Third Spiritual Alphabet - Francisco de Osuna 2014-04-29
For the first time, in 33 years, here is a complete analytical and comparative study of the only two English translations of this marvelous work. This effort, which lies within your grasp, is a pains-taking effort to not only compare the wording, but also the footnotes and supply variant references to this stunning work; in

particular making references back to our copy of the Spanish text for clarity. More importantly, this effort is coordinated with Teresa of Avila's works. Thus an additional 400 notes, in combination with comparatives between the variant references are supplied. This work has been translated by the Sisters of Stanbrook.

Walkscapes - Francesco Careri

2017-12-20

Walkscapes deals with strolling as an architecture of landscape. Walking as an autonomous form of art, a primary act in the symbolic transformation of the territory, an aesthetic instrument of knowledge and a physical transformation of the 'negotiated' space, which is converted into an urban intervention. From primitive nomadism to Dada and Surrealism, from the Lettrist to the Situationist International, and from Minimalism to Land Art, this book narrates the perception of landscape through a history of the traversed city.

Exponential Organizations - Salim Ismail 2014-10-14
Frost & Sullivan's 2014 Growth, Innovation, and Leadership Book of the Year "EXPONENTIAL ORGANIZATIONS should be required reading for anyone interested in the ways exponential technologies are reinventing best practices in business." —Ray Kurzweil, Director of Engineering at

Google In business, performance is key. In performance, how you organize can be the key to growth. In the past five years, the business world has seen the birth of a new breed of company—the Exponential Organization—that has revolutionized how a company can accelerate its growth by using technology. An ExO can eliminate the incremental, linear way traditional companies get bigger, leveraging assets like community, big data, algorithms, and new technology into achieving performance benchmarks ten times better than its peers. Three luminaries of the business world—Salim Ismail, Yuri van Geest, and Mike Malone—have researched this phenomenon and documented ten characteristics of Exponential Organizations. Here, in EXPONENTIAL ORGANIZATIONS, they walk the reader through how any company, from a startup to a multi-national, can become an ExO, streamline its

performance, and grow to the next level. "EXPONENTIAL ORGANIZATIONS is the most pivotal book in its class. Salim examines the future of organizations and offers readers his insights on the concept of Exponential Organizations, because he himself embodies the strategy, structure, culture, processes, and systems of this new breed of company." —John Hagel, The Center for the Edge Chosen by Benjamin Netanyahu, Prime Minister of Israel, to be one of Bloomberg's Best Books of 2015

El Llamado Supremo de La Mujer - Elizabeth George

2013-01-14

10 pasos esenciales para experimentar el gozo que viene de vivir a la manera que agrada a Dios. // 10 essentials for godly living that will assist you in fulfilling God's purpose for your life.

A History of Reading in the West - Guglielmo Cavallo 2003
Literature has not always been written in the same ways, nor has it been received or read in the same ways over the course

of Western civilization. Cavallo (Greek palaeography, U. of Rome La Sapienza), Chartier (Ecole des Hautes Etudes en Sciences Sociales, Paris) and a number of other international contributors, address themes that highlight the transformation of reading methods and materials over the ages, such as the way texts in the Middle Ages were often written with the voice in mind, as they would have been read aloud, or even sung. Articles explore the innovations in the physical evolution of the book, as well as the growth and development of a broad-based reading public.

The Princess Who Believed in Fairy Tales - Marcia Grad 1995

The Princess Who Believed in Fairy Tales is an enchanting and inspiring modern-day story set in olden times that symbolizes the journey we all take through life as we sort out illusion from reality, come to terms with our childhood dreams and pain, and discover who we really are and how life works.

[The 48 Laws Of Power](#) - Robert

Greene 2010-09-03
THE MILLION COPY
INTERNATIONAL
BESTSELLER Drawn from
3,000 years of the history of
power, this is the definitive
guide to help readers achieve
for themselves what Queen
Elizabeth I, Henry Kissinger,
Louis XIV and Machiavelli
learnt the hard way. Law 1:
Never outshine the master Law
2: Never put too much trust in
friends; learn how to use
enemies Law 3: Conceal your
intentions Law 4: Always say
less than necessary. The text is
bold and elegant, laid out in
black and red throughout and
replete with fables and unique
word sculptures. The 48 laws
are illustrated through the
tactics, triumphs and failures
of great figures from the past
who have wielded - or been
victimised by - power.

___ (From the Playboy
interview with Jay-Z, April
2003) PLAYBOY: Rap careers
are usually over fast: one or
two hits, then styles change
and a new guy comes along.
Why have you endured while

other rappers haven't? JAY-Z: I
would say that it's from still
being able to relate to people.
It's natural to lose yourself
when you have success, to start
surrounding yourself with fake
people. In *The 48 Laws of
Power*, it says the worst thing
you can do is build a fortress
around yourself. I still got the
people who grew up with me,
my cousin and my childhood
friends. This guy right here
(gestures to the studio
manager), he's my friend, and
he told me that one of my
records, *Volume Three*, was
wack. People set higher
standards for me, and I love it.
Emotional Intelligence - Daniel
Goleman 1996-09-12

Daniel Goleman offers a vital
new curriculum for life that can
change the future for us and
for our children

Tragic Sense of Life - Miguel
de Unamuno 2016-03-10

To the mentality that assumes,
more or less consciously, that
we must of necessity find a
solution to every problem,
belongs the argument based on
the disastrous consequences of
a thing. Take any book of

apologetics-that is to say, of theological advocacy-and you will see how many times you will meet with this phrase-"the disastrous consequences of this doctrine." Now the disastrous consequences of a doctrine prove at most that the doctrine is disastrous, but not that it is false, for there is no proof that the true is necessarily that which suits us best. -from "The Rationalist Dissolution" This is the masterpiece of Miguel de Unamuno, a member of the group of Spanish intellectuals and philosophers known as the "Generation of '98," and a writer whose work dramatically influenced a wide range of 20th-century literature. His down-to-earth demeanor and no-nonsense outlook makes this 1921 book a favorite of intellectuals to this day, a practical, sensible discussion of the war between faith and reason that consumed the twentieth century and continues to rage in the twenty-first century. de Unamuno's philosophy is not the stuff of a rarefied realm but an integral part of fleshly,

sensual life, metaphysics that speaks to daily living and the real world.

Prayers That Move Mountains - John Eckhardt 2012

Eckhardt takes your prayer life to a whole new level, and shows you want to pray when you need God's attention.

These prayers guarantee that you will have God's ear and get victory over stubborn demons and strongholds in your life.

Many Lives, Many Masters - Brian L. Weiss 1988-07-15

Describes the case of a young woman suffering from anxiety attacks, explains how hypnosis revealed her memories of past lives, and discusses the usefulness of regression therapy

In the Closet of the Vatican - Frederic Martel 2019-02-21

The New York Times Bestseller '[An] earth-shaking exposé of clerical corruption' - National Catholic Reporter In the Closet of the Vatican exposes the rot at the heart of the Vatican and the Roman Catholic Church today. This brilliant piece of investigative writing is based

on four years' authoritative research, including extensive interviews with those in power. The celibacy of priests, the condemnation of the use of contraceptives, the cover up of countless cases of sexual abuse, the resignation of Benedict XVI, misogyny among the clergy, the dramatic fall in Europe of the number of vocations to the priesthood, the plotting against Pope Francis - all these issues are clouded in mystery and secrecy. In the Closet of the Vatican is a book that reveals these secrets and penetrates this enigma. It derives from a system founded on a clerical culture of secrecy which starts in junior seminaries and continues right up to the Vatican itself. It is based on the double lives of priests and on extreme homophobia. The resulting schizophrenia in the Church is hard to fathom. But the more a prelate is homophobic, the more likely it is that he is himself gay. 'Behind rigidity there is always something hidden, in many cases a double life'. These are the words of

Pope Francis himself and with them the Pope has unlocked the Closet. No one can claim to really understand the Catholic Church today until they have read this book. It reveals a truth that is extraordinary and disturbing.

Caliban and the Witch - Silvia Federici 2004

"Women, the body and primitive accumulation"-- Cover.

The Purpose Driven Church - Rick Warren 2007-09-04

Every church is driven by something. Tradition, finances, programs, personalities, events, seekers, and even buildings can each be the controlling force in a church. But Rick Warren believes that in order for a church to be healthy it must become a purpose driven church by Jesus. Now the founding pastor of Saddleback Church shares a proven five-part strategy that will enable your church to grow. . . - Warmer through fellowship - Deeper through discipleship - Stronger through worship - Broader through ministry - Larger through

evangelism. Discover the same practical insights and principles for growing a healthy church that Rick has taught in seminars to over 22,000 pastors and church leaders from sixty denominations and forty-two countries. The Purpose Driven Church® shifts the focus away from church building programs to emphasizing a people-building process. Warren says, "If you will concentrate on building people, God will build the church."

Books on Fire - Lucien X. Polastron 2007-08-13

Almost as old as the idea of the library is the urge to destroy it. Author Lucien X. Polastron traces the history of this destruction, examining the causes for these disasters, the treasures that have been lost, and where the surviving books, if any, have ended up. *Books on Fire* received the 2004 Société des Gens de Lettres Prize for Nonfiction/History in Paris.

Biology - Gerald Audesirk 2010-06-01

This introductory text has been revised to reflect the changing

dynamics of introductory biology. Emphasizing concepts over facts, it presents the dynamic processes at work in biology.

Miracles Happen - Brian L. Weiss 2012-10-02

In his revolutionary book *Miracles Happen*, Brian Weiss M.D., the New York Times bestselling author of *Many Lives, Many Masters*, examines the physical, emotional, and spiritual healing that is possible when you freely accept and embrace the reality of reincarnation. Trained as a traditional psychotherapist, Dr. Weiss began to explore how reincarnation and past life regression can lead us to our higher selves after a startling encounter with a patient. Now a leading proponent of past-life therapy, Dr. Weiss shows us that, indeed, *Miracles Happen*, with seemingly incredible but true stories that demonstrate how, by getting in touch with and understanding our past lives, we can dramatically improve the present.

21 Lessons for the 21st Century - Yuval Noah Harari

2019-01-29

#1 NEW YORK TIMES

BESTSELLER • In *Sapiens*, he explored our past. In *Homo Deus*, he looked to our future. Now, one of the most innovative thinkers on the planet turns to the present to make sense of today's most pressing issues. "Fascinating . . . a crucial global conversation about how to take on the problems of the twenty-first century."—Bill Gates, *The New York Times Book Review*
NAMED ONE OF THE BEST BOOKS OF THE YEAR BY FINANCIAL TIMES AND PAMELA PAUL, KQED How do computers and robots change the meaning of being human? How do we deal with the epidemic of fake news? Are nations and religions still relevant? What should we teach our children? Yuval Noah Harari's *21 Lessons for the 21st Century* is a probing and visionary investigation into today's most urgent issues as we move into the uncharted territory of the future. As technology advances faster than our understanding of it,

hacking becomes a tactic of war, and the world feels more polarized than ever, Harari addresses the challenge of navigating life in the face of constant and disorienting change and raises the important questions we need to ask ourselves in order to survive. In twenty-one accessible chapters that are both provocative and profound, Harari builds on the ideas explored in his previous books, untangling political, technological, social, and existential issues and offering advice on how to prepare for a very different future from the world we now live in: How can we retain freedom of choice when Big Data is watching us? What will the future workforce look like, and how should we ready ourselves for it? How should we deal with the threat of terrorism? Why is liberal democracy in crisis? Harari's unique ability to make sense of where we have come from and where we are going has captured the imaginations of millions of readers. Here he invites us to consider values,

meaning, and personal engagement in a world full of noise and uncertainty. When we are deluged with irrelevant information, clarity is power. Presenting complex contemporary challenges clearly and accessibly, 21 Lessons for the 21st Century is essential reading. "If there were such a thing as a required instruction manual for politicians and thought leaders, Israeli historian Yuval Noah Harari's 21 Lessons for the 21st Century would deserve serious consideration. In this collection of provocative essays, Harari . . . tackles a daunting array of issues, endeavoring to answer a persistent question: 'What is happening in the world today, and what is the deep meaning of these events?'"—BookPage (top pick)

[Draughts is More Difficult Than Chess](#). - Govert Westerveld
2020-11-10

Six Thinking Hats - Edward De Bono 2009-11-05
The classic work about meetings and decision-making.

Meetings are a crucial part of all our lives, but too often they go nowhere and waste valuable time. In *Six Thinking Hats*, Edward de Bono shows how meetings can be transformed to produce quick, decisive results every time. The Six Hats method is a devastatingly simple technique based on the brain's different modes of thinking. The intelligence, experience and information of everyone is harnessed to reach the right conclusions quickly. These principles have been adopted by businesses and governments around the world, ending conflict and confusion in favour of harmony and productivity. The Six Hats strategy will fundamentally change the way you work and interact. 'An inspiring man with brilliant ideas. De Bono never ceases to amaze with his clarity of thought.' Sir Richard Branson
Twilight - Stephenie Meyer
2007-07-18
Fall in love with the addictive, suspenseful love story between a teenage girl and a vampire with the book that sparked a

"literary phenomenon" and redefined romance for a generation (New York Times). Isabella Swan's move to Forks, a small, perpetually rainy town in Washington, could have been the most boring move she ever made. But once she meets the mysterious and alluring Edward Cullen, Isabella's life takes a thrilling and terrifying turn. Up until now, Edward has managed to keep his vampire identity a secret in the small community he lives in, but now nobody is safe, especially Isabella, the person Edward holds most dear. The lovers find themselves balanced precariously on the point of a knife -- between desire and danger. Deeply romantic and extraordinarily suspenseful, Twilight captures the struggle between defying our instincts and satisfying our desires. This is a love story with bite. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, Midnight Sun: the iconic love story of Bella and Edward told

from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times

Queens of the Abyss - Mike Ashley 2020-09-15

It is too often accepted that during the 19th and early 20th centuries it was the male writers who developed and pushed the boundaries of the weird tale, with women writers following in their wake--but this is far from the truth. This new anthology follows the instrumental contributions made by women writers to the weird tale, and revives the lost authors of the early pulp magazines along with the often overlooked work of more familiar authors. See the darker side of The Secret Garden author Frances Hodgson Burnett and the sensitively-drawn nightmares of Marie Corelli and Violet Quirk. Hear the captivating voices of Weird Tales magazine contributors Sophie Wenzel Ellis, Greye La Spina, and

Margaret St Clair, and bow down to the sensational, surreal, and challenging writers who broke down the barriers of the day. Featuring material never before republished, from the abyssal depths of the British Library vaults.

Il Decameron. - *Amsterdamo*
1703 - Giovanni Boccaccio
1703

Spiritual Warrior: Conquering the enemies of the mind -
Bhakti Tirtha Swami 1996

Macroeconomics - Olivier
Blanchard 2021

An integrated, global view of macroeconomics, showing the connections between goods markets, financial markets, and labour markets worldwide. This is a book rooted in the real-world: from the major economic crisis of the late 2000s to the profound economic effects caused by the COVID-19 pandemic, from monetary policy in the US, to Brexit, the problems of the Euro area and growth in China, it will help your students make

sense not only of current macroeconomic events but also those that may unfold in the future.

Money, Bank Credit, and Economic Cycles -

Ikigai - Héctor García

2017-08-29

INTERNATIONAL

BESTSELLER • 1.5 MILLION+
COPIES SOLD WORLDWIDE

“Workers looking for more fulfilling positions should start by identifying their ikigai.”

—Business Insider “One of the unintended—yet

positive—consequences of the [pandemic] is that it is forcing people to reevaluate their jobs, careers, and lives. Use this time wisely, find your personal ikigai, and live your best life.”

—Forbes Find your ikigai

(pronounced ee-key-guy) to live longer and bring more meaning and joy to all your days. “Only staying active will make you want to live a hundred years.”

—Japanese proverb According to the Japanese, everyone has an ikigai—a reason for living.

And according to the residents of the Japanese village with the

world's longest-living people, finding it is the key to a happier and longer life. Having a strong sense of ikigai—where what you love, what you're good at, what you can get paid for, and what the world needs all overlap—means that each day is infused with meaning. It's the reason we get up in the morning. It's also the reason many Japanese never really retire (in fact there's no word in Japanese that means retire in the sense it does in English): They remain active and work at what they enjoy, because they've found a real purpose in life—the happiness of always being busy. In researching this book, the authors interviewed the residents of the Japanese village with the highest percentage of 100-year-olds—one of the world's Blue Zones. Ikigai reveals the secrets to their longevity and happiness: how they eat, how they move, how they work, how they foster collaboration and community, and—their best-kept secret—how they find the ikigai that brings satisfaction to their lives. And it provides

practical tools to help you discover your own ikigai. Because who doesn't want to find happiness in every day?
I Am a Rebel Girl - Elena Favilli
2018-12-05
From the publishers of Good Night Stories for Rebel Girls, *I Am a Rebel Girl: A Journal to Start Revolutions* is designed for girls of all ages to train and explore their rebel spirits! *I Am a Rebel Girl* creates a space for big ideas, helping girls develop the tools they need to lead the revolution of our time. The Name of the Rose -

Umberto Eco 1994

It is the year 1327. Franciscans in an Italian abbey are suspected of heresy, but Brother William of Baskerville's investigation is suddenly overshadowed by seven bizarre deaths. Translated by William

Weaver. A Helen and Kurt Wolff Book

Radical - David Platt

2010-05-04

New York Times bestseller

What is Jesus worth to you? It's easy for American Christians to forget how Jesus said his followers would actually live, what their new lifestyle would actually look like. They would, he said, leave behind security, money, convenience, even family for him. They would abandon everything for the gospel. They would take up their crosses daily... But who do you know who lives like that? Do you? In Radical, David Platt challenges you to consider with an open heart how we have manipulated the gospel to fit our cultural preferences. He shows what Jesus actually said about being his disciple--then invites you to believe and obey what you have heard. And he tells the dramatic story of what is happening as a "successful" suburban church decides to get serious about the gospel according to Jesus. Finally, he urges you to join in The Radical

Experiment -- a one-year journey in authentic discipleship that will transform how you live in a world that desperately needs the Good News Jesus came to bring.

Hannibal - Thomas Harris
2009-06-23

#1 NEW YORK TIMES BESTSELLER • “Is it as good as *Red Dragon* and *Silence of the Lambs*? No . . . this one is better.”—Stephen King, *The New York Times Book Review*
You remember Hannibal Lecter: gentleman, genius, cannibal. Seven years have passed since Dr. Lecter escaped from custody. And for seven years he’s been at large, free to savor the scents, the essences, of an unguarded world. But intruders have entered Dr. Lecter’s world, piercing his new identity, sensing the evil that surrounds him. For the multimillionaire Hannibal left maimed, for a corrupt Italian policeman, and for FBI agent Clarice Starling, who once stood before Lecter and who has never been the same, the final hunt for Hannibal Lecter has begun. All

of them, in their separate ways, want to find Dr. Lecter. And all three will get their wish. But only one will live long enough to savor the reward. . . . Praise for Hannibal “Interested in getting the hell scared out of you? Buy this book on a Friday . . . lock all doors and windows. And by Monday , you might just be able to sleep without a night-light.”—*Newsday* “Strap yourself in for one heck of a ride. . . . It’ll scare your socks off.”—*Denver Post* “A stunner . . . writing in language as bright and precise as a surgeon’s scalpel, Harris has created a world as mysterious as Hannibal’s memory palace and as disturbing as a Goya painting. This is one book you don’t want to read alone at night.”—*The Atlanta Journal-Constitution* “Relentless . . . endlessly terrifying . . . 486 fast-paced pages, in which every respite is but a prelude to further furious action . . . Hannibal begins with a murderous paroxysm that leaves the reader breathless. . . . Hannibal speaks to the imagination, to the feelings, to

the passions, to exalted senses and to debased ones. Harris's voice will be heard for a while."—Los Angeles Times "A pleasurable sense of dread."—The Wall Street Journal "Enormously satisfying . . . a smashing good time, turning the pages for thrills, chills, horror and finally, a bracing, deliciously wicked slap in the face . . . perhaps the very best the thriller/horror genre is capable of producing."—San Diego Union-Tribune

33 Days to Morning Glory -

Michael E. Gaitley, MIC

2011-12-08

Now an ebook! With over 200,000 books in print, 33 Days to Morning Glory by Fr. Michael Gaitley, MIC is now available as an ebook through Marian Press. Embark on an extraordinary journey to Marian consecration on your e-reader. From Fr. Michael E. Gaitley, MIC, author of the popular book "Consoling the Heart of Jesus," comes an extraordinary 33-day journey to Marian consecration with four giants of Marian spirituality:

St. Louis de Montfort, St. Maximilian Kolbe, Blessed Mother Teresa of Calcutta, and Blessed Pope John Paul II. Father Michael masterfully summarizes their teaching, making it easy to grasp, and simple enough to put into practice. More specifically, he weaves their thought into a user-friendly, do-it-yourself retreat that will bless even the busiest of people. So, if you've been thinking about entrusting yourself to Mary for the first time or if you're simply looking to deepen and renew your devotion to her, "33 Days to Morning Glory" is the right book to read and the perfect retreat to make.

Get Us Out of Here!! - Nicky Eltz 2002-12-01

Dear Reader, What you are now holding is a most interesting book. The world beyond is speaking. It is offering advice, asking for help and giving answers. It exists and speaks about life -- our life here on earth and of possible consequences of our behaviour. It tells us that it is not the same to be humble, loving, good,

merciful, loyal and honest as it is to be proud, loveless, bad, merciless, betraying and dishonest. At death this is not forgotten but rather remembered in total clarity. Not only is the punishment, or better yet the cleansing, spoken about; but also the length of this cleansing is so very much more. Then you ask yourself, is it possible? In the Catholic church one speaks about a transitory state which for a very long time has been referred to as Purgatory. Despite there being different theories, this state is always taken seriously. One needs it because one can only come before God cleansed and pure.

Laudato Si' - Pope Francis
2020-10-06

Laudato Si' is Pope Francis' second encyclical which focuses on the theme of the environment. In fact, the Holy Father in his encyclical urges all men and women of good will, the rulers and all the powerful on earth to reflect deeply on the theme of the environment and the care of our planet. This is our common

home, we must take care of it and love it - the Holy Father tells us - because its end is also ours.

El Cielo de Francesco -
Yohana Garcia 2020-10

Francesco regresa al cielo, donde será guardián de un bosque que resguarda nuestras historias y anhelos. Además recorrerá los espacios sagrados para conocer y transmitir las enseñanzas de los maestros. Así, su camino lo llevará a reflexionar sobre el tiempo, el destino, los recuerdos y las maneras en que mujeres y hombres honramos el presente para construir un mejor futuro.
Francesco - Yohana Garcia
2011-10-01

With enormous sales figures in different countries, this book has conquered all who have looked at its pages. It is a novel that goes beyond mere literary fiction to get us closer to a story of death and rebirth. After suffering a lengthy illness, Francesco's spirit lets go of his body and arrives at an unknown place. Very soon he realizes that he has died and that he is in Heaven. There he

receives the teachings of the spiritual masters and asks to visit relatives in their dreams, and is soon sending them messages that help and guide them. This work shows us that death is not the end of everything, but a step towards a transformation. If you want to comfort your soul, open yourself to new possibilities and to find purpose in your life, this book is for you.

[The United Nations world water development report 2019](#)
- WWAP 2019-03-19

Access to water and sanitation is internationally recognized human right. Yet more than two billion people lack even the most basic of services. The latest United Nations World Water Development Report, Leaving No One Behind, explores the symptoms of exclusion and investigates ways to overcome inequalities.

[How to Make Good Things Happen: Know Your Brain, Enhance Your Life](#) - Marian Rojas Estape 2021-05-18

An empowering journey through the mechanisms of the mind from one of the world's

leading mental health experts. For those in pursuit of a better life, psychiatrist Marian Rojas Estapé presents the essential guide to neuroscience-driven mindfulness. Understanding your brain, managing your emotions, and being aware of your responses to stressors can give you greater self-control. Rather than a gimmicky guidebook, this is a thorough look at how our brains react to stress, threats, hyperstimulation, and the vices of our digital age. With proven techniques backed by solid, up-to-date psychiatric research, Estapé teaches us how to make the best of our lives. Combining science, psychology, and philosophy, Estapé delivers practical advice about how we can cultivate a happy existence. This includes understanding the parts of the brain, setting healthy goals and objectives, strengthening willpower, cultivating emotional intelligence, developing assertiveness, avoiding excessive self-criticism and self-demand, and mastering the

proven art of optimism.

The Power of Now - Eckhart Tolle 2010-10-06

To make the journey into the Now we will need to leave our analytical mind and its false created self, the ego, behind. From the very first page of Eckhart Tolle's extraordinary book, we move rapidly into a significantly higher altitude where we breathe a lighter air. We become connected to the indestructible essence of our Being, "The eternal, ever present One Life beyond the myriad forms of life that are subject to birth and death." Although the journey is challenging, Eckhart Tolle uses simple language and an easy question and answer format to guide us. A word of mouth phenomenon since its first

publication, The Power of Now is one of those rare books with the power to create an experience in readers, one that can radically change their lives for the better.

Paquete Francesco - Yohana Garcia 2018-05

This set includes the four novels that made Yohana García a successful author Francesco: Una vida entre el cielo y la tierra, Francesco: El llamado, Francesco decide volver a nacer, and Francesco: El maestro del amor. Francesco is that teacher who helps you find love, overcome challenges, and take control of your life. Through these books, readers will understand that they are full of magic, inner strength, and the ability to achieve what they desire in life.
