Public Relations Cases - Jerry A. Hendrix 2012-01-01

Primarily using PUBLIC RELATIONS Society of America award-winning cases, PUBLIC RELATIONS CASES, Ninth Edition, presents a clear theoretical grounding in the major areas of public relations. Using the ROPE process model (Research, Objectives, Programming, and Evaluation), the authors keep students focused on the strategic elements of exemplary communications campaigns. The case studies provide glimpses into best practices for public relations campaigns as recognized by professionals in the field. The cases all use a strategic communications model, where clearly defined objectives are based on sound research and good audience analysis, followed by creative tactics that are evaluated for their effectiveness. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Our Future in Public Relations - Ken Kerrigan 2020-08-17

In an era of fake news and diminishing trust, it's time to ask exactly what our future in public relations will be. Aimed primarily at communications management professionals, Our Future in Public Relations delves into whether public relations are dead, or rather more important than ever before as a driver of purpose-driven organizations.

EFFECTIVE PUBLIC RELATIONS AND MEDIA STRATEGY, THIRD EDITION - REDDI, C.V. NARASIMHA 2019-09-01

The author with over five decades of professional and academic experience has considerably revised and updated every chapter of the book to present, contemporary diverse public relations and media practices. As a result, the new edition contains the best of previous editions and at the same time replaces all the dated material with new figures and advanced information. Subjects like Mass Communication, Public Relations, Journalism, Advertising, Media Studies, Event Management, PR 2.0 New Model and eight case studies including Mahatma Gandhi World's Greatest Communicator — all in one make this edition truly unique and the only textbook of this type in India. The other key topics that have been given attention in the book include PR as a Strategic Management Function; Communication Models: History of Indian PR; Standards and Ethics in PR; Corporate Communications; PR in Government, Public Sector and NGOs; Global PR; Internet and Social Media; Multimedia PR Campaign and PR into the Future. Learning Tools • Students learning tools such as Chapter Opening Preview, Relevant Case Problems in the Text, End of the Chapter Summary for quick understanding, Review Questions for practice, the Glossary and traits needed for success in PR career are added value to this edition. The text is a must read for every student, faculty and practitioners of Mass Communication, Media Relations, Journalism, PR & Advertising and all management disciplines.

Social Media Campaigns - Carolyn Mae Kim 2016-05-26

Social media has ushered in a new era of communication between organizations and key stakeholders. This text guides readers through a four-step process of developing a robust social media campaign. Covering the latest industry standards and best practices to engage digital audiences through social listening, strategic design, creative engagement and evaluation, each chapter also includes expert insights from social media professionals. Focusing on principles rather than a specific platform, this is a text dedicated to developing social media competency that can adapt to any organization or environment.

Big Ideas in Public Relations Research and Practice - Finn

Frandsen 2019-10-03

Drawing on contributions from the 2018 congress of the European Public Relations Education and Research Association (EUPRERA), this volume explores and analyses challenges around communication, management and big ideas to present findings from current research in corporate communication.

Crisis Communication - Kjell Brataas 2018-01-29

Crisis Communication is an in-depth examination of recent tragedies and natural disasters that have occurred around the globe. The book covers three types of incidents: natural catastrophes, accidents and terror attacks. It focuses on the communication aspect of each incident and provides accounts from people handling the event. Each chapter offers a detailed description of the event and supplementary facts and illustrations from a variety of sources. With a focus on critical communication elements and lessons learned, Brataas offers valuable advice - based on personal experience with natural disasters, accidents and terror attacks - on some of the most effective ways to prepare for and deal with a crisis. Topics range from interview situations and social media to victim support and active shooter events. This book will be invaluable to those working in public relations and communications, as well as to those working with human resources and general management.

Planning and Managing Public Relations Campaigns - Anne Gregory 2010-06-03

Getting a public relations campaign or programme off the ground can seem an overwhelming task. But, as with any project, the secret of success lies in good planning and effective management. This fully updated second edition of Planning and Managing Public Relations Campaigns provides a blueprint for all practitioners. It describes how to initiate and manage the ongoing development of a programme in a structured way to benefit both the organization and its clients. Practical and easy to read, the book takes the form of a step-by-step guide, covering many vital areas including: the public relations function; starting the planning process; research and analysis; setting objectives; strategy and tactics; timescales and resources; evaluation and review. Packed with numerous case studies, the book demonstrates a 10-point plan for ensuring successful campaigns and programmes. By using the techniques presented here, public relations practitioners will be able to drive events instead of being driven by them. Endorsed by the Institute of Public Relations, Planning and Managing Public Relations Campaigns is vital reading for students, practitioners or managers who want a definitive guide to the planning and management process.

Case Studies in Crisis Communication - Amiso M. George 1997-08-13

Case Studies in Crisis Communication: International Perspectives on Hits and Misses was created to fill the gap for a much-needed textbook in case studies in crisis communication from international perspectives. The events of September 11, 2001, other major world crises, and the ongoing macroeconomic challenges of financial institutions, justify the need for this book. While existing textbooks on the subject focus on U.S. corporate cases, they may not appeal equally to students and practitioners in other countries, hence the need to analyze cases from the United States and from other world regions. The variety and the international focus of the cases, be they environmental, health or management successes or failures, makes this book more appealing to a wider audience. These cases examine socio-cultural issues associated

with responding to a variety of crises.

Public Relations Case Studies from Around the World (2nd Edition) - Jean Valin 2017

The case studies in this book, many of which have won national or international awards, represent an impressive scope of public relations practice - from public diplomacy to corporate social responsibility to community relations to tourism to fundraising. They include best practices of multinational corporations, non-governmental organizations and governmental agencies around the world.

Adventures in Public Relations - David Guth 2005

Adventures in Public Relations engages students in the practice of public relations with exciting, timely, representative cases combined with a strong focus on critical thinking and problem solving. This text conveys the excitement and challenge of public relations by presenting students with a real-world portrait of the profession. Students will learn from the successes and failures of the public relations campaigns examined in the text. The book's focus on critical thinking helps students develop the problem-solving skills essential to success in public relations. As with the authors' successful introductory text, *Public Relations: A Values-Driven Approach*, this text also encourages readers to identify, refine, and test their own values systems.

Global Public Relations - Alan R. Freitag 2009-01-13

This text provides a structured and practical framework for understanding the complexities of contemporary public relations. It is an instructional book that guides the reader through the challenges of communication and problem solving across a range of organizations and cross-cultural settings. Written in a straightforward, lively style, the book covers: foundational theories, and factors that shape the discipline communication across cultures trends affecting the public relations profession throughout the world. Incorporating case studies and commentary to illustrate key principles and stimulate discussion, this book also highlights the different approaches professionals must consider in different contexts, from communicating with employees to liaising with external bodies, such as government agencies or the media. Offering a truly global perspective on the subject, *Global Public Relations* is essential reading for any student or practitioner interested in public relations excellence in a global setting. A companion website provides additional material for lecturers and students alike:

www.routledge.com/textbooks/9780415448154/

Cases in Public Relations Management - Patricia Swann 2014-02-18

Developed for advanced students in public relations, *Cases in Public Relations Management* uses recent cases in public relations that had outcomes varying from expected to unsuccessful. The text challenges students to think analytically, strategically, and practically. Each case is based on real events, and is designed to encourage discussion, debate, and exploration of the options available to today's strategic public relations manager. Key features of this text include coverage of the latest controversies in current events, discussion of the ethical issues that have made headlines in recent years, and strategies used by public relations practitioners. Each case has extensive supplemental materials taken directly from the case for students' further investigation and discussion. The case study approach encourages readers to assess what they know about communication theory, the public relations process, and management practices, and prepares them for their future careers as PR practitioners. New to the second edition are: 27 new case studies, including coverage of social media and social responsibility elements New chapters on corporate social responsibility (CSR) and activism End-of-chapter exercises Embedded hyperlinks in eBook Fully enhanced companion website that includes: Instructor resources: PowerPoint presentations, Case Supplements, Instructor Guides Student resources: Quizzes, Glossary, Case Supplements

Introduction to Corporate Communication - Charu Lata Singh 2021-12-31

This book examines the evolution of corporate communication in the recent past in the context of the rapidly changing contemporary business environment in India. Using several case studies, it illustrates the growing need for small and large businesses to recognize and form a direct connection with their stakeholders and further explains the effective ways through which specific business requirements are realized by communication managers. The book explores the greater dependency and function of multiple media strategies and their challenges. It also offers various theoretical and practical insights into the successful integration of diverse communication and marketing strategies like employee communication, investor relations, corporate social responsibility and philanthropy, branding, crisis management, and

corporate ethics and governance, among others. Lucid and comprehensive, this book will be an essential read for students and scholars of corporate communications, business management, media and communication studies, public relations, and marketing, as well as communication and marketing practitioners.

Putting the Public Back in Public Relations - Brian Solis 2009-02-19

Forget the "pitch": Yesterday's PR techniques just don't work anymore. That's the bad news. Here's the great news: Social Media and Web 2.0 offer you an unprecedented opportunity to make PR work better than ever before. This book shows how to reinvent PR around two-way conversations, bring the "public" back into public relations and get results that traditional PR people can only dream about. Drawing on their unparalleled experience making Social Media work for business, PR 2.0.com's Brian Solis and industry leader Deirdre Breakenridge show how to transform the way you think, plan, prioritize, and deliver PR services. You'll learn powerful new ways to build the relationships that matter, and reach a new generation of influencers...leverage platforms ranging from Twitter to Facebook...truly embed yourself in the communities that are shaping the future. Best of all, you won't just learn how to add value in the Web 2.0 world: You'll learn how to prove how new, intelligent, and socially rooted PR will transform your organization into a proactive, participatory communication powerhouse that is in touch and informed with its community of stakeholders.

Public Relations Inquiry as Rhetorical Criticism - William N. Elwood 1995

Institutions attempt to influence their environments--politically, socially, economically, psychologically--and that influence occurs in part through rhetoric in the practice of public relations. This volume examines that process of influence--the theoretical bases and practical effects of public relations campaigns.

Public Relations, Activism, and Social Change - Kristin Demetrious 2013

This book draws significant new meaning to the inter-relationships of public relations and social change through a number of international case studies, and rebuilds knowledge around alternative communicative practices that are ethical, sustainable, and effective. Demetrious offers a critical description of the dominant model of public relations used in the twentieth century, showing that 'PR' was characterized as arrogant, unethical, and politically offensive in ways that have weakened its professional credibility. She offers a principled approach that avoids the contradictions and flawed coherences of essentialist public relations and, instead, represents an important ethical reorientation in the communicative fields.

Sport Public Relations and Communication - Maria Hopwood 2012-05-23

An increasingly important element of sport business is the management of the myriad of relationships in which sport entities are involved. It is the relationship management aspect of sport which is the unique focus of this book. *Sport Public Relations and Communication* discusses and reformulates the principles of public relations and communications by demonstrating how they can be successfully applied in practice within a sports context. Features include: discussion customized to apply directly to sports management, thoroughly exploring the nuances of the field case studies used throughout the book to illustrate the practical application of theory discussion questions to help formulate and articulate defensible arguments in relation to public relations and communications strategies, forging strong links between theory and practice examples used to draw from the authors' extensive experience in North America, the United Kingdom, Europe and Australia and New Zealand, providing a well rounded and global understanding of the field. This is the first book to explore public relations and communications in the sports industry in a global context. It brings together applicable strategies for the sport management or marketing student, and provides a concise guide to how public relations and communications strategies and principles can be applied to sport management and marketing issues.

Public Relations Practices - Allen H. Center 2012-12-29

Directed primarily toward undergraduate marketing college/university majors, this text also provides practical content to current and aspiring industry professionals. Written by two of the most respected individuals in the field, *Public Relations Practices* presents timeless case studies to help future practitioners develop agility in the principles and applications of effective two-way communications likely to confront them and their employer.

Public Relations Case Studies from Around the World - Judy Vanslyke Turk 2014-10-30

The case studies in this book, many of which have won national or international awards, represent an impressive scope of public relations practice - from public diplomacy to corporate social responsibility to community relations to tourism to fundraising. As edited by a public relations educator recognized as Educator of the Year and two former chairs of the Global Alliance for Public Relations and Communication Management, these chapters take a significant step toward overcoming the dearth of published case studies in public relations beyond North America. They include -best practices- of multinational corporations, non-governmental organizations and governmental agencies in Poland, Iran, South Africa, Japan, New Zealand, Costa Rica, Malaysia, the United Arab Emirates, Slovenia, and Finland. Written by established scholars and professionals who had access to some of the world's most intriguing and influential cases of organizational communication, these studies will be of tremendous interest to all who teach, study, and practice public relations around the world."

International and Intercultural Public Relations - Michael G. Parkinson 2006

"International and Intercultural Public Relations" provides a format for analyzing public relations campaigns and then applies it in 19 case studies written by public relations scholars. This text uses both the case method and an analysis of public relations campaigns to help students learn to apply concepts of planning, research, and international or intercultural communication to the field of public relations. It is appropriate for general public relations campaigns courses as well as those specifically focused on intercultural or international public relations. Features 19 real-life international or intercultural cases, complete with critiques, providing a diverse selection of successful and unsuccessful campaigns for students to learn from and analyze. Begins with detailed descriptions of case development techniques, supplying students with a framework for analysis of the cases in the text. Describes and demonstrates the "ROSTE model," a system that can be used to critique or develop any public relations campaign, so students can apply their knowledge outside the text or classroom. Includes both mass communication and speech communication theories, making them applicable to courses in journalism, public relations, or communication programs. Incorporates instructions for case development and critique as well as class discussion and analysis, helping instructors to encourage critical thinking in the classroom. Provides suggested readings and bibliographies to facilitate student research projects and reports. Praise for "International and Intercultural Public Relations" "This is an exciting text that I would include in my library and use. It is cutting edge and hits all of the targeted marks that I look for in a text." "Eric Brown, Canyon College" "This manuscript utilizes a unique concept, ROSTE, to produce national and international campaigns. It has up-to-date national and international cases illustrating the intricacies of successful and unsuccessful campaigns. . . ." "Deborah Menger, University of Texas at San Antonio"

Public Relations Cases and Readings - Daniel Moss 2005-08-19

This unique collection of contemporary international public relations case studies gives readers in-depth insights into the effective use of public relations in a range of organizational contexts. The cases examined demonstrate the breadth of contemporary public relations practice and the increasing importance and sophistication of the public relations function in both public and private sector organizations. Cases from the UK, Norway, Spain, Sweden, South Africa, Canada and the USA are featured Offering valuable insights into the development of PR and communication strategies, the areas examined include: corporate identity change and management global reputation management crisis management in the oil and shipping industries exploiting strategic alliances between voluntary and private sector organizations public relations support for international branding and market entry the importance of internal communications during international mergers the integration of public relations and marketing communications business-to-business communications. Also including analysis and discussion questions to support the case studies and maintaining a good balance between theory and practice it is an invaluable resource for teachers, researchers and students working in public relations, corporate communications and public affairs.

Public Relations Theory - Jae-Hwa Shin 2020-12-08

Winner of the 2021 National Communication Association PRIDE award in the 'Outstanding Textbook' category! Explore a wide range of theoretical frameworks and themes for public relations in this comprehensive and authoritative work Public Relations Theory: Capabilities and Competencies is a comprehensive overview of the major theoretical

perspectives in public relations, considering the evolution, diversification and merger of approaches that have been spurred by rapid changes in society, cultural boundaries, technology, and media environments. Authors Jae-Hwa Shin and Robert Heath explain both organizational and social theories of public relations, including cases and challenges to help students bring theory and research to bear on solving the daily challenges of public relations practice. Rather than advocate in favor of a particular theoretical view or position, Public Relations Theory: Capabilities and Competencies covers a broad range of theoretical perspectives and themes in public relations, including: An examination of excellence theory, contingency theory, rhetorical theory, and critical theory as these perspectives apply to public relations Issues management, crisis management, risk management and conflict management with respect to public relations Combining theory and practice for conceptualization and strategic execution of robust public relations programs and campaigns The importance of public relations ethics to serve the public good How to define "the public" or "relationships" in the field of public relations The book closes with discussion of emerging topics and the recent transformation of public relations theory to take diversity, technology, and global identity into account and offers insight into future direction. This book is perfect for upper level undergraduate and graduate students of public relations in journalism and communication. It will also be useful for public relations practitioners who hope to improve their understanding of the theoretical background and principles of their work and serve as an excellent reference for doctoral students and researchers in the area.

Public Relations Campaigns - Regina M. Luttrell 2018-02-05

Public Relations Campaigns: An Integrated Approach introduces you to the process of creating public relations campaigns using a hands-on approach that emphasizes the tools you will need when working in the industry. Authors Regina M. Luttrell and Luke W. Capizzo present real examples and current case studies to help you develop practical skills for creating more effective PR campaigns. You are given multiple opportunities to practice and build your skills throughout the book by learning how to incorporate the PESO model—Paid media, Earned media, Social media, and Owned media. The PESO model helps students understand the importance of creating integrated campaigns that coordinate PR efforts with both advertising and marketing. Key Features The book offers a timely focus on the PESO model and its use in integrated campaigns, providing students with an understanding of today's best practices in PR. Numerous case studies and exercises throughout the book aid in a deeper understanding of how research, perspective, and insights can be leveraged in public relations campaigns. Real-world information including sample PR plans with budgets prepare students for success in their future careers.

Applied Public Relations - Kathy Brittain McKee 2010-03-17

Applied Public Relations provides readers with the opportunity to observe and analyze how contemporary businesses and organizations interact with key groups and influences. Through the presentation of cases covering a wide variety of industries, locations, and settings, authors Kathy Brittain McKee and Larry F. Lamb examine how real organizations develop and maintain their relationships, offering valuable insights into contemporary business and organizational management practices. McKee and Lamb place special emphasis on public relations as a strategic management function that must coordinate its planning and activities with key organizational units - human resources, marketing, legal counsel, finance, and operations, among others. A commitment to the ethical practice of public relations underlies the book, and students are challenged not only to assess the effectiveness of the practices outlined, but also to understand the ethical implications of those choices. This second edition includes the following key features: New and updated cases Additional Professional Insight commentaries Expanded use of charts and photos An appendix with the PRSA Member Code of Ethics and the IABC Code of Ethics for Professional Communicators A companion website with resources for the student and the instructor. With its practical orientation and scope, Applied Public Relations is a useful text for courses on public relations management, public relations cases and campaigns, and integrated communication management.

Public Relations Writing - Donald Treadwell 2005-04-19

Public Relations Writing: Principles in Practice is a comprehensive core text that guides students from the most basic foundations of public relations writing-research, planning, ethics, organizational culture, law, and design-through the production of actual, effective public relations materials. The Second Edition focuses on identifying and writing public relations messages and examines how public relations messages differ

from other messages.

Pitch, Tweet, or Engage on the Street - Kara Alaimo 2020-12-29

The second edition of *Pitch, Tweet, or Engage on the Street* offers a modern guide for how to adapt public relations strategies, messages, and tactics for countries and cultures around the globe. Drawing on interviews with public relations professionals in over 30 countries as well as the author's own experience, the book explains how to build and manage a global public relations team, how to handle global crisis communication, and how to practice global public relations on behalf of corporations, non-profit organizations, and governments. It takes readers on a tour of the world, explaining how to adapt their campaigns for Asia-Pacific, Europe, the Middle East, the Americas, and Sub-Saharan Africa. Along the way, readers are introduced to practitioners around the globe and case studies of particularly successful campaigns. This new edition includes updates to country profiles to reflect changes in each local context, as well as expanded coverage of social media and the role of influencer engagement, and a brand-new chapter on global crisis communication. The book is ideal for graduate and upper-level undergraduate public relations students, as well as practitioners in intercultural markets.

A Practical Guide to Ethics in Public Relations - Regina Luttrell 2018-02-09

A Practical Guide to Ethics in Public Relations is designed for courses in contemporary studies of public relations and communications. This text highlights the delicate balance required to navigate the values and demands implicit to the field of public relations and those that underlie society as a whole. Students are encouraged to examine their own values and compare them to those commonly encountered in a professional setting. *A Practical Guide to Ethics in Public Relations* is the ideal text for students grappling with the inevitable ethical dilemmas that arise in professional public relations.

International Public Relations - Patricia A. Curtin 2007-01-18

International Public Relations: Negotiating Culture, Identity, and Power offers the first critical-cultural approach to international public relations theory and practice. Authors Patricia A. Curtin and T. Kenn Gaither introduce students to a cultural-economic model and accompanying practice matrix that explain public relations techniques and practices in a variety of regulatory, political, and cultural climates. offers the first critical-cultural approach to international public relations theory and practice. Authors Patricia A. Curtin and T. Kenn Gaither introduce students to a cultural-economic model and accompanying practice matrix that explain public relations techniques and practices in a variety of regulatory, political, and cultural climates.

Strategic Planning for Public Relations - Ronald D. Smith 2007-07-10

First published in 2004. Routledge is an imprint of Taylor & Francis, an informa company.

Qualitative Research Methods in Public Relations and Marketing

Communications - Christine Daymon 2005-06-29

A practical, highly accessible guide for novice researchers conducting qualitative research in public relations and marketing communications, this book guides the reader through all aspects of the research process.

Public Relations Cases - Danny Moss 2010-07-16

This unique collection of contemporary international public relations case studies gives the reader in-depth insight into effective public relations practice in a range of organizational contexts. The cases demonstrate the breadth of modern public relations practice and the increasing importance and sophistication of this function both in public and private sector organizations. This second edition of *Public Relations Cases* builds on the success of the previous edition to offer new insights into the changing face of contemporary public relations and the development of PR and communication strategies. The book also examines: The use of social media and blogging as a communications medium The growing importance of corporate social responsibility programmes Local authority identity change High profile international charitable fundraising Sports sponsorship Property sector PR. Featuring cases from around the world, including the UK, India, Korea, Denmark, Croatia and the US, this book is an invaluable resource for teachers, researchers and students working in public relations, corporate communication and public affairs.

PR News Casebook - David P. Bianco 1993

From the pages of *PR News* - the world's most widely-read public relations weekly - comes this collection of 1000 case studies covering major PR campaigns and events from the publication's nearly 50-year history. Based on personal interviews conducted by *PR News* founder and former publisher Denny Griswold, each case study analyzes how the

most important businesses, government agencies and other organizations from around the world have handled such diverse issues as anniversaries, boycotts, downsizing, industrial achievements, minority relations, new product introductions, plant closings, product tampering, stockholder relations, and many others.

Cases in Public Relations Strategy - Burton St. John III 2018-08-02

Cases in Public Relations Strategy draws on original, real-world case studies to provide students with a strategic approach to meeting the needs of a client before, during, and beyond a campaign. Using the RACE (Research, Action Planning, Communication, and Evaluation) model, students explore successful contemporary campaigns and evaluate best practices in all major areas of public relations activity. This practical, client-oriented text shows students how to systematically evaluate and adapt to the needs of a particular client—whether big or small, global or local, for-profit or nonprofit—in order to launch the most effective campaign. Each case includes a brief introduction focused on fundamentals and core competencies, and all cases have been carefully selected to present a wide range of client types. In addition to the lessons from professionals in the case studies, a section on PR consulting and an appendix on advancing your PR career give students the knowledge and skills they need for success in the field. Give your students the SAGE edge! SAGE edge offers a robust online environment featuring an impressive array of free tools and resources for review, study, and further exploration, keeping both instructors and students on the cutting edge of teaching and learning. Learn more at edge.sagepub.com/stjohn.

Public Relations Cases - Danny Moss 2010-07-16

This unique collection of contemporary international public relations case studies gives the reader in-depth insight into effective public relations practice in a range of organizational contexts. The cases demonstrate the breadth of modern public relations practice and the increasing importance and sophistication of this function both in public and private sector organizations. This second edition of *Public Relations Cases* builds on the success of the previous edition to offer new insights into the changing face of contemporary public relations and the development of PR and communication strategies. The book also examines: The use of social media and blogging as a communications medium The growing importance of corporate social responsibility programmes Local authority identity change High profile international charitable fundraising Sports sponsorship Property sector PR. Featuring cases from around the world, including the UK, India, Korea, Denmark, Croatia and the US, this book is an invaluable resource for teachers, researchers and students working in public relations, corporate communication and public affairs.

Public Relations Practices - Allen H. Center 1985

Public Relations: The Basics - Ron Smith 2013-08-15

Public Relations: The Basics is a highly readable introduction to one of the most exciting and fast-paced media industries. Both the practice and profession of public relations are explored and the focus is on those issues which will be most relevant to those new to the field: The four key phases of public relations campaigns: research, strategy, tactics and evaluation. History and evolution of public relations. Basic concepts of the profession: ethics, professionalism and theoretical underpinnings. Contemporary international case studies are woven throughout the text ensuring that the book is relevant to a global audience. It also features a glossary and an appendix on first steps towards a career in public relations making this the book the ideal starting point for anyone new to the study of public relations.

Introduction to Strategic Public Relations - Janis Teruggi Page 2017-11-30

Winner of the 2019 Textbook & Academic Authors Association's The Most Promising New Textbook Award How can public relations play a more active role in the betterment of society? *Introduction to Strategic Public Relations: Digital, Global, and Socially Responsible Communication* prepares you for success in today's fast-changing PR environment. Recognizing that developments in technology, business, and culture require a fresh approach, Janis T. Page and Lawrence Parnell have written a practical introductory text that aligns these shifts with the body of knowledge from which the discipline of public relations was built. Because the practice of public relations is rooted in credibility, the authors believe that you must become ethical and socially responsible communicators more concerned with building trust and respect with diverse communities than with creating throwaway content. The authors balance this approach with a focus on communication theory, history,

process, and practice and on understanding how these apply to strategic public relations planning, as well as on learning how to create a believable and persuasive message. Key Features Chapter-opening Scenarios capture your attention by discussing current PR challenges—such as the Wells Fargo cross-selling, VW emissions cover-up, and P&G’s “Like a Girl” campaign—and thus frame the chapter content and encourage active reading. At the end of the chapter, you explore various aspects of socially responsible communication to “solve” the PR challenge. Socially Responsible Case Studies in each chapter illustrate the key responsibilities of a modern public relations professional such as media relations, crisis communications, employee communications, applied communications research, and corporate and government-specific communications. Each case features problem-solving questions to encourage critical thinking. Social Responsibility in Action boxes feature short, specific social responsibility cases—such as Universals’ #NoFoodWasted, Nespresso in South Sudan, and Merck’s collaboration with AIDS activists—to highlight best practices and effective tactics, showing the link between sound public relations strategy and meaningful social responsibility programs. Insight boxes spark classroom discussion on particularly important or unique topics in each chapter. Personality Profile boxes will inspire you with stories from PR veterans and rising stars such as the U.S. CEO of Burson-Marsteller, the Chief Communication Officer of the United Nations Foundation, and the Executive VP at HavasPR.

Public Relations and Online Engagement - Amber L. Hutchins
2021-06-25

As media continues to evolve, social media has become even more integral to public relations activities, presenting new opportunities and challenges for practitioners. Relationships between publics and organizations continue to be first and foremost, but the process and possibilities for mutually beneficial relationships are being rewritten in situ. This volume aims to explore and understand highly engaged publics in a variety of social media contexts and across networks. The hope is the expansion and extension of public relations theories and models in this book helps move the discipline forward to keep up with the practice and the media environment. Contributors analyzed a range of organizations and industries, including corporate, entertainment, government, and political movements, to consider how public relations practitioners can facilitate ethical and effective communication between parties. A consistent thread was the need for organizations and practitioners to better understand the diverse backgrounds of publics, including age, ethnicity, gender, and sexual orientation, beyond surface-level demographic stereotypes and assumptions. This book will be of interest

to researchers, academics, and students in the field of public relations and communication, especially those with a particular interest in online engagement and social media as a PR tool.

Communicating Causes - Nicky Garsten 2018-06-13

Non-profit organizations (NPOs) across the world are facing criticism alongside approbation. In order for NPOs to effectively support their causes, they require public trust. The editors of this book have persuaded PR experts from the UK and around the world, from a variety of PR specialisms operating across different organizational forms, to share their knowledge and experience. These contributions are scaffolded with authoritative academic and practical advice, as well as solutions. The book starts with foundations that underpin communications for causes. These include arguments that support the importance of non-profits in civil society; lessons in corporate governance; and a new approach to issues management. PR planning subjects tailored, or specific, to the sector include: strategic global communications planning, agile digital communications; branding internal communications and the securing of meaningful outcomes. Corporate partnerships are examined with a new ‘Fit to Partner Test’ and consideration of the mandated corporate social responsibility (CSR) in India, corporate volunteering in Brazil, and CSR in South Africa. Relations between governments and non-profits are also considered, both generally and with a particular focus on China. *Communicating Causes* looks at effective strategy and practice of PR in the modern non-profit. Including forewords by both John Grounds and Jon Snow, the expert perspectives offered in this book provide valuable support to current and future communicators.

The Public Relations Handbook - Alison Theaker 2004-08-02

In this updated edition of the successful *Public Relations Handbook*, a detailed introduction to the theories and practices of the public relations industry is given. Broad in scope, it; traces the history and development of public relations, explores ethical issues which affect the industry, examines its relationships with politics, lobbying organisations and journalism, assesses its professionalism and regulation, and advises on training and entry into the profession. It includes: interviews with press officers and PR agents about their working practices case studies, examples, press releases and illustrations from a range of campaigns including Railtrack, Marks and Spencer, Guinness and the Metropolitan Police specialist chapters on financial public relations, global PR, business ethics, on-line promotion and the challenges of new technology over twenty illustrations from recent PR campaigns. In this revised and updated practical text, Alison Theaker successfully combines theoretical and organisational frameworks for studying public relations with examples of how the industry works in practice.
