Embracing the Stranger in Me: - Kathy Jourdain 2013-07-03

This is an empowering—though at times heartbreaking—work that seeks to encourage others to embrace their inner selves in the face of adversity. It illuminates how we make meaning of our experiences by the stories we tell and how stories of human tragedy can be transformed through the perspective of soul journey with the potential to shift the shape of your life.

The Art of Hosting and Decorating - Lydie J. Stassart 2015-03-20

One way or another, whether at the occasion of a child's birthday party, a weekend at the lake, a luncheon, a neighborhood holiday party, a breakfast gathering, or a lavish soirée, we are all bound to entertain. Entertaining should not be considered a burden; it should be fun and enjoyable. No matter what the local customs are, there is a universal "savoir faire." It is usually around a table that ideas are exchanged, new projects are started, and friendships are made. I want to share with you some guidelines, ideas, and tips I have learned over the years while entertaining on both sides of the Atlantic and to help you acquire those skills, no matter what your entertaining abilities are, to turn a dinner party into a memorable evening for you and your guests. I will also incorporate some designing rules and ideas as far as lighting, furniture placement, colors, and accessories. As a little girl, I remember watching my mother and grandmother set tables, wondering how you could go from a simple wooden table to such an elaborate décor. It was magical, and I was fascinated by the artistry of it all. As I grew up, I spent endless hours leafing through decorating magazines, scrutinizing every detail of interiors. I hope to share my passion and pass down what I have learned to my daughters, granddaughters, and now you.

Hosting Capacity for Smart Power Grids - Ahmed F. Zobaa 2021-05-07

This book brings together several aspects of hosting capacity (HC) assessment and enhancement of modern electrical power systems, HC is a key enabler for affordable, reliable and renewable energy sources, that will aid in transitioning away from traditional high-carbon energy sources. The chapters provide insight into the state of the art on current hosting capacity concepts, restrictive performance limits, distribution network operators and network planners' viewpoints, and the cutting-edge technologies deployed worldwide for hosting capacity enhancement. Written by leading experts in power, control, and renewable energy resources. This book is beneficial to distribution system operators, network planners, distribution generation investors, and researchers in this field. Due to its broad scope, it is an ideal resource for students in advanced graduate-level courses and special topics in the field of hosting capacity assessment and enhancement in modern electrical power systems.

Going Horizontal - Samantha Slade 2018-11-27

Hierarchy in organizations is obsolete. There is a better way: one that increases the engagement of employees and managers alike, reduces micromanaging and other limiting approaches, and promotes organizational and individual success. In this book, self-management expert Samantha Slade presents seven concrete practices to help your organization flatten its existing hierarchy and develop a horizontal organization. The result will be enhanced creativity, greater growth, and a increased employee retention and productivity—and a better bottom line. These days, more than ever, successful organizations must respond quickly and nimbly to change—they need every employee's best thinking. A horizontal organization creates an environment of true collaboration, respect, and openness. It allows everyone more freedom to express unconventional ideas or to work through issues that are getting in the way of organizational goals. And it's a more human way to organize—after all, we function perfectly well in our day-to day lives without someone telling us what to do. But when an organization decides to go horizontal, it can be overwhelming for both managers and employees. Slade offers a practical, proven, incremental method to help

organizations of all kinds and sizes ease in to a non-hierarchical model. She includes techniques for using your organization's purpose to stay focused and aligned, developing shared decision-making, creating a mutual feedback culture, nurturing autonomy, holding co-managed meetings, and maintaining an environment of collective learning. Going Horizontal will help organizations become more adaptive, collaborative and innovative, which is vital in today's highly competitive and constantly-evolving world.

How to Host a Dinner Party - Corey Mintz 2013-05-25

A fun, informative guide to hosting the perfect party every time. "Every dinner party experience I've had in the last ten years at Corey's has been incredible. But practice really does make perfect and I can now honestly say there is nowhere I'd rather be in the world than at his table ... I can't begin to express the relief I felt in reading this book and realizing there was a method to his success." - Sarah Polley, from the introduction We've all been there: twenty minutes before guests arrive, and you're unsure if you've got enough wine, or enough chairs, or whether your friend is a vegetarian or a vegan. Hosting a dinner party is hard, but Corey Mintz can help. For his popular Toronto Star column, "Fed," he has presided over 115 dinner parties, every week opening his home to strangers and friends alike in an effort to perfect the craft of hosting. And in How to Host a Dinner Party, he shares everything he's learned in a hilarious handbook that will appeal to everyone — from those throwing their first dinner party to seasoned entertainers looking to enhance their skills. This book guides readers through everything they need to know about hosting, starting with the golden rule — that the goal of a dinner party is to have fun with our friends, not to show off our cooking skills. It will explain why we like to gather for dinner, when we should host, who we should invite, what we should cook, and how we should cook it. Featuring recipes, anecdotes, expert analysis, and an endless bounty of how-to tips, it is the essential guide to perfecting the art of welcoming people into your home.

The World Café - Juanita Brown 2005-06-05

The World Cafe is a flexible, easy-to-use process for fostering collaborative dialogue, sharing mutual knowledge, and discovering new opportunities for action. Based on living systems thinking, this innovative approach creates dynamic networks of conversation that can catalyze an organization or community's own collective intelligence around its most important questions. Filled with stories of actual Cafe dialogues in business, education, government, and community organizations across the globe, this uniquely crafted book demonstrates how the World Cafe can be adapted to any setting or culture. Examples from such varied organizations as Hewlett-Packard, American Society for Quality, the nation of Singapore, the University of Texas, and many others, demonstrate the process in action. Along with its seven core design principles, The World Cafe offers practical tips for hosting "conversations that matter" in groups of any size- strengthening both personal relationships and people's capacity to shape the future together.

The Purpose and Art of Hosting when People Meet - J. Donald Phillips 1955

Dialogic Organization Development - Gervase R. Bushe 2015-05-26

A Dynamic New Approach to Organizational Change Dialogic Organization Development is a compelling alternative to the classical action research approach to planned change. Organizations are seen as fluid, socially constructed realities that are continuously created through conversations and images. Leaders and consultants can help foster change by encouraging disruptions to taken-for-granted ways of thinking and acting and the use of generative images to stimulate new organizational conversations and narratives. This book offers the first comprehensive introduction to Dialogic Organization Development with chapters by a global team of leading scholar-practitioners addressing both theoretical foundations and specific practices.

Circus Maximus - Andrew Zimbalist 2015-01-13

Athletes compete for national honor in Olympic and World Cup games. But the road to these mega events is paved by big business. We all know who the winners on the field are—but who wins off the field? The numbers are staggering: China spent \$40 billion to host the 2008 Summer Olympic Games in Beijing and Russia spent \$50 billion for the 2014 Sochi Winter Games. Brazil's total expenditures are thought to have been as much as \$20 billion for the World Cup this summer and Qatar, which will be the site of the 2022 World Cup, is estimating that it will spend \$200 billion. How did we get here? And is it worth it? Those are among the questions noted sports economist Andrew Zimbalist answers in *Circus Maximus: The Economic Gamble Behind Hosting the Olympics and the World Cup*. Both the Olympics and the World Cup are touted as major economic boons for the countries that host them, and the competition is fierce to win hosting rights. Developing countries especially see the events as a chance to stand in the world's spotlight. *Circus Maximus* traces the path of the Olympic Games and the World Cup from noble sporting events to exhibits of excess. It exposes the hollowness of the claims made by their private industry boosters and government supporters, all illustrated through a series of case studies ripping open the experiences of Barcelona, Sochi, Rio, and London. Zimbalist finds no net economic gains for the countries that have played host to the Olympics or the World Cup. While the wealthy may profit, those in the middle and lower income brackets do not, and Zimbalist predicts more outbursts of political anger like that seen in Brazil surrounding the 2014 World Cup.

The Change Handbook - Peggy Holman 2009-06-24

This book is about effective change. It describes methods for changing "whole systems," that is, change based on two powerful foundation assumptions: high involvement and a systemic approach to improvement. High involvement means engaging the people in changing their own system. It is systemic because there is a conscious choice to include the people, functions, and ideas that can affect or be affected by the work. Whole system change methods help you initiate high-leverage, sustainable improvements in organizations or communities. "High-leverage" is emphasized because in any improvement effort, we want the highest possible value for the effort invested. We believe that involving people in a systematic way is a key to high leverage and that the methods in this book can provide this leverage for you. You'll need to determine the one(s) best suited to moving your organization or community to the culture you want. We wrote this book to support your efforts. The book is intended to answer questions such as: What methods are available that have proven successful in addressing today's needs for organizational or community change? What are the key distinctions among these methods? How do I know if a method would be a good fit for my organization or community? How do I get started after I select one or more methods? To make a good choice, you'll need some basic information. Rather than provide details of how to do each method, we give you an overview of what's available and some tools to help focus your exploration.

The Art of Happy Moving - Ali Wenzke 2019-05-07

A comprehensive, upbeat guide to help you survive the moving process from start to finish, filled with fresh strategies and checklists for timing and supplies, choosing which items to toss and which to keep, determining the best place to live, saying farewell and looking forward to hello. Moving is a major life change—time consuming, expensive, often overwhelming, and sometimes scary. But it doesn't have to be! Instead of looking at it as a burdensome chore, consider it a new adventure. Ali Wenzke and her husband moved ten times in eleven years, living in seven states across the U.S. She created her popular blog, *The Art of Happy Moving*, to help others build a happier life before, during, and after a move. Infused with her infectious optimistic spirit, *The Art of Happy Moving* builds on her blog, offering step-by-step guidance, much-needed comfort, practical information, and welcome advice on every step of the process, including: How to stage your home for prospective buyers How to choose your next neighborhood How to discard your belongings and organize your packing How to say goodbye to your friends How to make the transition easier for your kids How to decorate your new home How to build a new community And so much more. Ali shares invaluable personal anecdotes from her many moves, and packs each chapter with a wealth of information and ingenious tips (Did you know that if you have an extra-large welcome mat at the entrance of your home, it's more likely to sell?). Ali also includes checklists for packing and staging, and agendas for the big moving day. Whether you're a relocating professional, newly married, a family with kids and pets, or a retiree

looking to downsize, *The Art of Happy Moving* will help you discover ways to help make your transition an easier one—and be even happier than you were before.

The Art of the Visit - Kathy Bertone 2012-05-15

The Art of the Visit is an invaluable resource for the socially minded. During tough economic periods people tend to visit with family and friends for a mini-vacation instead of taking more expensive trips. This practical and humorous guide establishes the ground rules for successfully spending time with those people who are most dear to us. Full of anecdotes from the author's experiences, *The Art of the Visit* illustrates the dos and don'ts of extended visiting from start to finish so that the reader can become the perfect host and/or the perfect guest.

Calling the Circle - Christina Baldwin 2009-10-14

The original small-press edition of *Calling the Circle* has become one of the key resources for the rapidly-growing "circle" movement. This newly revised edition brings Christina Baldwin's groundbreaking work to an even broader audience ranging from women's spirituality groups to corporate development teams. 50,000 years ago, women and men gathered around campfires to decide the key issues in their lives. Today, groups everywhere are discovering a new form of this ancient ritual for communication, mutual support, teamwork, and social change. Now, in a book as consciousness-changing as Riane Eisler's *The Chalice and the Blade* or Peter Senge's *The Fifth Discipline*, Christina Baldwin offers this powerful new tool to everyone who longs for a community based on honesty, equality, and spiritual integrity. In this simple, profound practice, participants sit in a circle, pass a talking piece from person to person, and speak and listen from the heart. Christina Baldwin gives detailed instructions and suggestions for getting started, setting goals, and solving disagreements safely and respectfully. She also offers inspiring examples of circles in action: a women's spirituality group, a father and son in crisis, a PTA group that averts a school strike and a work project team that accesses a new level of creativity and caring.

#VERYFAT #VERYBRAVE - Nicole Byer 2020-06-02

If you've ever seen a fat person post a bikini shot on social media, you already know that they are #verybrave, because apparently existing in a fat body in public is #brave. I, Nicole Byer, wrote this book to 1. share my impressive bikini collection and my hot body with the world and 2. help other people feel #brave by embracing their body as it is. In this book, I share my journey to becoming #brave, give you my hot tips and tricks—on how to find the perfect bikini, how to find your own #bravery, and how to handle haters—and serve you over 100 bikini looks.

The Art of Holding Space - Heather Plett 2020-09-29

"A supportive, practical guide for all those who want to learn the best way of holding space for themselves and others."--Provided by publisher.

I'm Hosting as Fast as I Can! - Tom Bergeron 2009-04-07

For readers of John O'Hurley's *It's Okay to Miss the Bed on the First Jump* and Chelsea Handler's *Are You There, Vodkas? It's Me, Chelsea*, Daytime Emmy-winner Tom Bergeron—host of ABC's *Dancing with the Stars* and America's Funniest Home Videos—offers a series of humorous and inspirational stories on surviving Hollywood, including behind-the-camera stories with A-list celebrities.

Focus Groups - Richard A. Krueger 2000-04-26

I read this book in a single sitting. It is written in an enthusiastic, helpful and clear style that held my attention, and made me want to read what came next. I shall read it again in a single sitting - probably more than once. For it offers common-sense advice about planning and running focus groups which I will want to revisit' - British Journal of Education Technology The Third Edition of the 'standard' for learning how to conduct a focus group contains: a new chapter comparing and contrasting market research, academic, nonprofit and participatory approaches to focus group research; expanded descriptions on how to plan focus group studies and do the analysis, including step-by-step procedures; examples of questions that ask participants to do more than just discuss, and suggestions on how to answer questions about your focus group research.

The Art of Gathering - Priya Parker 2020-04-14

"Hosts of all kinds, this is a must-read!" --Chris Anderson, owner and curator of TED From the host of the New York Times podcast *Together Apart*, an exciting new approach to how we gather that will transform the ways we spend our time together—at home, at work, in our communities, and beyond. In *The Art of Gathering*, Priya Parker argues that the gatherings in our lives are lackluster and unproductive—which they don't have to be. We rely too much on routine and the conventions of gatherings when we should focus on distinctiveness and the people involved. At a time when coming together is more important than ever,

Parker sets forth a human-centered approach to gathering that will help everyone create meaningful, memorable experiences, large and small, for work and for play. Drawing on her expertise as a facilitator of high-powered gatherings around the world, Parker takes us inside events of all kinds to show what works, what doesn't, and why. She investigates a wide array of gatherings--conferences, meetings, a courtroom, a flash-mob party, an Arab-Israeli summer camp--and explains how simple, specific changes can invigorate any group experience. The result is a book that's both journey and guide, full of exciting ideas with real-world applications. The Art of Gathering will forever alter the way you look at your next meeting, industry conference, dinner party, and backyard barbecue--and how you host and attend them.

Wabi-Sabi Welcome - Julie Pointer Adams 2017-06-13

"An antidote to the veneer of perfectionism so often presented by books of its kind, Wabi-Sabi Welcome offers readers license to slow down and host guests with humility, intention, and contentment." —Nathan Williams, founder of Kinfolk Wabi-Sabi Welcome is sharing a pot of tea with friends. It is preparing delicious food to nourish, not to show off. It's keeping a basket of cozy slippers at the door for guests. It is well-worn linens, bouquets of foraged branches, mismatched silverware, and heirloom bowls infused with the spirit of meals served with love. In this lush entertaining manual, author Julie Pointer Adams invites readers into artful, easygoing homes around the world—in Denmark, California, France, Italy, and Japan—and teaches us how to turn the generous act of getting together into the deeper art of being together. In this book, readers will find: unexpected, thoughtful ideas and recipes from around the world; tips for creating an intimate, welcoming environment; guidelines for choosing enduring, natural decor for the home; and inspiring photographs from homes where wabi-sabi is woven into daily living.

Wizard: - Marc Seifer 2011-10-24

"The story of one of the most prolific, independent, and iconoclastic inventors of this century...fascinating."—Scientific American Nikola Tesla (1856-1943), credited as the inspiration for radio, robots, and even radar, has been called the patron saint of modern electricity. Based on original material and previously unavailable documents, this acclaimed book is the definitive biography of the man considered by many to be the founding father of modern electrical technology. Among Tesla's creations were the channeling of alternating current, fluorescent and neon lighting, wireless telegraphy, and the giant turbines that harnessed the power of Niagara Falls. This essential biography is illustrated with sixteen pages of photographs, including the July 20, 1931, Time magazine cover for an issue celebrating the inventor's career. "A deep and comprehensive biography of a great engineer of early electrical science--likely to become the definitive biography. Highly recommended."--American Association for the Advancement of Science "Seifer's vivid, revelatory, exhaustively researched biography rescues pioneer inventor Nikola Tesla from cult status and restores him to his rightful place as a principal architect of the modern age." --Publishers Weekly Starred Review "[Wizard] brings the many complex facets of [Tesla's] personal and technical life together in to a cohesive whole....I highly recommend this biography of a great technologist." --A.A. Mullin, U.S. Army Space and Strategic Defense Command, COMPUTING REVIEWS "[Along with A Beautiful Mind] one of the five best biographies written on the brilliantly disturbed."--WALL STREET JOURNAL "Wizard is a compelling tale presenting a teeming, vivid world of science, technology, culture and human lives."

Welcome Home - Myquillyn Smith 2020-09-15

Decorating your home for each season doesn't have to be stressful, overwhelming, or expensive--just ask The Nester! In Welcome Home, New York Times bestselling author Myquillyn Smith guides you through a minimalist process of creating and enjoying a seasonally decorated home with more style and less stuff. No matter what the world says, embracing the seasons doesn't require endless bins of factory-made decor or loads of time. In fact, your home can be festive, stylish, and cozy with minimal effort and a limited budget. At Home Entertaining - Jorj Morgan 2002

At Home Entertaining is a comprehensive guide to hosting parties with style, panache, confidence, and ease. A menu cookbook and party planner, it offers forty-six complete party plans and more than 250 recipes. Included are parties for two, laid-back gatherings for six, guilt-free parties for eight, or really fussy festivities for a crowd. Each of the parties outlined in this book comes complete with an easy-to-follow party plan that addresses every aspect of hosting a fun-filled event. Included with each party are such topics as party backdrop, party mood, over-the-top suggestions, shortcuts, place settings, and a party organizing countdown. Separate topical chapters such as What Every Host Should Know, "" ""Shaping Your Party,"" and ""How to Partee at Your Party"" give the reader insider tips on how to be a relaxed and self-assured host. With names like ""Fondue for Four on the Floor,"" ""Tapas Time,"" ""Almost a Pig Roast,"" ""Sparkling Spa Teen Sleepover,"" ""Monthly Supper Club,"" ""Sunset Picnic Supper,"" and ""Howling at the Moon Buffet,"" each party is unique, fun, and intriguing. At Home Entertaining offers the same kind of practical information for the busy cook that are characteristic of the author's popular cookbook, At Home in the Kitchen: The Art of Preparing the Foods You Love to Eat, with tips on ingredient substitutions, cooking methods, and food presentation. Web site support, available at Hyperlink ""<http://www.Jorj.com>,"" enhances the book and encourages readers to entertain at home and to share their experiences with family, coworkers, and friends. ""

The Art of War - Sun Tzu 2021-03-18

The Art of War is an enduring classic that holds a special place in the culture and history of East Asia. An ancient Chinese text on the philosophy and politics of warfare and military strategy, the treatise was written in 6th century B.C. by a warrior-philosopher now famous all over the world as Sun Tzu. Sun Tzu's teachings remain as relevant to leaders and strategists today as they were to rulers and military generals in ancient times. Divided into thirteen chapters and written succinctly, The Art of War is a must-read for anybody who works in a competitive environment.

Atomic Habits - James Clear 2018-10-16

The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

Polarity Management - Barry Johnson 1992

University level text. Some complex problems simply do not have "solutions." The key to being an effective leader is being able to recognize and manage such problems. Polarity Management presents a unique model and set of principles that will challenge you to look at situations in new ways. Also included are exercises to strengthen your

skills, and case studies to help you begin applying the model to your own unsolvable problems.

Host and Harvest - Adrienne Gallagher 2020-12-17

Glance into this suburban mom's creative at-home world to feel inspired and reminded of why we truly host. Adrienne showcases her own curated ingredients, photography, and true construction of food art. She also includes simple tips on how to pair textures and colors to create an unforgettable presentation for your guests.

Engaging Emergence - Peggy Holman 2010

What's Possible Now? Change is everywhere these days—at times it seems like barely controlled chaos. Yet within this turmoil are the seeds of a higher order. When a new system arises from the ashes of the old, science calls the process “emergence.” By engaging it, you can help yourself and your organization or community to successfully face disruption and emerge stronger than ever. In this profound, award winning (2011 Nautilus Gold medal winner) book, Peggy Holman offers principles, practices, and real-world stories to help you work with compassion, creativity, and wisdom through the entire arc of change—from disruption to coherence. You'll learn what to notice, what to explore, what to try, and what mindset opens new possibilities. This work can be challenging but also tremendously rewarding. It enables new and unlikely partnerships and develops breakthrough projects. You become part of a process that transforms the culture itself. “Very useful in giving structure and form to ways of dealing with the unpredictable and volatile way the world comes at us. A powerful antidote to the change management illusion that the future can be driven, engineered, managed, and drilled.” —Peter Block, author of Community “A dance manual for how to move gracefully with the disruption, uncertainty, and mystery that are part of life's rhythms, how to welcome interruption and discontinuity as opportunities for creativity, community, and greater capacity.” —Margaret J. Wheatley, author of Leadership and the New Science “Provides practical advice for orchestrating conflict and moving through discomfort to reach a new coherence.” —Ronald Heifetz and Marty Linsky, cofounders of Cambridge Leadership Associates and coauthors of Leadership on the Line and The Practice of Adaptive Leadership

The Art of Hosting - Gerard A. Pollion 2002-08

Whether you're new to the business or you've been a server for years, The Art of Hosting will give you the tools you need to walk, talk and act like a seasoned pro. Filled with insider tips and info, this book will show you in clear, concise and easy-to-understand terms how to be an outstanding server in even the finest restaurants-and get the biggest tips! Includes sections on Table Set-up, Taking Guest Orders, Serving Drinks and Wine, Increasing Your Tips and more.

Public Value and Public Administration - John M. Bryson 2015-08-28
Governments and nonprofits exist to create public value. Yet what does that mean in theory and practice? This new volume brings together key experts in the field to offer unique, wide-ranging answers. From the United States, Europe, and Australia, the contributors focus on the creation, meaning, measurement, and assessment of public value in a world where government, nonprofit organizations, business, and citizens all have roles in the public sphere. In so doing, they demonstrate the intimate link between ideas of public value and public values and the ways scholars theorize and measure them. They also add to ongoing debates over what public value might mean, the nature of the most important public values, and how we can practically apply these values. The collection concludes with an extensive research and practice agenda conceived to further the field and mainstream its ideas. Aimed at scholars, students, and stakeholders ranging from business and government to nonprofits and activist groups, Public Value and Public Administration is an essential blueprint for those interested in creating public value to advance the common good.

The Circle Way - Christina Baldwin 2010-03

Meetings in the round have become the preferred tool for moving individual commitment into group action. This book lays out the structure of circle conversation, based on the original work of the authors who have standardized the essential elements that constitute circle practice.

The Art of Convening - Craig Neal 2011-02-07

“Meetings are a waste of time” is a sentiment many of us share, which is tragic because meetings bring us together as human beings. To achieve the kind of meaning or breakthrough results most of us really yearn for when we gather, the key quality needed is authentic engagement: a genuine expression of what is true for us, and an attentive listening to what is true for others. Why it so often eludes us can be a matter of

habit, distrust, lack of attention, or fear. As cofounders of Heartland Inc., Craig and Patricia Neal have led over 170 of their acclaimed Thought Leader Gatherings with leaders from over 800 diverse organizations. Their new book shares for the first time the unique and powerful Art of Convening model—developed in these gatherings and refined over six years of intensive trainings—which brings authentic engagement and meaning to any group that comes together for any purpose. Convening goes beyond facilitating. Convening creates an environment in which all voices are heard, profound exchanges take place, and transformative action results. The heart of this book is the Convening Wheel—a series of nine steps, or aspects, that bring the practices and principles needed for authentic engagement together as a whole. The book provides exercises, stories, and questions to help you master both the inner and outer dimensions of this work—because in convening, the state of the convener is equally as important as the physical preparations. Convening works in any setting and can be adapted to virtually any group process. With this book you have all the tools you need to develop this essential life and

leadership skill, one that will lead to improved outcomes in your organization, community, family, and relationships.
