There's No Such Thing as "Business" Ethics - John C. Maxwell 2007-10-15  
There's no such thing as business ethics. How can that be? Because a single standard applies to both your business

and personal life-and it's one we all know and trust: the Golden Rule. Now bestselling author John C. Maxwell shows you how this revered ideal works everywhere, and how, especially in business, it brings

amazing dividends. There's No Such Thing As "Business" Ethics offers: \* Stories from history, business, government, and sports that illustrate how talented leaders invoked this timeless principle \* Examples of difficult business decisions-layoffs, evaluations, billing clients, expansion-and how the Golden Rule applies to each \* The five most common reasons people compromise their ethics-and how you can prevail over such moral obstacles \* How applying the Golden Rule to business builds morale, increases productivity, encourages teamwork, lowers employee turnover, and keeps clients coming back. John C. Maxwell not only reveals the many ways the Golden Rule creates the perfect environment for business success, but does it with great wisdom, warmth, and humor. Backed by flawless research and the ideas of history's best thinkers, this engaging book brilliantly demonstrates how doing the right thing fosters a winning situation for all, with positive results for employees,

clients, investors, and even your own state of mind. Business runs much more smoothly, profits increase, and you know that you've set the groundwork for years of future prosperity...and it's all thanks to the tried-and-true Golden Rule.

Dynamic Business Law: The Essentials - Lucien Dhooge 2012-01-05

Dynamic Business Law: The Essentials is appropriate for the one-semester Business Law course. It contains the basics of business law but does not get bogged down in the kind of details that are more appropriate in an upper-level law class. The text provides an examination of the basic questions, concepts, and legal rules of business law. Emphasis on the BUSINESS in business law. Dynamic Business Law: The Essentials emphasizes the tie of legal issues back to the core business curriculum. This will help both students and faculty. Faculty need to know

how this is integrated as they are constantly 'defending' the inclusion of this course in the business curriculum. And students need to understand how the concepts tie to their future business careers. Emphasis on TEACHING. Many professors teaching this course are attorneys first and academics second. They do not have a lot of time to prepare or think about how to apply this information effectively for their business students. Dynamic Business Law: The Essentials contains a helpful instructor's manual, particularly for the many adjuncts teaching this course. Emphasis on CRITICAL THINKING. Neil Browne, one of the co-authors of this text, has written a successful text on critical thinking. His framework is included in Dynamic Business Law: The Essentials as well - to help students learn how to frame and reframe a question/issue. Critical thinking questions are also included at the end of each case, to tie in this component even further.

made.

The Legal Environment of Business - 2015

Legal Environment of Business  
- Roger E. Meiners 2002-07

### **The Legal and Regulatory Environment of Business** -

Robert Neil Corley 1996

Upon its publication in 1963, Corley's Legal Environment of Business was the first and only business law textbook to emphasize public rather than private law, government regulation of business rather than contracts, and legal relationships rather than business transactions. A major innovation, it established a new course that the authors termed the legal environment of business. Over the years others have attempted to attain the success and stature of The Legal and Regulatory Environment of Business, but none has been able to match its timely, innovative coverage. Substantially updated, the 10th edition continues the text's reputation for ethics, authority and coverage of current areas

of importance to business.

## **The Legal Environment of Business: Text and Cases -**

Frank B. Cross 2016-10-10  
THE LEGAL ENVIRONMENT OF BUSINESS is the #1 text for this course--setting the standard by delivering comprehensive, authoritative, and cutting-edge coverage in an interesting and accessible format. Its recipe for success includes the same black letter law flavor as its market-leading counterpart, BUSINESS LAW by Clarkson, Miller, and Cross, but with a specific focus on current topics such as ethics, government regulation, and administrative law. The cases, content, and features of the exciting new Tenth Edition have been thoroughly updated to represent the latest developments in the business law environment. An excellent assortment of cases ranges from precedent-setting landmarks to important recent decisions, and ethical, global, e-commerce, digital, and corporate themes are integrated throughout. In addition, numerous critical-thinking exercises challenge

students to apply what they have learned to real-world issues. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Loose-Leaf for Dynamic Business Law: The Essentials - Andrea Giampetro-Meyer  
2015-01-20

3 things to know about the focus of Dynamic Business Law, 3e: -Emphasis on ETHICAL DECISION-MAKING.

In chapter 2, the authors introduce a framework for making ethical business decisions that students can use on a regular basis. Following each case there are questions designed to train students to apply this approach. Then repeatedly throughout the chapters, questions about business ethics are raised in the text. This framework is designed to help improve the learning process of students and to give a sense of relevancy to the ethical decision making process. -

Emphasis on CRITICAL THINKING. Neil Browne, one

of the co-authors of this text, has written a successful text on critical thinking. His framework is included in Dynamic Business Law as well - to help students learn how to frame and reframe a question/issue. Critical thinking questions are also included at the end of each case, to further tie in this component. -Emphasis on the BUSINESS in business law. Dynamic Business Law emphasizes the tie of legal issues back to the core business curriculum. This will help both students and faculty. Students need to understand how the concepts they learn in this course tie into their business careers. Instructors can easily show that the study of business law is best seen as a foundational component of the larger study of business administration.

**Loose Leaf for Business Law**  
- A. James Barnes 2021-02-24  
Throughout its 80 years of  
existence, Business Law: The  
Ethical, Global, and Digital  
Environment has been a leader  
and an innovator in the fields  
of business law and the legal  
environment of business. This  
textbook was the first to inject  
regulatory materials into a  
business law textbook, defining  
the legal environment  
approach to business law and  
over the years, has also been a  
pioneer, introducing materials  
on business ethics, corporate

social responsibility, global legal issues, and e-commerce law. One reason for the book's success is its clear and comprehensive treatment of the standard topics that form the traditional business law curriculum, providing all business majors with a firm understanding of law in the context of business. It engages students with cases that are current and relevant, but also maintains "landmark" cases, as well as cases from the past, that are superior to more current cases in teaching students a particular topic. The program also provides content topics that address accreditation standards set by the AACSB with a focus on ethical issues and global issues with Ethics in Action boxed features and chapters covering international topics like corporate inversions. The 18th edition will continue to be an innovator in business law preparing your students for the real world.
