Take a Bow - Elizabeth Eulberg 2012-04-01
From the fantastic author of The Lonely Hearts Club and Prom & Prejudice comes a story of all the drama and comedy of four friends who grow

into themselves at a performing arts high school. Emme, Sophie, Ethan, and Carter are seniors at a performing arts school, getting ready for their Senior Showcase recital, where the pressure is on to appeal to colleges, dance academies, and professionals in show business. For Sophie, a singer, it's been great to be friends with Emme, who composes songs for her, and to date Carter, soap opera heartthrob who gets plenty of press coverage. Emme and Ethan have been in a band together through all four years of school, but wonder if they could be more than just friends and bandmates. Carter has been acting since he was a baby, and isn't sure how to admit that he'd rather paint than perform. The Senior Showcase is going to make or break each of the four, in a funny, touching, spectacular finale that only Elizabeth Eulberg could perform.

The Handy State-by-State Answer Book -

Samuel Willard Crompton 2016-06-20

How did colonies, territories, and land purchases shape the United States of America? What differences—and similarities—are there between the states? What does each state bring to the union? From sea to shining sea, *The Handy State-by-State Answer Book: Faces, Places, and Famous Dates for All Fifty States* explores the history, growth, politics, people, and more of each of the 50 states. It is a resource for learning about the events and personalities that influenced and affected each state, its history, government, cities, and culture. It is a convenient place to look for state facts and trivia. In addition to the state motto, nickname, and when it entered the union, *The Handy State-by-State Answer Book* answers intriguing questions about the people, places, and events that lend a unique character to each

state's boundaries, government, and places of interest, such as: How important were the Beach Boys to the making of California's culture? Are the Hawaiians still in charge of their state and its economy? Why was it so easy for the Pilgrims and the Puritans to take over eastern Massachusetts? Who were the first inhabitants of what is now South Dakota? Does it ever stop raining on the Washington coast?

La Regenta - John Rutherford 2005-07-28

Married to the retired magistrate of Vetusta, Ana Ozores cares deeply for her much older husband but feels stifled by the monotony of her life in the shabby and conservative provincial town. And when she embarks on a quest for fulfillment through religion and even adultery, a bitter struggle begins between a powerful priest and a would-be Don Juan for the passionate young woman's body and soul. Scandalizing contemporary Spain when it was first published in 1885, with its searing critique of the Church and its frank treatment of sex, *La Regenta* is a compelling and witty depiction of the complacent and frivolous world of upper-class society.
