The Best Mother's Day Ever - Eleanor May
2021-10-19

Lucy wants to give her mom the best Mother's Day ever. But all her ideas seem to end up in disaster—until Lucy's friend Diego helps her cook up a special Mother's Day surprise—Mexican-style
Mother, May I? - Katherine Applegate 2002

Everyone Knows Your Mother Is a Witch - Rivka Galchen 2021-06-08

Drawing on real historical documents but infused with the intensity of imagination, sly humor, and intellectual fire for which award-winning author Rivka Galchen's writing is known, *Everyone Knows Your Mother Is a Witch* is a tale for our time—the story of how a community becomes implicated in collective aggression and hysterical fear. The year is 1619, in the German duchy of Württemberg. Plague is spreading. The Thirty Years War has begun, and fear and suspicion are in the air throughout the Holy Roman Empire. In the small town of Leonberg, Katherina Kepler is accused of being a witch. An illiterate widow, Katherina is known by her neighbors for her herbal remedies and the success of her children, including her eldest, Johannes, who is the Imperial Mathematician and renowned author of the laws of planetary motion. It's enough to make anyone jealous, and

Katherina has done herself no favors by being out and about and in everyone's business. So when the deranged and insipid Ursula Reinbold (or as Katherina calls her, the Werewolf) accuses Katherina of offering her a bitter, witchy drink that has made her ill, Katherina is in trouble. Her scientist son must turn his attention from the music of the spheres to the job of defending his mother. Facing the threat of financial ruin, torture, and even execution, Katherina tells her side of the story to her friend and next-door neighbor Simon, a reclusive widower imperiled by his own secrets. Provocative and entertaining, Galchen's bold new novel touchingly illuminates a society, and a family, undone by superstition, the state, and the mortal convulsions of history.

The Perfect Mother - Aimee Molloy 2018-05-01
THE INSTANT NEW YORK TIMES BESTSELLER
An addictive psychological thriller about a group of women whose lives become unexpectedly connected when one of their newborns goes missing. A night out. A few hours of fun. That's all it was meant to be. They call themselves the May Mothers—a group of new moms whose babies were born in the same month. Twice a week, they get together in Brooklyn's Prospect Park for some much-needed adult time. When the women go out for drinks at the hip neighborhood bar, they want a fun break from

their daily routine. But on this hot Fourth of July night, something goes terrifyingly wrong: one of the babies is taken from his crib. Winnie, a single mom, was reluctant to leave six-week-old Midas with a babysitter, but her fellow May Mothers insisted everything would be fine. Now he is missing. What follows is a heart-pounding race to find Midas, during which secrets are exposed, marriages are tested, and friendships are destroyed. Thirteen days. An unexpected twist. The Perfect Mother is a "true page turner." —B.A. Paris, author of *Behind Closed Doors*

Slay Like a Mother - Katherine Wintsch
2019-03-19

"Slay Like a Mother is a feisty, clever, and fun blueprint for modern motherhood that belongs on every book shelf and in every diaper bag...As a woman and mother, you'll gain a newfound power, happiness, and ability to leap tall Lego buildings in a single bound."—Erin Falconer, author of *How To Get Sh*t Done: Why Women Need to Stop Doing Everything So They Can Achieve Anything* A revelatory, inspirational guide for mothers to crush their "never enough" mentality and slay every day! Katherine Wintsch knows firsthand the self-doubt that rages inside modern moms. As founder and CEO of The Mom Complex, she has studied the passions and pain points of moms worldwide to help some of the largest brands develop innovative new products and services. As a working mom of two, she was running in an exhausting cycle of "never enough"—not strong enough, not thin enough, not patient enough, not "mom" enough. In *Slay Like a Mother*, you'll laugh, you'll cry, and you'll discover eye-opening lessons about: THE MASK YOU'RE WEARING. The one you hide behind when you say everything is "just fine" when it's not. YOUR UNREALISTIC EXPECTATIONS. The goal-setting tactics you're deploying to get ahead could be what's holding you back. THE DIFFERENCE BETWEEN STRUGGLING AND SUFFERING. Being a mother is a struggle — it always has been — but your suffering is optional. Brave, supportive, and insightful, the stories and advice in this book will encourage you to live more confidently, enjoy the present, and become your best self — as a woman, a mother, and beyond. Perfect for fans of *Girl Wash Your Face* and #IMomSoHard! ***As featured in The Wall

Street Journal and Parade.com*** Additional Praise for *Slay Like a Mother*: "Wintsch's style is brisk and forthright with enough humor to make readers laugh even as she illuminates dark corners. Although this is aimed at moms, any woman will find this enlightening and encouraging."—Booklist, STARRED review "Slay Like a Mother is much more than a self-help book for women; it is the end of self-doubt and the beginning of self-love... and that is nothing short of life-changing"—Rachel Macy Stafford, New York Times bestselling author of *Hands Free Mama*

The Mother-in-Law - Sally Hepworth
2019-04-23

• "Deliciously entertaining!" —People Magazine's "People Pick" • Entertainment Weekly's "MUST List" • O Magazine's "15 Best Beach Books of the Year So Far" • Bustle "Best Book of April" • Refinery29 "Best Book of April" • Cosmopolitan "Best Book of April" • Woman's Day's "27 Fiction Books of 2019 to Add to Your Reading List ASAP" • BookBub's "Biggest Books of April" • PopSugar's "30 Must-Read Books of 2019" A twisty, compelling new novel about one woman's complicated relationship with her mother-in-law that ends in death... From the moment Lucy met her husband's mother, she knew she wasn't the wife Diana had envisioned for her perfect son. Exquisitely polite, friendly, and always generous, Diana nonetheless kept Lucy at arm's length despite her desperate attempts to win her over. And as a pillar in the community, an advocate for female refugees, and a woman happily married for decades, no one had a bad word to say about Diana...except Lucy. That was five years ago. Now, Diana is dead, a suicide note found near her body claiming that she longer wanted to live because of the cancer wreaking havoc inside her body. But the autopsy finds no cancer. It does find traces of poison, and evidence of suffocation. Who could possibly want Diana dead? Why was her will changed at the eleventh hour to disinherit both of her children, and their spouses? And what does it mean that Lucy isn't exactly sad she's gone? Fractured relationships and deep family secrets grow more compelling with every page in this twisty, captivating new novel from Sally Hepworth. Praise for Sally Hepworth: "With jaw-dropping discoveries, and

realistic consequences, this novel is not to be missed. Perfect for lovers of Big Little Lies.” —Library Journal, starred review “Hepworth deftly keeps the reader turning pages and looking for clues, all the while building multilayered characters and carefully doling out bits of their motivations.” —Booklist

If I Could Keep You Little... - Marianne Richmond 2010-11-01

If I could keep you little, I'd keep you close to me. But then I'd miss you growing into who you're meant to be! If I Could Keep You Little speaks straight to every parent's heart, exploring the powerful feeling of wanting your child to grow up while savoring every moment. Sure to become a new favorite, this book showcases author/illustrator Marianne Richmond's ability to beautifully illustrate the complex emotions we all have.

You Made Me a Mother - Laurenne Sala 2019-05-17

A picture book for expectant mothers and already-mothers everywhere, perfect as a shower gift or for Mother's Day. I felt you. You were a pea. Then a lemon. Then an eggplant... In this beautiful celebration of motherhood, the universal message of unconditional love for a child shines through. Laurenne Sala's heartwarming text, accompanied by New York Times bestselling artist Robin Preiss Glasser's charming illustrations, creates a sweet and intimate look at the powerful bond between mother and child from pregnancy to birth and beyond.

Captivating - John Eldredge 2011-04-17

What Wild at Heart did for men, *Captivating* is doing for women. Setting their hearts free. This groundbreaking book shows readers the glorious design of women before the fall, describes how the feminine heart can be restored, and casts a vision for the power, freedom, and beauty of a woman released to be all she was meant to be.

Bad Mother - Ayelet Waldman 2009

Examines current expectations of motherhood through anecdotes and examples, explaining that no one can be a perfect mother, and that what some would call bad mothers are actually pretty good.

Are You My Mother? - Alison Bechdel 2012-05-01

The New York Times–bestselling graphic memoir

about Alison Bechdel, author of *Fun Home*, becoming the artist her mother wanted to be. Alison Bechdel's *Fun Home* was a pop culture and literary phenomenon. Now, a second thrilling tale of filial sleuthery, this time about her mother: voracious reader, music lover, passionate amateur actor. Also a woman, unhappily married to a closeted gay man, whose artistic aspirations simmered under the surface of Bechdel's childhood...and who stopped touching or kissing her daughter good night, forever, when she was seven. Poignantly, hilariously, Bechdel embarks on a quest for answers concerning the mother-daughter gulf. It's a richly layered search that leads readers from the fascinating life and work of the iconic twentieth-century psychoanalyst Donald Winnicott, to one explosively illuminating Dr. Seuss illustration, to Bechdel's own (seriously monogamous) adult love life. And, finally, back to *Mother*—to a truce, fragile and real-time, that will move and astonish all adult children of gifted mothers. A New York Times, USA Today, Time, Slate, and Barnes & Noble Best Book of the Year “As complicated, brainy, inventive and satisfying as the finest prose memoirs.”—New York Times Book Review “A work of the most humane kind of genius, bravely going right to the heart of things: why we are who we are. It's also incredibly funny. And visually stunning. And page-turningly addictive. And heartbreaking.”—Jonathan Safran Foer “Many of us are living out the un-lived lives of our mothers. Alison Bechdel has written a graphic novel about this; sort of like a comic book by Virginia Woolf. You won't believe it until you read it—and you must!”—Gloria Steinem

Crying in H Mart - Michelle Zauner 2021-04-20
NEW YORK TIMES BEST SELLER • From the indie rock sensation known as Japanese Breakfast, an unforgettable memoir about family, food, grief, love, and growing up Korean American—“in losing her mother and cooking to bring her back to life, Zauner became herself” (NPR) • CELEBRATING OVER ONE YEAR ON THE NEW YORK TIMES BEST SELLER LIST In this exquisite story of family, food, grief, and endurance, Michelle Zauner proves herself far more than a dazzling singer, songwriter, and guitarist. With humor and heart, she tells of growing up one of the few Asian American kids

at her school in Eugene, Oregon; of struggling with her mother's particular, high expectations of her; of a painful adolescence; of treasured months spent in her grandmother's tiny apartment in Seoul, where she and her mother would bond, late at night, over heaping plates of food. As she grew up, moving to the East Coast for college, finding work in the restaurant industry, and performing gigs with her fledgling band--and meeting the man who would become her husband--her Koreanness began to feel ever more distant, even as she found the life she wanted to live. It was her mother's diagnosis of terminal cancer, when Michelle was twenty-five, that forced a reckoning with her identity and brought her to reclaim the gifts of taste, language, and history her mother had given her. Vivacious and plainspoken, lyrical and honest, Zauner's voice is as radiantly alive on the page as it is onstage. Rich with intimate anecdotes that will resonate widely, and complete with family photos, *Crying in H Mart* is a book to cherish, share, and reread.

Migraine: Beating The Odds - Richard B. Lipton 1992-11-20

Whether it's the occasional intolerable headache or the recurring headache that ruins several days in a row, whether severe headaches run in the family or have affected only one family member so far, this is the book that provides the information and tools needed for headache relief—even when that relief has seemed impossible.

Cant Wait to Show You - Belly Book - Jacqueline Boyle 2018-07

Unique baby shower gift for the expectant mother Clever design shaped to fit around a mother-to-be growing belly Start reading to your baby from the very beginning with this perfect first book for a new mom Sturdy board book for frequent use from a newborn to toddler Beautiful illustrations and touching story to

share with your child at any stage

You Are the Mother Your Children Need - Christie Gardiner 2017

"The woman you want to be . . . the one who has within her every talent, gift, and ability to be what her children need? She's already there. She is you. Motherhood is the toughest job you'll ever take on: there is no interview, no job description, and no salary. When you get the position, it can be all too easy to feel under qualified and overwhelmed. But with a sweet message of encouragement, Christie Gardiner reminds women there are as many ways to be a good mother as there are mothers in this world--and there's no one more capable of raising your children than you! In this uplifting book, mothers are encouraged to let go of the quest for perfectionism and recognize the divinity within. Discover how to own your strengths and weaknesses, and allow your true self to shine! With practical advice on learning to accept failure, holding on to your identity, and harnessing the divine help available to mothers, women will gain the confidence to embrace their uniquely perfect qualifications for the job of motherhood."--Page [4] of cover.

The Mother of All Questions - Rebecca Solnit 2017-02-12

A collection of feminist essays steeped in "Solnit's unapologetically observant and truth-speaking voice on toxic, violent masculinity" (The Los Angeles Review). In a timely and incisive follow-up to her national bestseller *Men Explain Things to Me*, Rebecca Solnit offers sharp commentary on women who refuse to be silenced, misogynistic violence, the fragile masculinity of the literary canon, the gender binary, the recent history of rape jokes, and much more. In characteristic style, "Solnit draw[s] anecdotes of female indignity or male aggression from history, social media, literature, popular culture, and the news . . . The main essay in the book is about the various ways that women are silenced, and Solnit focuses upon the power of storytelling—the way that who gets to speak, and about what, shapes how a society understands itself and what it expects from its members. *The Mother of All Questions* poses the thesis that telling women's stories to the world will change the way that the world treats women, and it sets out to tell as many of those

stories as possible" (The New Yorker). "There's a new feminist revolution—open to people of all genders—brewing right now and Rebecca Solnit is one of its most powerful, not to mention beguiling, voices."—Barbara Ehrenreich, New York Times–bestselling author of *Natural Causes* "Short, incisive essays that pack a powerful punch." —Publishers Weekly "A keen and timely commentary on gender and feminism. Solnit's voice is calm, clear, and unapologetic; each essay balances a warm wit with confident, thoughtful analysis, resulting in a collection that is as enjoyable and accessible as it is incisive." —Booklist

[May You Be the Mother of a Hundred Sons](#) -

Elisabeth Bumiller 2011-08-24

"The most stimulating and thought-provoking book on India in a long time..Bumiller has made India new and immediate again." THE WASHINGTON POST BOOK WORLD In a chronicle rich in diversity, detail, and empathy, Elisabeth Bumiller illuminates the many women's lives she shared--from wealthy sophisticates in New Delhi, to villagers in the dusty northern plains, to movie stars in Bombay, intellectuals in Calcutta, and health workers in the south--and the contradictions she encountered, during her three and a half years in India as a reporter for THE WASHINGTON POST. In their fascinating, and often tragic stories, Bumiller found a strength even in powerlessness, and a universality that raises questions for women around the world.

You're Mom - Liz Climo 2020-04-07

From international bestselling author Liz Climo comes *You're Mom*, a hilarious and relatable collection of original comics about motherhood. Moms: they are there for us through the good, the bad, the scary, the sticky, and everything in between. They also read us a lot of picture books along the way, and now there's a picture book just for them. Liz Climo brings her trademark wit and adorable drawings to *You're Mom*: a funny, honest, and sweet homage to motherhood. Detailing the ups and downs of mothering, along with the many paths to becoming a mom and the different types of motherhood, Climo pairs humorous observations with clever illustrations of baby animals and their mothers. With more than 100 beautiful drawings, *You're Mom* is a book for the new

mom, the seasoned mom, anyone in a mom-like role, or anyone who has ever loved a mom. It's a thank you to those taking on the challenging role of parenting - and it's also short and sweet, which means you can read it and then hopefully get some sleep!

The School for Good Mothers - Jessamine Chan 2022-01-04

In this New York Times bestseller and Today show Read with Jenna Book Club Pick, one lapse in judgement lands a young mother in a government reform program where custody of her child hangs in the balance, in this "surreal" (People), "remarkable" (Vogue), and "infuriatingly timely" (The New York Times Book Review) debut novel. Frida Liu is struggling. She doesn't have a career worthy of her Chinese immigrant parents' sacrifices. She can't persuade her husband, Gust, to give up his wellness-obsessed younger mistress. Only with Harriet, their cherubic daughter, does Frida finally attain the perfection expected of her. Harriet may be all she has, but she is just enough. Until Frida has a very bad day. The state has its eye on mothers like Frida. The ones who check their phones, letting their children get injured on the playground; who let their children walk home alone. Because of one moment of poor judgement, a host of government officials will now determine if Frida is a candidate for a Big Brother-like institution that measures the success or failure of a mother's devotion. Faced with the possibility of losing Harriet, Frida must prove that a bad mother can be redeemed. That she can learn to be good. An "intense" (Oprah Daily), "captivating" (Today) page-turner that is also a transgressive novel of ideas about the perils of "perfect" upper-middle class parenting; the violence enacted upon women by both the state and, at times, one another; the systems that separate families; and the boundlessness of love, *The School for Good Mothers* introduces, in Frida, an everywoman for the ages. Using dark wit to explore the pains and joys of the deepest ties that bind us, Chan has written a modern literary classic.

Mother, May You Never See the Sights I Have Seen - Warren Wilkinson 2015-11-15

Seldom does one encounter a history of a military unit that so compellingly reproduces its

experiences.--New York Times "An unusually detailed study of men at war, as well as a superb unit history."--Publishers Weekly "An altogether splendid contribution to military history."--Kirkus The 57th Massachusetts Veteran Volunteers lost more men killed and mortally wounded than any other regiment in the Union army. In this classic Civil War unit history, Wilkinson crafts an intimate, gutsy, candid story of men at war. Covers the Wilderness, Spotsylvania, Cold Harbor, and Petersburg No-holds-barred account of the fatigue, horror, boredom, gallantry, and cowardice of the Civil War soldier

My Mother and I - P.K. Hallinan 2020-04-07 Foster a loving relationship between mother and child in this beautiful picture book! Through simple verse and bright illustrations, P. K. Hallinan illustrates the unconditional love that a mother has for her child. Moms are more than parents, they can be friends too! They can make you laugh, play games like hide-and-seek, or simply be there to read a book or take a stroll with. Mothers are there for their boys and girls no matter what, whether it's healing hurts, or teaching lessons about caring and giving and the value of hard work. There's no true friend like a mom! Through the easy-to-read verses of this adorable illustrated book, your child will learn that their mom will always be their best friend. Whether you read it at bedtime or any point of the day, *My Mother and I* is the perfect book for showing your child just how much you love them as they're growing up.

Like a Mother - Angela Garbes 2018-05-29 A candid, feminist, and personal deep dive into the science and culture of pregnancy and motherhood Like most first-time mothers, Angela Garbes was filled with questions when she became pregnant. What exactly is a placenta and how does it function? How does a body go into labor? Why is breast best? Is wine totally off-limits? But as she soon discovered, it's not easy to find satisfying answers. Your obstetrician will cautiously quote statistics; online sources will scare you with conflicting and often inaccurate data; and even the most trusted books will offer information with a heavy dose of judgment. To educate herself, the food and culture writer embarked on an intensive journey of exploration, diving into the scientific

mysteries and cultural attitudes that surround motherhood to find answers to questions that had only previously been given in the form of advice about what women ought to do—rather than allowing them the freedom to choose the right path for themselves. In *Like a Mother*, Garbes offers a rigorously researched and compelling look at the physiology, biology, and psychology of pregnancy and motherhood, informed by in-depth reportage and personal experience. With the curiosity of a journalist, the perspective of a feminist, and the intimacy and urgency of a mother, she explores the emerging science behind the pressing questions women have about everything from miscarriage to complicated labors to postpartum changes. The result is a visceral, full-frontal look at what's really happening during those nine life-altering months, and why women deserve access to better care, support, and information. Infused with humor and born out of awe, appreciation, and understanding of the female body and its strength, *Like a Mother* debunks common myths and dated assumptions, offering guidance and camaraderie to women navigating one of the biggest and most profound changes in their lives.

Mother, Can You Not? - Kate Siegel 2016-04-05 Based on the wildly popular Instagram account @CrazyJewishMom, Kate Siegel's essay collection about life with the woman who redefined the term "helicopter mom." There is nothing more wonderful than a mother's love. There is also nothing more annoying. Who else can proudly insist that you're perfect while simultaneously making you question every career, fashion, and relationship decision you have ever made? No one understands the delicate mother-daughter dynamic better than Kate Siegel—her own mother drove her so crazy that she decided to broadcast their hilarious conversations on Instagram. Soon, hundreds of thousands of people were following their daily text exchanges, eager to see what outrageous thing Kate's mom would do next. Now, in *Mother, Can You NOT?*, Kate pays tribute to the woman who invented the concept of drone parenting. From embarrassing moments (like crashing Kate's gynecological exams) to outrageous stories (like the time she made Kate

steal a cat from the pound) to hilarious celebrations (including but not limited to parties for Kate's menstrual cycles), *Mother, Can you NOT?* lovingly lampoons the lengths to which our mothers will go to better our lives (even if it feels like they're ruining them in the process).

American Baby - Gabrielle Glaser 2022-01-25
A New York Times Notable Book The shocking truth about postwar adoption in America, told through the bittersweet story of one teenager, the son she was forced to relinquish, and their search to find each other. "[T]his book about the past might foreshadow a coming shift in the future... 'I don't think any legislators in those states who are anti-abortion are actually thinking, "Oh, great, these single women are gonna raise more children." No, their hope is that those children will be placed for adoption. But is that the reality? I doubt it.'"[says Glaser]"

-Mother Jones During the Baby Boom in 1960s America, women were encouraged to stay home and raise large families, but sex and childbirth were taboo subjects. Premarital sex was common, but birth control was hard to get and abortion was illegal. In 1961, sixteen-year-old Margaret Erle fell in love and became pregnant. Her enraged family sent her to a maternity home, where social workers threatened her with jail until she signed away her parental rights. Her son vanished, his whereabouts and new identity known only to an adoption agency that would never share the slightest detail about his fate. The adoption business was founded on secrecy and lies. *American Baby* lays out how a lucrative and exploitative industry removed children from their birth mothers and placed them with hopeful families, fabricating stories about infants' origins and destinations, then closing the door firmly between the parties forever. Adoption agencies and other organizations that purported to help pregnant women struck unethical deals with doctors and researchers for pseudoscientific "assessments," and shamed millions of women into surrendering their children. The identities of many who were adopted or who surrendered a child in the postwar decades are still locked in sealed files. Gabrielle Glaser dramatically illustrates in Margaret and David's tale--one they share with millions of Americans—a story of loss, love, and the search for identity.

You and Me Mom - Miriam Hathaway 2020-02
The love between mother and child is both tender and everlasting. It continues to grow richer as the two of you grow together. Capture the moments, memories, and heartfelt messages between you both in this heartwarming book, filled with reflective prompts for each of you to answer. Your prompts include: When I was little, I loved it when you... One way you and I are alike... And a way we are different... Prompts for Mom include: When you were little, I loved when we... I love that we share this in common... And I'm in awe how differently you... Whether you choose to complete this book side by side or miles apart, you'll have a lasting keepsake to share forever. Features debossing on a Wibalin cover.

The Book of Mother - Violaine Huisman 2021-10-19
A New York Times Notable Book A Library Journal Best Book of 2021 A "marvelous...superbly effective" (The New Yorker) debut novel about a young woman coming of age with a dazzling yet damaged mother who lived and loved in extremes. Met by rave reviews in The New Yorker, The New York Times, and more, this stunning translation of Violaine Huisman's "witty, immersive autofiction showcases a Parisian childhood with a charismatic, depressed parent" (Oprah Daily). Beautiful and magnetic, Catherine, a.k.a. "Maman," smokes too much, drives too fast, laughs too hard, and loves too extravagantly, and her daughter Violaine wouldn't have it any other way. But when Maman is hospitalized after a third divorce and a breakdown, everything changes. Even as Violaine and her sister long for their mother's return, once she's back Maman's violent mood swings and flagrant disregard for personal boundaries soon turn their home into an emotional landmine. As the story of Catherine's own traumatic childhood and adolescence unfolds, the pieces come together to form an indelible portrait of a mother as irresistible as she is impossible, as triumphant as she is transgressive. With spectacular ferocity of language, a streak of dark humor, and stunning emotional bravery, *The Book of Mother* is an exquisitely wrought story of a mother's dizzying heights and devastating lows, and a daughter who must hold her memory close in order to

surrender, and finally move on.

About My Mother - Peggy Rowe 2018-11-13
A Message from Mike Rowe, the Dirty Jobs Guy:
Just to be clear, About My Mother is a book about my grandmother, written by my mother. That's not to say it's not about my mother—it is. In fact, About My Mother is as much about my mother as it is about my grandmother. In that sense, it's really a book about "mothers." ...It is not, however, a book written by me. True, I did write the foreword. But it doesn't mean I've written a book about my mother. I haven't. Nor does it mean my mother's book is about her son. It isn't. It's about my grandmother. And my mother. Just to be clear.—Mike A love letter to mothers everywhere, About My Mother will make you laugh and cry—and see yourself in its reflection. Peggy Rowe's story of growing up as the daughter of Thelma Knobel is filled with warmth and humor. But Thelma could be your mother—there's a Thelma in everyone's life. She's the person taking charge—the one who knows instinctively how things should be. Today Thelma would be described as an alpha personality, but while growing up, her daughter Peggy saw her as a dictator—albeit a benevolent, loving one. They clashed from the beginning—Peggy, the horse-crazy tomboy, and Thelma, the genteel-yet-still-controlling mother, committed to raising two refined, ladylike daughters. Good luck. When major league baseball came to town in the early 1950s and turned sophisticated Thelma into a crazed Baltimore Orioles groupie, nobody was more surprised and embarrassed than Peggy. Life became a series of compromises—Thelma tolerating a daughter who pitched manure and galloped the countryside, while Peggy learned to tolerate the whacky Orioles fan who threw her underwear at the television, shouted insults at umpires, and lived by the orange-and-black schedule taped to the refrigerator door. Sometimes, we're more alike than we know. And in case you're wondering, Peggy knows a thing or two about dirty jobs herself...

Mother, May You Never See the Sights I Have Seen - Warren Wilkinson 1990

A Federal regiment's exploits in the last year of the Civil War

The Mother I Could Have Been: A Gripping and Heartbreaking Page Turner - Kerry

Fisher 2019-11-22

Why would you walk away from the one person you can't live without? As a child, Vicky Hall never had the sort of family she wanted. The least important person in her new step-family, ignored by her mother in favour of her two younger half-siblings, Vicky was always an afterthought. Sitting alone at her graduation ceremony at the age of twenty-one, she vows to create her own family and her own life, one which is full of the love and attention she has always craved. When Vicky meets William and falls pregnant in Greece that summer, it isn't planned. But the two of them believe they can make it work, showering their child with the love which they believe should be enough. But when her son Theo is two, Vicky leaves him in the care of her mother-in-law, walks out of her front door and drives to a hotel where she takes a room for the night. She doesn't return. It's unthinkable. What kind of mother does that? The kind who is hiding a story you can never imagine. The Mother I Could Have Been is a heartbreaking story of impossible decisions and second chances, from the bestselling author of The Silent Wife and The Woman I Was Before. Perfect for fans of Jodi Picoult, Liane Moriarty and Diane Chamberlain. Readers are loving The Mother I Could Have Been! 'WOW!... An amazing read!!!' Goodreads reviewer, 5 stars 'I wish I could have read this book in one sitting... I literally couldn't put it down.' Goodreads reviewer, 5 stars 'Kerry Fisher goes from strength to strength, with The Mother I Could Have Been being her best book yet.' Goodreads reviewer, 5 stars 'This is a book that once I picked up, it totally consumed me. I ended up reading it in one evening as I was so absorbed by what was in front of me and I had to see how everything was going to end... An absolute must read.' By the Letter Book Reviews, 5 stars 'I have loved every book I've read by this author and this is no exception. I loved it. I didn't want it to end. Excellent read.' NetGalley reviewer, 5 stars 'An incredible read. So well written and heartfelt.' NetGalley reviewer, 5 stars 'I don't even know how to start this review as I know my words will never do it justice. Each time I pick one of Kerry's books up, I wonder how it is going to top her previous book as each and every one I've read has absolutely blown me away and

warmed me to the core.' Goodreads reviewer, 5 stars 'Another great Kerry Fisher read... this book makes you want to hug your loved ones and tell them you love them as you never know what's around the corner!' Goodreads reviewer, 5 stars

What My Mother and I Don't Talk About -

Michele Filgate 2020-08-11

"You will devour these beautifully written—and very important—tales of honesty, pain, and resilience" (Elizabeth Gilbert, New York Times bestselling author of *Eat Pray Love* and *City of Girls*) from fifteen brilliant writers who explore how what we don't talk about with our mothers affects us, for better or for worse. As an undergraduate, Michele Filgate started writing an essay about being abused by her stepfather. It took her more than a decade to realize that she was actually trying to write about how this affected her relationship with her mother. When it was finally published, the essay went viral, shared on social media by Anne Lamott, Rebecca Solnit, and many others. This gave Filgate an idea, and the resulting anthology offers a candid look at our relationships with our mothers.

Leslie Jamison writes about trying to discover who her seemingly perfect mother was before ever becoming a mom. In Cathi Hanauer's hilarious piece, she finally gets a chance to have a conversation with her mother that isn't interrupted by her domineering (but lovable) father. André Aciman writes about what it was like to have a deaf mother. Melissa Febos uses mythology as a lens to look at her close-knit relationship with her psychotherapist mother. And Julianna Baggott talks about having a mom who tells her everything. As Filgate writes, "Our mothers are our first homes, and that's why we're always trying to return to them." There's relief in acknowledging how what we couldn't say for so long is a way to heal our relationships with others and, perhaps most important, with ourselves. Contributions by Cathi Hanauer, Melissa Febos, Alexander Chee, Dylan Landis, Bernice L. McFadden, Julianna Baggott, Lynn Steger Strong, Kiese Laymon, Carmen Maria Machado, André Aciman, Sari Botton, Nayomi Munaweera, Brandon Taylor, and Leslie Jamison.

I'm Glad My Mom Died - Jennette McCurdy
2022-08-09

#1 NEW YORK TIMES BESTSELLER #1

INTERNATIONAL BESTSELLER A

heartbreaking and hilarious memoir by iCarly and Sam & Cat star Jennette McCurdy about her struggles as a former child actor—including eating disorders, addiction, and a complicated relationship with her overbearing mother—and how she retook control of her life. Jennette McCurdy was six years old when she had her first acting audition. Her mother's dream was for her only daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom called "calorie restriction," eating little and weighing herself five times a day. She endured extensive at-home makeovers while Mom chided, "Your eyelashes are invisible, okay? You think Dakota Fanning doesn't tint hers?" She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In *I'm Glad My Mom Died*, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called *iCarly*, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi ("Hi Gale!"), Jennette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the *iCarly* spinoff *Sam & Cat* alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on recovery and decides for the first time in her life what she really wants. Told with refreshing candor and dark humor, *I'm Glad My Mom Died* is an inspiring story of resilience, independence, and the joy of shampooing your own hair.

MOM - Stephanie Houston 2021-04-22

This book is about my life story of my family growing up but also focuses on the guidance of an incredibly special person in my life growing up-my mom! I could not think of a better name for the book than just to be simple and call it for what it is, Mom. This book will tell the life of not only me and my mother but our family in general. You will get to meet each of us and many others as well. This book should give your insight about what it is like to live with someone

that is so loving and kind to not only her children and family but also to everyone else around her and the community. I do not expect everyone that reads this book to see things in the same way I did. However, I want to shed a light that no matter what we do in life and how we do it, there are always choices. And making the right ones are not only difficult in real life, but we like to set an example like those before us. One thing that I hope everyone who reads this book takes away is that no matter how much you go through in life, good or bad, and how much you truly love someone, you realize that you didn't love them as much as you really could have until it is too late. With that said and in closing, do not wait! Buy the book to jump right in and experience so many real-life situations and stories and as many positive and a few negative emotions as possible, such as laughing, crying, reminiscing, and seeing the good in others. No matter how difficult things may get, there is always hope, and you can always find your happiness within. I want you to each enjoy this book as if you were right there in life with us as you may have experienced some of the trials and tribulations that we went through individually and as a family. And even though at times you feel like giving up on yourself or your dreams, do not! Dream your dream now! Only you can make it happen. Enjoy and God bless each one of you!

Would You Do That to Your Mother? - Jeanne Bliss 2018-05-08

Customer experience pioneer Jeanne Bliss shows why "Make Mom Proud" companies outperform their competition. Her 5-step guide to customer experience and culture transformation makes this achievement possible. Bliss urges companies to make business personal to earn ardent fans and admirers, by focusing on one deceptively simple question: "Would you do that to your mother?" "Make Mom Proud" companies give customers the treatment they desire, and employees the ability to deliver it. They turn "gotcha" moments into "we've got your back" moments by rethinking business practices, and they enable employees to be part of the solution to fix customer frustrations. Bliss scoured the marketplace seeking companies who excel at living their core values, grounded in what we all learned as kids. She offers a five-step plan for evaluating your current behaviors and

implementing actions at every level of the organization. Step 1. "Be the Person I Raised You to Be" Understand how you are hiring, developing and trusting employees to bring the best version of themselves to work. Vail resorts, for example, the world's largest ski resort operator, banned the three words "Our policy is..." from their vocabulary, freeing employees to take spirited actions to deliver "the experience of a lifetime." Step 2. "Don't Make Me Feed You Soap" Learn the eight key frustrations that bind us as customers (waiting, fear, anxiety, the black hole of no communication, etc.) and how to apply actions from companies who are delivering a seamless, frictionless and easy experience. Step 3. "Put Others Before Yourself" Determine if your focus is on helping customers achieve their goals - and evaluate how that is fueling your growth. Canada's Mayfair Diagnostics, for example, spent over a year studying the emotions of patients entering an imaging clinic, so they could redesign their welcome to deliver warmth and caring over procedure and process. The newly designed clinic achieved profitability in record time. Step 4. "Take the High Road" Learn how companies who do the right thing rise above the competition. Virgin Hotels, for example, named #1 U.S. hotel by Conde Nast Reader's Choice Awards, walked away from price gouging at the mini bar, so you'll never pay more for that Snickers bar than what you'd pay at the corner market. Step 5. "Stop the Shenanigans!" Evaluate your current company behaviors and identify the key actions that you can begin immediately. With 32 case studies and examples from more than 85 companies, this is a practical and easy to follow guide for your experience and culture transformation. Filled with comics to snapshot our experiences as customers, a "mom lens" to reflect continuously on your performance, and a "make-mom-proud-ometer" quiz - the book makes Bliss's approach accessible and approachable. Join the movement to #MakeMomProud by applying this book across your organization. Whether you're contemplating your company's returns policy, its social media presence, or its big-picture strategy, this approach will help your company anticipate both employee and customer needs, extend patience, and show respect at all times.

Mother, May I? - Grace Maccarone 2006

While at the mall with his mother, a young kangaroo sees many things he would like to take home, including a snake, a basketball, and a guinea pig, and so keeps asking his mother to oblige every step along the way, in a fun-filled tale with rhyming text and full-color illustrations.

Book of My Mother - Albert Cohen 2012-04-10
Shortly after Albert Cohen left France for London to escape the Nazis, he received news of his mother's death in Marseille. Unable to mourn her, he expressed his grief in a series of moving pieces for *La France libre*, which later grew into *Book of My Mother*. Achingly honest, intimate, and moving, this love song is a tribute to all mothers. Cohen himself expressed, "I shall not have written in vain if one of you, after reading my hymn of death, is one evening gentler with his mother because of me and my mother." From the Trade Paperback edition.

Mother May I - Joshilyn Jackson 2021-04-15
'Brilliantly unnerving ... expertly crafted' *Sunday Times*, *Thriller of the Month* 'Jackson raises the stakes again and again' *Guardian* 'Finely paced, shrewdly observed ... *Mother May I* is a thinking (and feeling) reader's thriller' *Wall Street Journal* It's every mother's worst nightmare. 'If you ever want to see your baby again, GO HOME. Tell no one. Do not call the police. Do not call your husband. Be at your house by 5:15 PM. Or he's gone for good...' To get her son back alive, Bree must complete one small but critical task. It seems harmless enough, but this one action comes with a devastating price. And now Bree finds herself complicit in a terrible crime, caught up in a tangled web of secrets that threatens to destroy the perfect life she has built. *Mother May I* is a pulse-racing, heart-pounding thriller that will have you turning the pages in the race to save Bree's baby, and find the kidnapper. Praise for Joshilyn Jackson 'Jackson writes the kind of book that will set even the most blameless on edge, leaving us to wonder who might know our imperfect histories' *Christina Dalcher* 'A master of domestic suspense' *Entertainment Weekly* 'Wonderful - suspense and surprises, real characters and a scary, ominous backbeat' *Lee Child*

When You and Your Mother Can't Be Friends - Victoria Secunda 2009-11-04
"A book of great value for every daughter and

every mother; useful for sons, too."—Benjamin Spock, M.D. From the Introduction: The goal of this book is to help readers achieve that separation so that they can either find a way to be friends with their mothers, or at least recognize and accept that their mothers did the best they could—even if it wasn't "good enough"—and to stop blaming them. Among the issues to be covered: • To understand how a daughter's attachment to her mother—more so than her relationship with her father—colors all her other relationships, and to analyze why it is more difficult for daughters than sons to separate from their mothers, as well as why daughters are more subject than sons to a mother's manipulation • To recognize the difference between a healthy and a destructive mother-daughter connection, and to define clearly the "bad mommy," in order to help readers who have trouble acknowledging their childhood losses to begin to comprehend them • To conjugate what I call the "Bad Mommy Taboo"—why our culture is more eager to protect the sanctity of maternity than it is to protect emotionally abused daughters • To describe the evolution of the "unpleasable" mother—in all likelihood, she was bereft of maternal love as a child—and to recognize the huge, and often poignant, stake she has in keeping her grown daughter dependent and off-balance • To illustrate the consequent controlling behavior—in some cases, cloaked in fragility or good intentions—of such mothers, which falls into general patterns, including: the Doormat, the Critic, the Smotherer, the Avenger, the Deserter • To understand that the daughter has a similar stake in either being a slave to or hating her mother—the two sides of her dependency and immaturity • To illustrate the responsive behavior—and survival mechanisms—of daughters, which is determined in part by such variables as birth rank, family history, and temperament, and which also falls into patterns, including: the Angel, the Superachiever, the Cipher, the Troublemaker, the Defector • To show how to redefine the mother-daughter relationship, so that each can learn to see and accept the other as she is today, appreciating each other's good qualities and not being snared by the bad • Finally, to demonstrate that a redefined relationship with one's mother—adult

to adult—frees you from the past, whether that re definition ultimately results in real friendship, affectionate truce, or divorce.

Finding the Mother Tree - Suzanne Simard
2021-05-04

NEW YORK TIMES BEST SELLER • From the world's leading forest ecologist who forever changed how people view trees and their connections to one another and to other living things in the forest—a moving, deeply personal journey of discovery Suzanne Simard is a pioneer on the frontier of plant communication and intelligence; her TED talks have been viewed by more than 10 million people worldwide. In this, her first book, now available in paperback, Simard brings us into her world, the intimate world of the trees, in which she brilliantly illuminates the fascinating and vital truths—that trees are not simply the source of timber or pulp, but are a complicated, interdependent circle of life; that forests are social, cooperative creatures connected through underground networks by which trees communicate their vitality and vulnerabilities with communal lives not that different from our own. Simard writes—in inspiring, illuminating, and accessible ways—how trees, living side by side for hundreds of years, have evolved, how they learn and adapt their behaviors, recognize neighbors, compete and cooperate with one

another with sophistication, characteristics ascribed to human intelligence, traits that are the essence of civil societies—and at the center of it all, the Mother Trees: the mysterious, powerful forces that connect and sustain the others that surround them. And Simard writes of her own life, born and raised into a logging world in the rainforests of British Columbia, of her days as a child spent cataloging the trees from the forest and how she came to love and respect them. And as she writes of her scientific quest, she writes of her own journey, making us understand how deeply human scientific inquiry exists beyond data and technology, that it is about understanding who we are and our place in the world.

You Are the Mother of All Mothers - Angela Miller 2014

Every loss mama deserves to be reminded she is the mother of all mothers.

Are You My Mother? Read & Listen Edition - P.D. Eastman 2011-01-07
