

Nooma Dust Discussion Guide

Eventually, you will unconditionally discover a new experience and deed by spending more cash. yet when? reach you bow to that you require to acquire those all needs taking into account having significantly cash? Why dont you try to get something basic in the beginning? Thats something that will lead you to comprehend even more nearly the globe, experience, some places, taking into consideration history, amusement, and a lot more?

It is your very own times to appear in reviewing habit. in the middle of guides you could enjoy now is **Nooma Dust Discussion Guide** below.

[What Is the Bible?](#) - Rob Bell 2019-02-05

Instant New York Times Bestseller Rob Bell, the beloved author of *Love Wins* and *What We Talk About When We Talk About God*, goes deep into the Bible to show how it is more revelatory, revolutionary, and relevant than we ever imagined—and offers a cogent argument for why we need to look at it in a fresh, new way. In *Love Wins*, Rob Bell confronted the troubling questions that many people of faith were afraid to ask about heaven, hell, fate, and faith. Using the same inspired, inquisitive approach, he now turns to our most sacred book, the Bible. *What Is the Bible?* provides insights and answers that make clear why the Bible is so revered and what makes it truly inspiring and essential to our lives. Rob takes us deep into actual passages to reveal the humanity behind the Scriptures. You cannot get to the holy without going through the human, Rob tells us. When considering a passage, we shouldn't ask "Why did God say . . .?" To get to the heart of the Bible's meaning, we should be asking: "What's the story that's unfolding here and why did people find it important to tell it? What was it that moved them to record these words? What was happening in the world at that time? What does this passage/story/poem/verse/book tell us about how people understood who they were and who God was at that time?" In asking these questions, Rob goes beyond the one-dimensional question of "is it true?" to reveal the Bible's authentic transformative power. Rob addresses the concerns of all those who see the Bible as God's Word but are troubled by the ethical dilemmas, errors, and inconsistencies in Scripture. With *What Is the Bible?*, he recaptures the Good Book's magic and reaffirms its power and inspiration to shape and inspire our lives today.

Entwined with You - Alexia Praks 2020-08-14

Dark. Powerful. Dangerous James Maxwell is one of the billionaire elites who rules Las Vegas City with an iron fist. This is his story. My name is Mia Donovan, a twenty-two-year-old, small-town girl who has signed a contract with the billionaire in exchange for my brother's freedom and protection. My world has changed—both for better and worse. James Maxwell is the man behind this. I'm fascinated, mesmerized by this charm that binds me to him, entrapping me in his embrace. I've fallen in love with him, which hurts because it is unrequited. What's worse, my life is at risk because I'm too close to the powerful man who has too many enemies. And so our story continues... *Entwined with You* contains *Chained to You: Volumes 3 & 4* of the *Chained to You* serial. *Vegas Billionaires Series: 1 - Chained to You* [James and Mia Book 1] 2 - *Entwined with You* [James and Mia Book 2] 3 - *Loved by You* [James and Mia Book 3] 4 - *Chained by Love* [William and Savannah] Keywords: romance ebook, sexy romance, steamy contemporary romance, steamy romance, steamy billionaire romance, sexy billionaire romance

Everything Is Spiritual - Rob Bell 2020-09-15

"An exciting vision of the future" --Michael Eric Dyson *Everything Is Spiritual* is an unexpected and compelling invitation to see your life in a whole new way. We have the great moments of our lives, the highs, those times when we soar, when it all makes sense, when it feels like it all has purpose and meaning. And then there are all those other moments—the lows and aches and failures and struggles and experiences that leave us wondering what the point of it all is. Are our lives ultimately bits and pieces and fragments—you try to find a little peace and hope and then it's over? Or is there more going on here? In our increasingly polarized and disoriented world, *Everything Is Spiritual* gives us a radical new take on how it all fits together, how it works, how it's all connected. Part memoir, part extended riff on the quantum nature of reality, part history of the universe, Rob Bell takes us back through the twists and turns and struggles of his story in order to help us see the larger story so that we can reconnect with our story.

The new nation - John Morris (author of *The new nation.*) 1880

[Historical Dictionary of Somalia](#) - Mohamed Haji Mukhtar 2003-02-25

The volume will cover all aspects of Somalia, providing useful information about the country in a comprehensive manner. The book also

reflects on the contributions of the Somali sources on history and culture. Arabic sources and other non-English colonial sources of great importance to the subject are also highlighted. A vital addition to reference collections supporting undergraduate and graduate programs on Africa and the Middle East, international relations, and economics_ and a useful fact-filled compendium for government and public libraries, NGO's, and other special libraries as well.

Love Wins (Enhanced Edition) - Rob Bell 2011-11-15

This enhanced edition of *LOVE WINS* includes extras such as the complete *LOVE WINS COMPANION* as well as the book trailer video that started it all and ten brand-new videos featuring Rob Bell discussing each of the chapters. In *LOVE WINS*, bestselling author of *VELVET ELVIS* and the 2 million-plus selling *Nooma* videos, Rob Bell, reveals a secret deep in the heart of millions of Christians—they don't believe what they have been taught are the essential truths of their faith. Bell brings out to the open and faces squarely the questions on everyone's mind: Does it really make sense that God is a loving, kind, compassionate God who wants to know people in a personal way, but if they reject this relationship with Jesus, they will be sent to hell where God will eternally punish them forever? Bell goes to the heart of these issues and argues that the church's traditional understanding of heaven and hell is actually not taught by the Bible. Bell is emphatically not offering a new view of heaven and hell—instead, he closely examines every verse in the Bible on heaven and hell and shows what they really teach. And he discovers that Jesus's most fundamental teaching about heaven and hell is, "Love wins."

Jesus Wants to Save Christians - Rob Bell 2009-03-17

There is a church not too far from us that recently added a \$25 million addition to their building. Our local newspaper ran a front-page story not too long ago about a study revealing that one in five people in our city lives in poverty. This is a book about those two numbers. *Jesus Wants to Save Christians* is a book about faith and fear, wealth and war, poverty, power, safety, terror, Bibles, bombs, and homeland insecurity. It's about empty empires and the truth that everybody's a priest. It's about oppression, occupation, and what happens when Christians support, animate and participate in the very things Jesus came to set people free from. It's about what it means to be a part of the church of Jesus in a world where some people fly planes into buildings while others pick up groceries in Hummers.

[A Women's Lectionary for the Whole Church](#) - Wilda C. Gafney 2021-08-17

What would it look like if women built a lectionary focusing on women's stories? What does it look like to tell the good news through the stories of women who are often on the margins of scripture and often set up to represent bad news? How would a lectionary centering women's stories, chosen with womanist and feminist commitments in mind, frame the presentation of the scriptures for proclamation and teaching? The scriptures are androcentric, male-focused, as is the lectionary that is dependent upon them. As a result, many congregants know only the biblical men's stories told in the Sunday lectionary read in their churches. A more expansive, more inclusive lectionary will remedy that by introducing readers and hearers of scripture to "women's stories" in the scriptures. *A Women's Lectionary for the Whole Church*, when completed, will be a three-year lectionary accompanied by a stand-alone single year lectionary, *Year W*, that covers all four gospels. *Year A* features the Gospel of Matthew with John interwoven as is the case in the Revised Common Lectionary (RCL) and Episcopal Lectionary.

[The Story We Find Ourselves In](#) - Brian D. McLaren 2019-03-05

Book Two in *The New Kind of Christian Trilogy* *The Story We Find Ourselves In* is the sequel to Brian D. McLaren's award-winning book *A New Kind of Christian*. His witty and wise characters take on difficult, faith-busting themes—from evolution and evangelism to death and the meaning of life—and reveal that the answers to life's pressing spiritual questions often come from the most unlikely sources. Dan and Neo (and some new characters as well) invite reflection on the story we find

ourselves in--that is, the narrative of God's presence and meaning in the world now and in the future.

Walking in the Dust of Rabbi Jesus - Lois Tverberg 2012-03-06

In this ebook download of *Walking in the Dust of Rabbi Jesus*, Lois Tverberg challenges readers to follow their Rabbi more closely by re-examining his words in the light of their Jewish context. Doing so will provide a richer, deeper understanding of his ministry, compelling us to live differently, to become more Christ-like. We'll begin to understand why his first Jewish disciples abandoned everything to follow him, to live out his commands. Our modern society, with its individualism and materialism, is very different than the tight-knit, family-oriented setting Jesus lived and taught in. What wisdom can we glean from his Eastern, biblical attitude toward life? How can knowing Jesus within this context shed light on his teachings for us today? In *Walking in the Dust of Rabbi Jesus* we'll journey back in time to eavesdrop on the conversations that arose among the rabbis of Jesus' day, and consider how hearing Rabbi Jesus with the ears of a first-century disciple can bring new meaning to our faith. And we'll listen to Jewish thinkers through the ages, discovering how ideas that germinated in Jesus' time have borne fruit over time. Doing so will yield fresh, practical insights for following our Rabbi's teachings from a Jewish point of view.

Introductory Handbook of the Yao Language - Alexander Hetherwick 1889

The Mystery of Crop Circles - Chris Oxlade 1999

Describes the appearance of the phenomena known as crop circles and offers various explanations as to how they were created.

Spaceland - Rudy Rucker 2003-07-04

Activating an experimental machine on New Year's Eve, Joe Cube is contacted by Momo, a woman from the fourth dimension who promised to make him rich if he will help her with a special project. Reprint.

The Good and Beautiful Life - James Bryan Smith 2009-12-14

James Bryan Smith believes we have bought into false notions of happiness and success. In this follow up to his first book, *The Good and Beautiful God*, Smith traces through the Sermon on the Mount and helps us replace our false beliefs with Jesus' narratives about life in the kingdom of God.

Kickball - 2005

NOOMA is a new format for spiritual direction. It's short films touching on issues that we care about, that we want to talk about, and it comes in a way that fits our world. It's a format that's there for us when we need it, as we need it, how we need it. Audio: English. Subtitles: English, French, German, Korean, Mandarin, Portuguese, Spanish.

Travels in Beloochistan and Sindh - Sir Henry Pottinger 1816

Travels in Beloochistan and Sindh is a first-hand account of a journey taken in 1810-11 through parts of present-day India, Pakistan, Afghanistan, Iran, and Iraq. The author, Henry Pottinger (1789-1856), was a lieutenant in the East India Company who, along with a friend and fellow officer, Captain Charles Christie, volunteered to undertake a mission to the region between India and Persia (present-day Iran), about which the East India Company at that time had little knowledge. The two men journeyed from Bombay (present-day Mumbai) to Sind (present-day southeast Pakistan) from where, disguised as Indians, they traveled overland to Kalat. They were quickly recognized as Europeans, but they were able to continue their journey to Nushki, near the present-day border between Afghanistan and Pakistan. There the men separated. Pottinger continued westward to Persia, through Kerman to Shiraz and Isfahan. Christie traveled north from Nushki into Afghanistan, through Helmand to Herat and from there into Persia to Yazd and Isfahan, where he rejoined Pottinger. Christie was directed to remain in Persia, where in 1812 he was killed in a Russian attack. Pottinger returned to Bombay via Baghdad and Basra. The book is in two parts. The first is a detailed account of Pottinger's journey, with observations on climate, terrain, soil, plants and animals, peoples and tribes, customs, religion, and popular beliefs. The second is an introduction to the history and geography of the provinces of Baluchistan and Sind. An appendix reproduces part of the journal kept by Christie on his travels through Afghanistan. The book contains one colored illustration at the front and a large fold-out map after the end of the text. Pottinger went on to have a distinguished career with the East India Company and the British government. In April 1843 he was appointed the first British governor of Hong Kong.

Not Your Parents' Offering Plate - J. Clif Christopher 2015-04-22

People don't give to church because we don't offer them a compelling vision of the good their giving will achieve. Hearing a young attorney speak of the faithbased reasons for which he had just made a substantial

monetary gift to a community youth center, Clif Christopher asked the speaker if he would consider making a similar contribution to the congregation of which he was an active member. "Lord, no they would not know what to do with it" was the answer. That, in a nutshell, describes the problem churches are facing in their stewardship efforts, says Christopher. Unlike leading nonprofit agencies and institutions, we too often fail to convince potential givers that their gifts will have impact and significance. In this book, Christopher lays out the main reasons for this failure to capture the imagination of potential givers, including our frequent failure simply to ask. Written with the needs of pastors and stewardship teams in mind, *Not Your Parents' Offering Plate* provides immediate, practical guidance to all who seek to help God's people be better stewards of their resources.

Making Children Mind without Losing Yours - Dr. Kevin Leman 2017-08-01

We've seen the enemy, and they're small . . . and unionized. If anyone understands why children behave the way they do, it's internationally known psychologist and New York Times bestselling author Dr. Kevin Leman. Using the 7 principles of reality discipline, this father of five and grandfather of four reveals a practical, action-oriented game plan to - get kids to listen to parents - encourage healthy attitudes and two-way communication - turn off temper tantrums, minimize sibling rivalries, and foil finicky eaters - put parents back in the driver's seat - prompt long-lasting, positive behavior and instill values - rear respectful, well-behaved children who become responsible difference makers in the world Thought-provoking questions at the end of each chapter and Dr. Leman's real-life examples give readers sure-fire techniques for developing a loving, no-nonsense approach for rearing children. With over a million satisfied customers, parents can't go wrong with this classic, perennial bestseller.

Love Wins: At the Heart of Life's Big Questions - Rob Bell 2011-03-17

Bestselling author Rob Bell offers a provocative book which gets to the heart of questions about life and death. His perspective, encapsulated by his famous slogan 'love wins', will surprise and challenge both Christians and atheists, and will inspire people of all faiths and none.

At Home with the Patagonians - George Chaworth Musters 1871

Wisdom's Wonder - William P. Brown 2014-03-11

Wisdom's Wonder offers a fresh reading of the Hebrew Bible's wisdom literature with a unique emphasis on "wonder" as the framework for understanding biblical wisdom. William Brown argues that wonder effectively integrates biblical wisdom's emphasis on character formation and its outlook on creation, breaking an impasse that has plagued recent wisdom studies. Drawing on various disciplines, from philosophy to neuroscience, Brown discovers new distinctions and connections in Proverbs, Job, and Ecclesiastes. Each book is studied in terms of its view of moral character and creation, as well as in terms of the social or intellectual crisis each book identifies. Most general treatments of the wisdom literature spend too much time on issues of genre, poetry, and social context at the neglect of discussing the intellectual and emotional power of the wisdom corpus. Brown argues that the real power of the wisdom corpus lies in its capacity to evoke the reader's sense of wonder. An extensive revision and expansion of Brown's *Character in Crisis* (Eerdmans, 1996), this book demonstrates that the wisdom books are much more than simply advice literature: with wonder as the foundation for understanding, Brown maintains that wisdom is a process with transformation of the self as the goal.

Love Wins - Rob Bell 2011-03-15

Millions of Christians have struggled with how to reconcile God's love and God's judgment: Has God created billions of people over thousands of years only to select a few to go to heaven and everyone else to suffer forever in hell? Is this acceptable to God? How is this "good news"? Troubling questions—so troubling that many have lost their faith because of them. Others only whisper the questions to themselves, fearing or being taught that they might lose their faith and their church if they ask them out loud. But what if these questions trouble us for good reason? What if the story of heaven and hell we have been taught is not, in fact, what the Bible teaches? What if what Jesus meant by heaven, hell, and salvation are very different from how we have come to understand them? What if it is God who wants us to face these questions? Author, pastor, and innovative teacher Rob Bell presents a deeply biblical vision for rediscovering a richer, grander, truer, and more spiritually satisfying way of understanding heaven, hell, God, Jesus, salvation, and repentance. The result is the discovery that the "good news" is much,

much better than we ever imagined. Love wins.

[In the Dust of the Rabbi](#) - Ray Vander Laan 2006

This sixth Faith Lessons volume takes you to Galilee in Israel where Jesus called his first disciples to follow Him. Then on to Priene and Didyma in Turkey where their disciples learned what it meant to follow the Rabbi.

[You 015---Rob Bell Discussion Guide \(5-Pack\)](#) - Rob Bell 2007-11-06

Many people often debate the central claims of the Christian faith. But maybe a better understanding of the history of the early Christian movement would give new perspective to these discussions.

[Mathematics Through the Eyes of Faith](#) - Russell Howell

Book description to come.

The Zimzum of Love - Rob Bell 2014-10-28

As he revolutionized traditional teaching on hell in the phenomenal New York Times bestseller *Love Wins*, Rob Bell now transforms how we understand and practice marriage in *The Zimzum of Love*, co-written with his wife, Kristen. Despite the divorce statistics, people are still committing to each other, instinctively believing and hoping that theirs is a sacred union that will last forever. Yet when these couples encounter problems, they often lack the resources that keep them connected to this greater mystery surrounding marriage. Rob and Kristen Bell introduce a startling new way of looking at marriage, *The Zimzum of Love*. *Zimzum* is a Hebrew term where God, in order to have a relationship with the world, contracts, creating space for the creation to exist. In marriage, *zimzum* is the dynamic energy field between two partners, in which each person contracts to allow the other to flourish. Mastering this field, this give and take of energy, is the secret to what makes marriage flourish. Rob and Kristen Bell are brutally honest about their own struggles, their ups and downs, as together they pass along what matters most for couples. In this wise book, they explore the secret of what makes a happy union—probing the mystery at the heart of the extraordinary emotional connection that binds two people. With his down-to-earth charm, a dose of whimsy, and memorable stories, Rob, writing with his wife Kristen, changes how we consider marriage, providing insight that can help all of us create satisfying and sacred unions of our own.

Hearing God's Call - Ben Campbell Johnson 2002-10-08

"God is still calling believers today, just as He did in earlier times, and God's empowering call extends to clergy and laity alike. ... this book will help anyone seeking to hear God's call with greater clarity and act on it with greater conviction" -- BACK JACKET.

[Christ in Celtic Christianity](#) - Michael W. Herren 2002

Interprets the nature of Christianity in Celtic Britain and Ireland from the 5th to the 10th cent., based on written and visual evidence- images of Christ in manuscripts, metalwork and sculpture. The strain of the Pelagianism in Britain in the early 5th century influenced the theology and practice of the Celtic monastic Churches on both sides of the Irish Sea, making theological spectrum quite distinct from that of the continent.

The Complete Star Wars Encyclopedia: P-Z - Stephen J. Sansweet 2008

Updated for the first time in a decade, a deluxe, three-volume encyclopedia covers the entire Star Wars universe, including everything having to do with the six films, radio dramas, books, comics, video games, and more, with information on the characters, production, special effects, chronology, and the like, all enhanced with full-color illustrations.

[Velvet Elvis](#) - Rob Bell 2006-06-29

A guide to living an authentic Christian life urges readers to seek an expression of faith that is personal, rather than in accordance with the belief systems of others, in a handbook that cites the examples of Jesus while offering a perspective on the unlimited nature of God.

The Good and Beautiful God - James Bryan Smith 2009-12-14

Turning to the Gospels, James Bryan Smith invites you to compare your ideas about God with what Jesus himself reveals about his Father. Smith leads you through a process of spiritual formation that includes specific activities aimed at making these new narratives real in your body and soul as well as your mind.

[Collection 002](#) - NOOMA Group 2010-01-02

NOOMA Group 02, Book 005-008 discussion guide is designed to accompany the NOOMA Group 02 DVD and is intended to facilitate discussions based on the themes and questions raised in NOOMA Films 005-008. NOOMA Book 005-008 helps viewers delve more deeply and meaningfully into the issues raised in NOOMA Films 005 Noise, 006 Kickball, 007 Luggage, and 008 Dust. Viewers will explore and discuss issues such as why we are so afraid of silence, why we don't always get what we want if God is such a loving God, why forgiveness is so difficult,

and what exactly God sees in us. Watch the films with friends, open the book, and together begin to search, question, and join the discussion.

Drops Like Stars - Rob Bell 2012-07-24

In *Drops Like Stars*, the New York Times bestselling author of *Love Wins* explores the complex relationship between suffering and creativity. Rob Bell ("One of the country's most influential evangelical pastors" —New York Times) suggests that art can be found in the agony of our lives.

Fans of the thought-provoking works of Donald Miller, N.T. Wright, Brian McLaren, and Timothy Keller will find true enlightenment in this thoughtful and engaging book from this vibrant, progressive voice for a new generation of Christians, the prolific pastor whom Time Magazine named one of the most influential people of 2011.

[The Seven Tablets of Creation](#) - L W King 2020-09-07

This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published. Hence any marks or annotations seen are left intentionally to preserve its true nature.

The Care of Souls - Harold L. Senkbeil 2019-06-26

Drawing on a lifetime of pastoral experience, *The Care of Souls* is a beautifully written treasury of proven wisdom which pastors will find themselves turning to again and again. Harold Senkbeil helps remind pastors of the essential calling of the ministry: preaching and living out the Word of God while orienting others in the same direction. And he offers practical and fruitful advice—born out of his five decades as a pastor—that will benefit both new pastors and those with years in the pulpit. In a time when many churches have lost sight of the real purpose of the church, *The Care of Souls* invites a new generation of pastors to form the godly habits and practical wisdom needed to minister to the hearts and souls of those committed to their care.

[The Bible in History](#) - Robert B. Waltz

The Bible in History. A study of the history, folklore, and occasionally even the mathematics underlying the Bible. A sort of dictionary of scholarly material you likely won't find elsewhere. Dedicated to Elizabeth Rosenberg, Patricia Rosenberg, and Catie Jo Pidel. Please understand that this is not a Biblical commentary. Also, while I try very hard to avoid actual theological discussions, the work is very much based on "external evidence" -- the manuscripts of the Bible, the evidence of other historical records, the findings of science, the folklore about the Bible. Some of this can be offensive to some, particularly those who try to find exact literal truth in the Bible. I hope you will accept it (or else not read it :-)) in that light. If you are still interested, there is a lot of historical background about the Bible here -- not always direct links to the Bible, but the context of the nations among whom the Israelites lived. There is no Biblical mention of (say) Nabopolassar of Babylon, but his actions would deeply influence Judean history. Knowing even a little of that history can help understand the Bible. Also, where there are variant readings in the manuscripts of the Hebrew Bible or the New Testament, I note it. This may mean that we are uncertain what the Bible says -- and hence what it means. I try either to recover the original meaning or, in some cases, to assess the meanings of both readings. And then there are the tidbits of science and folklore and anything else I can think of.... The result is a grab bag. Some parts may be useful, some may not. The idea is to browse and see what strikes your fancy. With luck, you'll understand more about the Bible after doing so.

What We Talk About When We Talk About God - Rob Bell 2014-09-02

How God is described today strikes many as mean, primitive, backward, illogical, tribal, and at odds with the frontiers of science. At the same time, many intuitively feel a sense of reverence and awe in the world. Can we find a new way to talk about God? Pastor and New York Times bestselling author Rob Bell does here for God what he did for heaven and hell in *Love Wins*: he shows how traditional ideas have grown stale and dysfunctional and reveals a new path for how to return vitality and vibrancy to how we understand God. Bell reveals how we got stuck, why culture resists certain ways of talking about God, and how we can reconnect with the God who is with us, for us, and ahead of us, pulling us forward into a better future—and ready to help us live life to the fullest.

Christ Plays in Ten Thousand Places - Eugene H. Peterson 2008-01-29

Christ Plays in Ten Thousand Places reunites spirituality and theology in a cultural context where these two vital facets of Christian faith have been rent asunder. Lamenting the vacuous, often pagan nature of contemporary American spirituality, Eugene Peterson here firmly

grounds spirituality once more in Trinitarian theology and offers a clear, practical statement of what it means to actually live out the Christian life. Writing in the conversational style that he is well known for, Peterson boldly sweeps out the misunderstandings that clutter conversations on spiritual theology and refurnishes the subject only with what is essential. As Peterson shows, spiritual theology, in order to be at once biblical and meaningful, must remain sensitive to ordinary life, present the Christian gospel, follow the narrative of Scripture, and be rooted in the "fear of the Lord" -- in short, spiritual theology must be about God and not about us. The foundational book in a five-volume series on spiritual theology emerging from Peterson's pen, *Christ Plays in Ten Thousand Places* provides the conceptual and directional help we all need to live the Christian gospel well and maturely in the conditions that

prevail in the church and world today.

Mystical Hope - Cynthia Bourgeault 2001

In five interwoven meditations, *Mystical Hope* shows how to recognize hope in our own lives, where it comes from, how to deepen it through prayer, and how to carry it into the world as a source of strength and renewal.

Rauch's Pennsylvania Dutch Hand-book - E. H. Rauch 1879-01-01

"A dictionary and guide to the language of the Pennsylvania Germans. Includes English-Pennsylvania German and Pennsylvania German-English translations, along with a phrase book and bilingual sections on conducting business in various settings. Concludes with translated excerpts of poetry, Bible verses, and Shakespeare"--Provided by publisher.
