Avoid vocabulary mistakes with this fun guide to tricky and troublesome words! With concise and authoritative usage notes from the editors of the American Heritage® Dictionaries, this guide explains the common English-language errors—whether it's mixing up affect and effect; blatant and flagrant; or disinterested and uninterested, or stumbling over sound-alikes including discrete/discreet or principal/principle. Other notes tackle such classic irritants as hopefully, impact, and aggravate, as well as problematic words like peruse and presently. A great read for anyone who cares about getting it right, 100

Words Almost Everyone Confuses and Misuses can help keep writers and speakers on the up-and-up!

Curious George's Dictionary - The Editors of the American Heritage Dictionaries 2008-08-27

Curious George gets curious about words in this illustrated dictionary designed for children from preschool through kindergarten. In an illustrated introduction to this unique dictionary, Curious George learns how to look up words before embarking on an educational adventure through a vocabulary list chosen specifically for children ages four to six. The dictionary itself presents approximately 600 words, with six words to a page. Each entry is illustrated with a full-color drawing, and more than half of the illustrations include a sample sentence that puts the word in context. At the end of the book, eight full-page features present groups of thematically related words such as colors, shapes, and numbers.

The American Heritage Dictionary of Indo-European Roots - Calvert Watkins 2000

Discusses the nature, origins, and development of language and lists the meanings and associated word for more than thirteen thousand Indo-European root words.

The Devil and Daniel Webster - Stephen Vincent Benét 1943-10

[The Power of Godliness](#) - Jonathan Stapley 2018-02-02

The Power of Godliness is a key work to understand Mormon conceptions of priesthood, authority, and gender. With in-depth research and never previously used documents, Jonathan A. Stapley explores the rituals of ordination, temple "sealings," baby blessings, healing, and cunning-folk traditions. In doing so, he demonstrates that Mormon liturgy includes a much larger and more complex set of ritualized acts of worship than the specific rites of initiation, instruction, and sealing that take place within the temple walls. By exploring Mormonism's liturgy more broadly, The Power of Godliness shows both the nuances of

Mormon belief and practice, and how the Mormon ordering of heaven and earth is not a mere philosophical or theological exercise. Stapley examines Mormonism's liturgical history to reveal a complete religious world, incorporating women, men, and children all participating in the construction of the Mormon universe. This book opens new possibilities for understanding the lived experiences of women and men in the Mormon past and present, and investigates what work these rituals and ritualized acts actually performed in the communities that carried them out. By tracing the development of the rituals and the work they accomplish, *The Power of Godliness* sheds important new light on the Mormon universe, its complex priesthoods, authorities, and powers.

The American Century Dictionary - Laurence Urdang 1996-08-01

Presents a controversial history of violence which argues that today's world is the most peaceful time in human existence, drawing on psychological insights into intrinsic values that are causing people to condemn violence as an acceptable measure.

The Language Wars - Henry Hitchings 2011-10-25

The English language is a battlefield. Since the age of Shakespeare, arguments over correct usage have been bitter, and have always really been about contesting values-morality, politics, and class. The Language Wars examines the present state of the conflict, its history, and its future. Above all, it uses the past as a way of illuminating the present. Moving chronologically, the book explores the most persistent issues to do with English and unpacks the history of "proper" usage. Where did these ideas spring from? Who has been on the front lines in the language wars? The Language Wars examines grammar rules, regional accents, swearing, spelling, dictionaries, political correctness, and the role of electronic media in reshaping language. It also takes a look at such details as the split infinitive, elocution, and text messaging. Peopled with intriguing characters such as Jonathan Swift, Lewis Carroll, and Lenny Bruce, The Language Wars is an essential volume for anyone interested in the state of the English language today or its future.

Webster's II New Riverside Pocket Dictionary - Daniel Webster 1995-09

This pocket dictionary contains 35,000 definitions and notes, pronunciations, inflected forms, irregular plurals, and variants. It includes guides to punctuation, measurement systems, and proofreader's marks.

English Words from Latin and Greek Elements - Donald M. Ayers 2021-11-09

Since 1965, Donald Ayers' *English Words from Latin and Greek Elements* has helped thousands of students to a broader vocabulary by showing them how to recognize classical roots in modern English words. Its second edition, published in 1986, has confirmed that vocabulary is best taught by root, not rote. The importance of learning classical word roots is already acknowledged by vocabulary texts that devote chapters to them. Why a whole book based on this approach? Ayers' text exposes students to a wider range

of roots, introduces new English words in context sentences, and reinforces vocabulary through exercises. It promotes more practice with roots so that students learn to use them as tools in their everyday encounters with new words. *English Words* is written from the standpoint of English; it neither attempts to teach students Latin or Greek nor expects a knowledge of classical languages on the part of instructors. Its success has been demonstrated at both the secondary and college levels, and it can be used effectively with students in remedial or accelerated programs. An Instructor's Manual (gratis with adoption) and a Workbook are also available.

The American Heritage Roget's Thesaurus - American Heritage Dictionary 2013

Provides clear definitions specifically designed and cross-referenced to orient users to relevant meanings of related words, offering a wide range of synonyms from mainstream vocabulary to colorful alternatives while including example sentences and hundreds of Core Synonym Paragraphs that explain different nuances of meaning.

Webster's New World College Dictionary, Fifth Edition - Editors of Webster's New World College Dictionaries 2020-06

Webster's New World College Dictionary is a favorite of newsrooms and copyeditors nationwide, and it is the official dictionary of The Associated Press Stylebook. This dictionary features a clear and accessible defining style, abundant synonym notes, full-page tables and charts, hundreds of drawings that complement the definitions, and authoritative guidance on usage and style points. It also includes extensive coverage of Americanisms (words, phrases, and senses coined by an American or first used in the United States). It has added nearly 5,000 new entries, including terms from the areas of arts and sports, science and medicine, computers and the Internet, food, business, politics, and law. Tens of thousands of revisions have been made to existing senses, to bring them up-to-date and to reflect current usage. A reference supplement includes: Rules of punctuation, Roman numerals, Calendars, Monetary units, Currency symbols, Names for large number, Books of the Bible, Meteorological data, Commonly used weights and measures, Planets of the solar system, Geologic time scale, and Periodic table of the elements.

Merriam-Webster's Visual Dictionary - Jean Claude Corbeil 2012

More than 20,000 words in the English language are grouped into similar categories--such as astronomy, house, human being, plants and society--and explained using detailed, labeled illustrations.

100 Words To Make You Sound Smart - Editors of the American Heritage Di 2006-10-04

This title in the popular 100 Words series is an informative and entertaining resource that can help anyone be right on the money when looking for words that will make a point, seal the deal, or just keep folks listening. Chosen by the editors of the American Heritage Dictionaries, these words will appeal to anyone who wants to be a more compelling communicator—as a worker, consumer, advocate, friend, dinner companion, or even as a romantic prospect. The book includes a colorful variety of words, including handy words of just one syllable (such as glib) and words derived from the names of famous people (such as Freudian slip and Machiavellian). There are expressions from popular culture (Catch-22) and words that date back to classical civilization (spartan and stoic). Each word is clearly defined and shown in context with quotations from magazines, newspapers, broadcast media, movies, and television. For many words, quotations from distinguished authors and speakers are also given and word histories are explained. 100 Words to Make You Sound Smart provides an affordable and enjoyable way to communicate more effectively. It offers the coveted gift of gab to anyone who needs to “say it right”—and to anyone who wants to sound more articulate.

100 Words Every Word Lover Should Know - Editors of the American Heritage Di 2005-04-13

100 Words Every Word Lover Should Know is the perfect book for people who enjoy reading about words that have absorbing histories, intriguing coinages, surprising but useful meanings, or have been used by famous writers throughout the history of English. Many of these 100 words are accompanied by notes that explain in detail the path the word has undertaken, providing useful etymological information about how the usage of a word develops over time. Additionally, 100 Words Every Word Lover Should Know features scores of quotations from authors including Henry James, Jane Austen, Sylvia Plath, William Golding, Douglas Coupland, and Donna Tartt. A great gift for anyone who appreciates the beauty, history, and depth of the English language, 100 Words Every Word Lover Should Know will appeal to all who are avid readers

and take pride in a vibrant, active vocabulary.

The American Heritage Dictionary, Fifth Edition - Paul Hellweg 2012-06-26

Based on the authoritative American Heritage® Dictionary of the English Language, Fifth Edition, the Office Edition has been completely updated; every single entry has been reviewed and revised as necessary. Its thousands of new words and senses, such as antiquark, earbud, and the verb sense of friend, reflect recent developments in the sciences, technology, and popular culture. Hundreds of photographs and drawings enhance the text, and several tables such as the periodic table of the elements and a table of units of measurement provide helpful data in a useful visual format. Forming the heart of the dictionary, however, are its more than 70,000 entry words, whose clear, straightforward definitions--supplemented by pronunciations, inflections of irregular verbs and plural nouns, and selected etymologies--make the Office Edition of the American Heritage® Dictionary of the English Language, Fifth Edition, an essential reference for the office, school, or home.

Expanded special features include a Handbook of Style, Basic English Grammar, Irregular English Verbs and a Guide to Common Verb Collocations (both essential for ESL), and a new Overview of the Internet.

Sleeping with the Dictionary - Harryette Mullen 2002-02-22

Harryette Mullen's fifth poetry collection, *Sleeping with the Dictionary*, is the abecedarian offspring of her collaboration with two of the poet's most seductive writing partners, Roget's Thesaurus and The American Heritage Dictionary. In her ménage à trois with these faithful companions, the poet is aware that while Roget seems obsessed with categories and hierarchies, the American Heritage, whatever its faults, was compiled with the assistance of a democratic usage panel that included black poets Langston Hughes and Arna Bontemps, as well as feminist author and editor Gloria Steinem. With its arbitrary yet determinant alphabetical arrangement, its gleeful pursuit of the ludic pleasure of word games (acrostic, anagram, homophone, parody, pun), as well as its reflections on the politics of language and dialect, Mullen's work is serious play. A number of the poems are inspired or influenced by a technique of the international literary avant-garde group Oulipo, a dictionary game called S+7 or N+7. This method of textual transformation--which is used to compose nonsensical travesties reminiscent of Lewis Carroll's "Jabberwocky"--also creates a kind of automatic poetic discourse. Mullen's parodies reconceive the African American's relation to the English language and Anglophone writing, through textual reproduction, recombining the genetic structure of texts from the Shakespearean sonnet and the fairy tale to airline safety instructions and unsolicited mail. The poet admits to being "licked all over by the English tongue," and the title of this book may remind readers that an intimate partner who also gives language lessons is called, euphemistically, a "pillow

dictionary."
