It Had to Be You - Susan Elizabeth Phillips 2013-05-14

The Windy City isn't quite ready for Phoebe Somerville—the outrageous, curvaceous New York knockout who has just inherited the Chicago Stars football team. And Phoebe is definitely not ready for the Stars' head coach, former gridiron legend Dan Calebow, a sexist jock taskmaster with a one-track mind. Calebow is everything Phoebe abhors. And the sexy new boss is everything Dan despises—a meddling bimbo who doesn't know a pigskin from a pitcher's mound. So why is Dan drawn to the shameless sexpot like a heat-seeking missile? And why does the coach's good ol' boy charm leave cosmopolitan Phoebe feeling awkward, tongue-tied . . . and ready to fight? The sexy, heartwarming, and hilarious "prequel" to *This Heart of Mine*—Susan Elizabeth Phillips's New York Times bestselling blockbuster—*It Had To Be You* is an enchanting story of two stubborn people who believe in playing for keeps.

The Art of Life - Zygmunt Bauman 2013-05-20

In our individualized society we are all artists of life - whether we know it or not, will it or not and like it or not, by decree of society if not by our own choice. In this society we are all expected, rightly or wrongly, to give our lives purpose and form by using our own skills and resources, even if we lack the tools and materials with which artists' studios need to be equipped for the artist's work to be conceived and executed. And we are praised or censured for the results - for what we have managed or failed to accomplish and for what we have achieved and lost. In our liquid modern society we are also taught to believe that the purpose of the art of life should be and can be happiness - though it's not clear what happiness is, the images of a happy state keep changing and the state of happiness remains most of the time something yet-to-be-reached. This new book by Zygmunt Bauman - one of the most original and influential social thinkers writing today - is not a book of designs for the art of life nor a 'how to' book: the construction of a design for life and the way it is pursued is and cannot but be an individual responsibility and individual accomplishment. It is instead a brilliant account of conditions under which our designs-for-life are chosen, of the constraints that might be imposed on their choice and of the interplay of design, accident and character that shape their implementation. Last but not least, it is a study of the ways in which our society - the liquid modern, individualized society of consumers - influences (but does not determine) the way we

construct and narrate our life trajectories.

The Madman's Tale - John Katzenbach 2005-03-01

It's been twenty years since Western State Hospital was closed down and the last of its inmates reintegrated into society. Francis Petrel was barely out of his teens when his family committed him to the asylum, after his erratic behavior culminated in a terrifying outburst. Now middle-aged, he leads an aimless, solitary life housed in a cheap apartment, periodically tended to by his sisters, and perpetually medicated to quiet the chorus of voices in his head. But a reunion on the grounds of the shuttered institution stirs something deep in Francis's troubled mind: dark memories he thought he had laid to rest, about the grisly events that led to Western State Hospital's demise. It begins in 1979, when twenty-one-year-old Petrel descends into the state-run purgatory of an overcrowded, understaffed Massachusetts mental hospital. Surrounded by inmates roaming the halls like drugged zombies and raving behind locked doors, well-meaning orderlies, jaded nurses, and patronizing doctors, Francis finds friendship with a motley assortment of fellow patients: a would-be Napoleon, a wise ex-firefighter, and a man obsessed with battling imagined devils. But there's nothing imaginary about the young nurse found sexually assaulted and brutally murdered late one night after lights-out. The police suspect an inmate, while patients whisper about visions of a white-shrouded "angel." But the striking and mysterious prosecuting attorney who arrives to investigate has her own chilling theory—about the grim, telltale "signature" left on the victim's body, a string of unsolved sex killings, and a very real devil who, by chance or design, has come to turn a madhouse into a slaughterhouse. Now, with the past creeping back to haunt his thoughts, and nothing but a pencil and the bare walls of his bleak apartment, Francis surrenders to the overwhelming need to tell the story of those nightmarish days. But because the crime was never solved, it's a story doomed to remain unfinished. Until, like Francis's long-buried recollections, the killer resurfaces . . . with a vengeance. A tour de force narrative journey through the eerily unpredictable mind of an utterly unusual hero, *The Madman's Tale* will keep even the most astute thriller reader uncertain,

unnerved, and unable to resist the tantalizing twists and turns of this fiendishly suspenseful shadow show.

A Cowboy Under Her Tree - Allison Leigh 2007-12-01

Hotel heiress Melanie McFarlane thought running the Hopping H guest ranch would be a breeze. But after one crisis too many, she realized she needed to ask for help and came up with a crazy solution—marrying a bona fide rancher Russ Chilton. Both Melanie and Russ know their wedding's purely a business arrangement: Melanie gives Russ half the Hopping H, which he's always coveted, and Melanie gets some hidden help running her brand-new property—a property she's bound to lose without cowboy's Russ's expert touch. What the newly married couple don't expect is for their strictly professional arrangement to quickly turn personal. Stay tuned to see if this marriage of convenience is actually one for keeps!

The Cowboy Bible and Other Stories - Carlos Velázquez 2016-01-26

The provocateur and cult sensation Carlos Velazquez has earned comparisons to Hunter S. Thompson, Charles Bukowski and William S. Burroughs, and has been called 'a grand storyteller' (*Diario Jornada*), 'an icon' (*Frente*) and 'one of the most original and entertaining voices of contemporary Mexican literature' (*Revista Gatopardo*). His English-language debut, a collection of seven surreal, unrelentingly ironic and unsettling tales, portrays the comedy and brutal tragedies of a region that occupies a unique place in the North American imagination.

Tired of trying to live up to the expectations of her popular boyfriend, Sawyer, Ashton finds herself attracted to Sawyer's cousin, Beau, who, despite not wanting to hurt his cousin, finds Ashton irresistible.

Love in Between - Sandi Lynn 2013-09-05

My name is Lily Gilmore, and I was supposed to be getting married today. That was until I found my fiancée having sex with my sister in the church moments before I was supposed to walk down the aisle. I grew up with a father who was a womanizer and cheated on my mother every

moment he had the chance. He would even stoop as low as to take me and my sister with him on his trysts when we were younger. Cheating was all I grew up with, and I vowed never to live the life my mother did. After finding my fiance and my sister together, I moved from Seattle to Santa Monica to start a new life of independence and to focus on my passion for photography, man-free. -- My name is Luke Matthews. About a year ago, I lost the love of my life, in a tragic car accident. There are no words that can describe how I've felt the past year. My life and all my dreams had died with her in the accident. I exist, and I play my guitar to try and ease the pain. My love was taken away, and I will never get that back.

Marketing Fashion - Harriet Posner 2011-04-28

Marketing and fashion branding inform many of the strategic and creative decisions involved in fashion design and product development. Marketing is a vital component of the industry supply chain and an understanding of its importance and role is essential for those planning a career in fashion. Marketing Fashion is a practical guide to the fundamental principles of marketing and branding, from catwalk to price calculation, developing brand identity to creating a customer profile. The book explains key theoretical concepts, and illustrates how they are applied within the global fashion and retail industry, from the heights of haute couture to the multiples of the mass market. Using examples and case studies drawn from a broad range of fashion, textile and retail businesses, students are led through the marketing process from initial consumer and market research to the creation of exciting marketing and branding campaigns. The book is designed to appeal to students at degree or foundation level as well as those contemplating a career within the fashion industry.

White Noise - Don DeLillo 2009-12-29

The National Book Award-winning classic from the author of Underworld and Libra, soon to be a major motion picture starring Adam Driver and Greta Gerwig White Noise tells the story of Jack Gladney, his fourth wife,

Babette, and four ultramodern offspring as they navigate the rocky passages of family life to the background babble of brand-name consumerism. When an industrial accident unleashes an "airborne toxic event," a lethal black chemical cloud floats over their lives. The menacing cloud is a more urgent and visible version of the "white noise" engulfing the Gladneys—radio transmissions, sirens, microwaves, ultrasonic appliances, and TV murmurings—pulsing with life, yet suggesting something ominous. For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Born to Run - Christopher McDougall 2011-03-29

NATIONAL BESTSELLER • The astonishing and hugely entertaining story that completely changed the way we run. An epic adventure that began with one simple question: Why does my foot hurt? "Equal parts quest, physiology treatise, and running history.... The climactic race reads like a sprint.... It simply makes you want to run." —Outside Magazine Isolated by Mexico's deadly Copper Canyons, the blissful Tarahumara Indians have honed the ability to run hundreds of miles without rest or injury. In a riveting narrative, award-winning journalist and often-injured runner Christopher McDougall sets out to discover their secrets. In the process, he takes his readers from science labs at Harvard to the sun-baked valleys and freezing peaks across North America, where ever-growing numbers of ultra-runners are pushing their bodies to the limit, and, finally, to a climactic race in the Copper Canyons that pits America's best ultra-runners against the tribe. McDougall's incredible story will not only engage your mind but inspire your body when you realize that you, indeed all of us, were born to run. Look for Born to Run 2, coming in December!

A Manual for Cleaning Women - Lucia Berlin 2015-08-18

"I have always had faith that the best writers will rise to the top, like cream, sooner or later, and will become exactly as well-known as they should be-their work talked about, quoted, taught, performed, filmed, set to music, anthologized. Perhaps, with the present collection, Lucia Berlin will begin to gain the attention she deserves." -Lydia Davis A MANUAL FOR CLEANING WOMEN compiles the best work of the legendary short-story writer Lucia Berlin. With the grit of Raymond Carver, the humor of Grace Paley, and a blend of wit and melancholy all her own, Berlin crafts miracles from the everyday, uncovering moments of grace in the Laundromats and halfway houses of the American Southwest, in the homes of the Bay Area upper class, among switchboard operators and struggling mothers, hitchhikers and bad Christians. Readers will revel in this remarkable collection from a master of the form and wonder how they'd ever overlooked her in the first place.

Atonement - Ian McEwan 2009-03-19

From the Booker Prize winning author of Amsterdam, a brilliant new novel. On the hottest day of the summer of 1935, thirteen-year-old Briony Tallis sees her sister Cecilia strip off her clothes and plunge into the fountain in the garden of their country house. Watching her is Robbie Turner, son of the Tallis's cleaning lady, whose education has been subsidized by Cecilia's and Briony's father, and who, like Cecilia, has recently come down from Cambridge. By day's end, their lives will be changed - irrevocably. Robbie and Cecilia will have crossed a boundary they had not imagined at its start. And Briony will have witnessed mysteries, seen an unspeakable word, and committed a crime for which she will spend the rest of her life trying to atone... Brilliant and utterly enthralling in its depiction of love and war and class and childhood and England, An Atonement is a profound - and profoundly moving - exploration of shame and forgiveness, of atonement and of the possibility of absolution.

Breakfast of Champions - Kurt Vonnegut 2009-09-23

"Marvelous . . . [Vonnegut] wheels out all the complaints about America and makes them seem fresh, funny, outrageous, hateful and lovable."—The New York Times In Breakfast of Champions, one of Kurt Vonnegut's most beloved characters, the aging writer Kilgore Trout, finds to his horror that a Midwest car dealer is taking his fiction as truth. What follows is murderously funny satire, as Vonnegut looks at war, sex, racism, success, politics, and pollution in America and reminds us how to see the truth. "Free-wheeling, wild and great . . . uniquely Vonnegut."—Publishers Weekly

2666 - Roberto Bolaño 2013-07-09

THE POSTHUMOUS MASTERWORK FROM "ONE OF THE GREATEST AND MOST INFLUENTIAL MODERN WRITERS" (JAMES WOOD, THE NEW YORK TIMES BOOK REVIEW) Composed in the last years of Roberto Bolaño's life, 2666 was greeted across Europe and Latin America as his highest achievement, surpassing even his previous work in its strangeness, beauty, and scope. Its throng of unforgettable characters includes academics and convicts, an American sportswriter, an elusive German novelist, and a teenage student and her widowed, mentally unstable father. Their lives intersect in the urban sprawl of SantaTeresa—a fictional Juárez—on the U.S.-Mexico border, where hundreds of young factory workers, in the novel as in life, have disappeared.

The Sky Is Everywhere - Jandy Nelson 2011-03-22

Jandy Nelson's beloved, critically adored debut is now an Apple TV+ and A24 original film starring Jason Segel, Cherry Jones, Grace Kaufman, and Jacques Colimon. "Both a profound meditation on loss and grieving and an exhilarating and very sexy romance." —NPR Adrift after her sister Bailey's sudden death, Lennie finds herself torn between quiet, seductive Toby—Bailey's boyfriend who shares Lennie's grief—and Joe, the new boy in town who bursts with life and musical genius. Each offers Lennie something she desperately needs. One boy helps her remember. The other lets her forget. And she knows if the two of them collide, her whole world will explode. As much a laugh-out-loud celebration of love as a nuanced and poignant portrait of loss, Lennie's struggle to sort her own melody out of the noise around her makes for an always honest, often

uproarious, and absolutely unforgettable read.

Female Masculinity - Judith Halberstam 1998

Masculinity without men. In *Female Masculinity* Judith Halberstam takes aim at the protected status of male masculinity and shows that female masculinity has offered a distinct alternative to it for well over two hundred years. Providing the first full-length study on this subject, Halberstam catalogs the diversity of gender expressions among masculine women from nineteenth-century pre-lesbian practices to contemporary drag king performances. Through detailed textual readings as well as empirical research, Halberstam uncovers a hidden history of female masculinities while arguing for a more nuanced understanding of gender categories that would incorporate rather than pathologize them. She rereads Anne Lister's diaries and Radclyffe Hall's *The Well of Loneliness* as foundational assertions of female masculine identity. She considers the enigma of the stone butch and the politics surrounding butch/femme roles within lesbian communities. She also explores issues of transsexuality among "transgender dykes"--lesbians who pass as men--and female-to-male transsexuals who may find the label of "lesbian" a temporary refuge. Halberstam also tackles such topics as women and boxing, butches in Hollywood and independent cinema, and the phenomenon of male impersonators. *Female Masculinity* signals a new understanding of masculine behaviors and identities, and a new direction in interdisciplinary queer scholarship. Illustrated with nearly forty photographs, including portraits, film stills, and drag king performance shots, this book provides an extensive record of the wide range of female masculinities. And as Halberstam clearly demonstrates, female masculinity is not some bad imitation of virility, but a lively and dramatic staging of hybrid and minority genders.
