When Women Speak... - Moyra Dale 2018

The twentieth century should be remembered in missions as the time when women got lost. Over that time, the voices of women missionaries, leaders, and facilitators of new Christian movements were all too often excluded from missiological discourse and strategic mission discussion. It is hoped that this book signals a revival in the contribution of women to mission in a way that values what they have to offer.

99 Names of Allah - Muhammad Sohail Ahmad 2021-01-25

This book is a humble effort to list the 99 names of Allah to learn and memorize them in a colorful way along with their meanings. Allah has revealed His names repeatedly in the Holy Quran primarily for us to understand who He is. Learning and memorizing the names of Allah will help us to identify the correct way to believe in Him. Allah says in the Quran: And to Allah belong the best names, so invoke Him by them. (Quran 7:180) Prophet Muhammad (ﷺ) said, "Allah has ninety-nine names, i.e. one-hundred minus one, and whoever knows them will go to Paradise." (Sahih Bukhari 50:894) Abu Huraira reported Allah's Messenger (ﷺ) as saying: There are ninety-nine names of Allah; he who commits them to memory would get into Paradise. Verily, Allah is Odd (He is one, and it is an odd number) and He loves odd number." (Sahih Muslim Book-48 Hadith-5)

Islam as Political Religion - Shabbir Akhtar 2010-10-18

This comprehensive survey of contemporary Islam provides a philosophical and theological approach to the issues faced by Muslims and the question of global secularisation. Engaging with critics of modern Islam, Shabbir Akhtar sets out an agenda of what his religion is and could be as a political entity. Exploring the views and arguments of philosophical, religious and political thinkers, the author covers a raft of issues faced by Muslims in an increasingly secular society. Chapters are devoted to the Qur'an and Islamic literature; the history of Islam; Sharia law; political Islam; Islamic ethics; and political Islam's evolving relationship with the West. Recommending changes which enable Muslims to move from their imperial past to a modest role in the power structures of today's society, Akhtar offers a detailed assessment of the limitations and possibilities of Islam in the modern world. Providing a vision for an empowered yet rational Islam that distances itself from both Islamist factions and Western secularism, this book is an essential read for students and scholars of Islamic studies, religion, philosophy and politics.

Quran, Hadith and Islam - Dr. Rashad Khalifa

After more than 12 years of computerized research of Quran, PHYSICAL EVIDENCE was discovered proving that Quran is indeed the infallible word of God. This discovery became very popular among the Muslim masses throughout the world, and summaries of the work were printed and distributed by the millions. My personal popularity soared along with this most exciting, and most humbling, discovery. The continued research then unveiled a startling fact; that the extremely popular "Hadith & Sunna" have nothing to do with the prophet Muhammad, and that adherence thereto represents flagrant disobedience of God and His final prophet (Quran 6:112 & 25:31). This finding contradicts the beliefs of Muslim masses everywhere. Consequently, my personal popularity, and even the popularity of the Quran's miracle, plunged to the point of endangering my life and reputation. As it turned out, telling the Muslims that "Hadith & Sunna" are Satanic inventions is the same as telling the Christians that Jesus is not the son of God. Since the recognition of "Hadith & Sunna" as Satanic innovations is supported by PHYSICAL EVIDENCE, all freethinking people will accept the findings reported in this book. For such people, the results include a totally new sense of salvation, and full awareness that the Muslim masses have fallen victim to Satan's schemes.

The First Muslim - Lesley Hazleton 2014-02-04

The extraordinary life of the man who founded Islam, and the world he inhabited—and remade. Lesley Hazleton's new book, *Agnostic: A Spirited Manifesto*, is out now from Riverhead Books. Muhammad's was a life of almost unparalleled historical importance; yet for all the iconic power of his name, the intensely dramatic story of the prophet of Islam is not well known. In *The First Muslim*, Lesley Hazleton brings him vibrantly to life. Drawing on early eyewitness sources and on history, politics, religion, and psychology, she renders him as a man in full, in all his complexity and vitality. Hazleton's account follows the arc of Muhammad's rise from powerlessness to power, from anonymity to renown, from insignificance to lasting significance. How did a child shunted to the margins end up revolutionizing his world? How did a merchant come to challenge the established order with a new vision of social justice? How did the pariah hounded out of Mecca turn exile into a new and victorious beginning? How did the outsider become the ultimate insider? Impeccably researched and thrillingly readable, Hazleton's narrative creates vivid insight into a man navigating between idealism and pragmatism, faith and politics, nonviolence and violence, rejection and acclaim. *The First Muslim* illuminates not only an immensely significant figure but his lastingly relevant legacy.

War and Religion in the Secular Age - Davis Brown 2019-11-12

Is religion a factor in initiating interstate armed conflict, and do different religions have different effects? Breaking new ground in political science, this book explores these questions both qualitatively and quantitatively, concluding that the answer is yes. Previous studies have focused on conflict within states or interstate aggression with overtly religious motivations; in contrast, Brown shows how religion affects states' propensities to militarize even disputes that are not religious in nature. Different religions are shown to have different influences on those propensities, and those influences are linked to the war ethics inculcated in those religions. The book analyses and classifies war ethics contained in religious scripture and other religious classics, teachings of religions' contemporary epistemic communities, and religions' historical narratives. Using data from the new Religious Characteristics of States dataset project, qualitative studies are combined with empirical measurements of governments' institutional preferences and populations' cultures. This book will provide interesting insights to scholars and researchers in international security studies, political science, international law, sociology, and religious studies.

Blessed Names and Attributes of Allah - Abdur Raheem Kidwai 2016-03-25

"Allah's are the names most beautiful. Whatever is in the heavens and earth extols His glory."—The Qur'an (Al-Hashr 59:24) "Allah has 99 names. He who remembers these will certainly enter Paradise."—Prophet Muhammad (Bukharhi Hadith Kitab Ad-Dawat, 2,949) Remembering the Names of Allah is a sacred tradition in Islam. Both the Qur'an and sayings of the Prophet (Hadiths) state the importance of learning them and promise reward for reciting them in supplications and prayers. This beautiful presentation of Allah's most revered nintety-nine names draws the reader nearer to the Divine through contemplation and reflection of Allah's names, their meaning, and how each impacts our daily lives. They help to conceptualize Allah, Whose limitless greatness and glory is impossible to grasp. Each name is presented in the original Arabic and its translation into English. Accompanying each name is a commentary that is concise and easy

to understand but rich in meaning. Abdur Raheem Kidwai (b. 1956) is a professor of English at the Aligarh Muslim University, India, and a visiting fellow at the School of English, University of Leicester, United Kingdom. He earned his two PhDs in English from the Aligarh Muslim University and the University of Leicester. He is a well-known author of many works on the Qur'an and Islam, including: The Qur'an: Essential Teachings; Daily Wisdom: Islamic Prayers and Supplications; Daily Wisdom: Selections from the Holy Qur'an; and What Should We Say?

God or No God - Haya Muhammad Eid 2018-01-10

It was narrated that a Bedouin was traveling on his camel when his camel suddenly dropped dead. He descended from the camel's back and started circling it while meditatively saying: Why don't you get up? Why don't you come back to life? Here are your limbs! They are perfectly complete and your body is sound! What is the matter with you? What used to keep you going? What worked in you to make you alive? What caused you to die? What stopped you now from moving? Then he left his camel in amazement, wondering what had happened to it. There are traces of past and present creations everywhere — are they meaningless or living signs of a Creator God?

Divine Names - Rosina-Fawzia Al-Rawi 2015-01-31

Russian-Muslim Confrontation in the Caucasus - Gary Hamburg 2004-08-02

This book presents two extraordinary texts - The Shining of Swords by Al-Qarakhi and a new translation for a contemporary readership of Leo Tolstoy's Hadji Murat - illuminating the mountain war between the Muslim peoples of the Caucasus and the imperial Russian army from 1830 to 1859. The authors offer a complete commentary on the various intellectual and religious contexts that shaped the two texts and explain the historical significance of the Russian-Muslim confrontation. It is shown that the mountain war was a clash of two cultures, two religious outlooks and two different worlds. The book provides an important background for the ongoing contest between Russia and indigenous people for control of the Caucasus.

The Holy Quran - Saad Alkharraz 2013-02-01

In the name of God, the Gracious, the Merciful. 1. Ta, Ha. 2. We did not reveal the Quran to you to make you suffer. 3. But only as a reminder for him who fears. 4. A revelation from He who created the earth and the high heavens. 5. The Most Merciful; on the Throne He settled. 6. To Him belongs everything in the heavens and the earth, and everything between them, and everything beneath the soil. 7. If you speak aloud-He knows the secret, and the most hidden. 8. God, there is no god but He, His are the Most Beautiful Names. English translation for Muslims first book

A Dictionary of Muslim Names - Salahuddin Ahmed 1999

"In a well-known hadith, Muhammad advises Muslims that, 'On the Day of Resurrection, you will be called by your names and the names of your fathers; so keep beautiful names.' Inspired by the teachings of Islam, names fulfill the cherished ambitions of a true Muslim. Unfortunately, a large number of Muslims with names of Arabic or Persian origin are unaware of their meaning and their bearing on Islamic heritage. Many parents select names for their children consisting of uncommon Arabic words with phonetic effect.

But these meanings are often devoid of any religious meaning or cultural resonance. In *The Dictionary of Muslim Names*, Salahuddin Ahmed provides a helpful and substantive guide to common and less-common Muslim names. This lively and informative dictionary lists the original Arabic, Persian, or Turkish spelling, as well as a precise English transliteration. The names' meaning and bearing on Islamic heritage or world history are referenced, along with historical figures who bore the name - an Imaam, a Sultan, a saint - and accompanying examples"--Back cover.
