Thin Diabetes, Fat Diabetes - Laurie Endicott Thomas 2014-10-22
French people use the term thin diabetes (diabete maigre) to refer to type 1 diabetes: the severe, incurable form of diabetes mellitus that tends to strike children. French people use the term fat diabetes (diabete gras) to refer to type 2 diabetes: the milder, reversible form of diabetes mellitus that occurs in overweight people. In this fascinating book, Laurie Endicott Thomas provides clear and often surprising explanations of why people get diabetes, and what they can do about it. Diabetes does not result from eating too much sugar and starch. Type 2 diabetes results from eating too much fat, and type 1 diabetes results from a problem in the immune system. Type 2 diabetes is not really a disease. It is a defense mechanism. If you have type 2 diabetes, you are a naturally thin person, and your body is willing to sacrifice everything to keep you from gaining even more weight from a diet that is too rich in fat. The solution to this problem is to a low-fat vegan (purely plant-based) diet. Such a diet reverses type 2 diabetes and helps to improve the health of people with type 1 diabetes. If an entire family adopts this diet for the benefit of a diabetic family member, everyone will benefit! This book explains how to use food to fight diabetes. It even includes meal planning tips and quick

and easy recipes."

The Complete Married With Children Book: TV's Dysfunctional Family Phenomenon - Denise Noe 2017-08-13

Married . . . with Children premiered on Fox TV in 1987 and updated the Don Ameche and Frances Langford radio comedy series, The Bickersons, and Jackie Gleason's TV classic, The Honeymooners, with a raunchy, cutting-edge slant that focused on a lovable yet laughable family headed by endearingly flawed Al (Ed O'Neill), his housework-hating wife, sexy daughter, and randy son. For 11 seasons, the brilliant team of talent put the funk in dysfunctional. Rediscover the exhilarating humor and intellectual excitement in Denise Noe's first book. She delves behind-the-

scenes with Michael Moyer, Ron Leavitt, Ed O'Neill, Katey Sagal, Christina Applegate, David Faustino, David Garrison, Amanda Bearse, E. E. Bell, and Ritch Shydney. You'll be fascinated by the story of how two rogue writers created a deliberately off-the-wall program; how it almost got derailed before production began; how a controversy could have plucked the series off the air but ended up injecting a much needed shot in the arm; how a reality-based show occasionally—and courageously—ventured into comedy with a fantasy, horror, and/or science fiction spin. Family Destruction - Tyron Hayes 2017-08-03

This novel is just a figment of my imagination and does not depict the views of my personal opinion. In memory of the dearly departed, I would like to bow my head in a moment of silence for all the fallen soldiers who didn't get a chance to see life for the way it was meant to be viewed. For our predecessors who've been misguiding our young minds of the ghettos for far too long. For those who helped to prevent prosperity from ever reaching its full potential. For the many demons of their own destruction, who truly believe that genocide is the only way to properly represent their neighborhoods with pride. For the athletic, or intellectual being, who seem -to have missed their true calling for dedicating so much of their lives to the lost cause of gang violence, we say no more! If we don't stand for something, we will eventually start falling for anything. It's time to wake up, and build up to the expectation of our own greatness! If not, the very future of our children, and our children's, children's lives will one day depend on it...
