbean contexts. *Hosay Trinidad: Muharram Performances in an Indo-Caribbean Diaspora* is the first detailed historical and ethnographic study of Islamic muharram rituals performed on the island of Trinidad. Korom's central argument is that the annual rite is a polyphonic discourse that is best understood by employing multiple levels of interpretation. On the symbolic level the observance provides esoteric meaning to a small community of Indo-Trinidadian Muslims. On another level, it is perceived

to be representative of "transplanted" Indian culture as a whole. Finally, the rituals are becoming emblematic of Trinidad's polyethnic population. Addressing strategies used to resist integration and assimilation, Hosay Trinidad is engaged with theories concerning the notion of cultural creolization in the Caribbean as well as in the general study of global diasporas.

*Power and Persuasion* - Stanley Brandes 1988

At the same time, fiestas themselves affirm and validate the system that gave rise to them. Not only do they solidify authority relations, both official and unofficial, but they also clarify and reinforce the norms by which orderly social life may be conducted.

Stephen Owen is James Bryant Conant Professor of Chinese at Harvard University. --Book Jacket.

*One More for the Road* - Ray Bradbury 2002-03-26

America has no finer teller of tales than Ray Bradbury. For more than fifty years he has regaled us with wonders, enchanted us with memories, and startled us with simple truths, enabling us to view from fresh perspectives the world we inhabit, and see others we never dreamed existed. Now the master treats us to another round -- eighteen brand -- new stories and seven previously published but never before collected-proof positive that his magic is as potent as ever. Here is a rich elixir distilled from the pungent fruit of experience and imagination, expertly prepared by a superior mixologist whose hand is sure and whose eyes and ears have long taken in the shouting, weeping, carping, reveling life all around him. Sip the sweet innocence of youth, and the wisdom and folly -- of age. Taste the warm mysteries of summer and the bitterness of betrayed loves and abandoned places. This glass overflows with a heady brew that will set your mind spinning and carry you to remarkable locales: a house where time has no boundaries; a movie theater where deconstructed schlock is drunkenly reassembled into art; a faraway planet plagued by an epidemic of sorrow; a wheat field that hides a strangely welcome enemy. The comforts of arguments eternal; the addictive terror of a predawn phone call; the ghosts of dear friends, of errant sons and lost fathers, and of lovers both joyously remembered and never-to-be, are but a few of the ingredients that have gone into Bradbury's savory cocktail. And every satisfying swallow brings new surprises and revelations. *One More for the Road* is superb refreshment served with wit, heart, and flair by the incomparable Bradbury. This one's on Ray. Drink up!

**Europa Triumphans** - Helen Watanabe-O'Kelly 2010-02

A landmark in the study of early modern Europe, this two-volume collection makes available for the first time a selection of the most important texts from court and civic festival books. Festival entertainments were presented to mark such occasions as royal and ducal entries to capital cities, dynastic marriages, the birth and christening of heirs, religious feasts and royal and ducal funerals. *Europa Triumphans* represents the chronological and trans-European range of the court and civic festival. These festivals are considered not simply as texts, but as events, and are introduced by groups of scholars, each with a specialist knowledge of the political, social and cultural significance of the festival and of the iconography, spectacle, music, dance, voice and gesture in which they were expressed. To demonstrate the geographic spread and political significance of festivals, and to illustrate the range of aesthetic languages they deploy, the festivals included in these two volumes are grouped in the following sections: Henri III; Genoa; Poland-Lithuania; The Netherlands; The Protestant Union; La Rochelle; Scandinavia; and The New World. These texts provide many valuable insights into the variety of political systems and historical circumstances that formed them. Beautifully produced with 148 black-and-white and 23 colour illustrations, *Europa Triumphans* represents an invaluable reference source for the study of early modern Europe. It presents texts both in transcription and translated into English, and is supplemented with introductory essays and commentaries. *Europa Triumphans* is co-

published by Ashgate and the Modern Humanities Research Association, in conjunction with the AHRB Centre for the Study of the Renaissance at the University of Warwick, UK.

*Colors Demonic and Divine* - Herman Pleij 2004

Including a wealth of vivid detail and ranging over theology, poetry, painting, heraldry, fashion, and daily life, this book elucidates the attitudes toward color in medieval times and the effect these attitudes still have on modern society.

**On Politics** - Henry Louis Mencken 1996

"Has the art of politics no apparent utility? Does it appear to be unqualifiedly ratty, raffish, sordid, obscene, and low down, and its salient virtuous a gang of unmitigated scoundrels? Then let us not forget its high capacity to soothe and tickle the midriff, its incomparable services as a maker of entertainment." -- -from On Politics With a style that combined biting sarcasm with the "language of the free lunch counter,"

Mencken shook politics and politicians for nearly half a century. The political arena afforded Mencken a special opportunity to showcase his talents. He despised pretentiousness and hypocrisy and found numerous, easy targets among politicians. But while he could be merciless in attacking local and national leaders, Mencken always interspersed his scathing commentaries with entertaining exaggerations and high humor. This collection of seventy political pieces drawn from Mencken's famous Monday columns in the Baltimore Evening Sun during the twenties and thirties shows the "Sage of Baltimore" at his satirical best. While social attitudes may have changed, the value of Mencken's words on American politics offers us a timeless perspective.

Carnival of Saints - George Herman 1994
