Kaleidoscope India: The India Quiz Book -
Shayama Chona 2010-08

A Sizeable Set Of Question, Covering Various Facets Of India Is Heritage In A Variety Of Question Formats. Both The Authors Are Accomplished Quizzers On The School Circuit. The Hindus - Wendy Doniger 2010-09-30
An engrossing and definitive narrative account of history and myth that offers a new way of understanding one of the world's oldest major religions, *The Hindus* elucidates the relationship between recorded history and imaginary worlds. Hinduism does not lend itself easily to a strictly chronological account: many of its central texts cannot be reliably dated even within a century; its central tenets karma, dharma, to name just two arise at particular moments in Indian history and differ in each era, between genders, and caste to caste; and what is shared among Hindus is overwhelmingly outnumbered by the things that are unique to one group or another. Yet the greatness of Hinduism - its vitality, its earthiness, its vividness - lies precisely in many of those idiosyncratic qualities that continue to inspire debate today. Wendy Doniger is one of the foremost scholars of Hinduism in the world. With her inimitable insight and expertise Doniger illuminates those moments within the

tradition that resist forces that would standardize or establish a canon. Without reversing or misrepresenting the historical hierarchies, she reveals how Sanskrit and vernacular sources are rich in knowledge of and compassion toward women and lower castes; how they debate tensions surrounding religion, violence, and tolerance; and how animals are the key to important shifts in attitudes toward different social classes. *The Hindus* brings a fascinating multiplicity of actors and stories to the stage to show how brilliant and creative thinkers - many of them far removed from Brahmin authors of Sanskrit texts - have kept Hinduism alive in ways that other scholars have not fully explored. In this unique and authoritative account, debates about Hindu traditions become platforms from which to consider the ironies, and overlooked epiphanies, of history.

The Great Indian Novel - Shashi Tharoor
2011-09-01

In this award-winning novel, Tharoor has masterfully recast the two-thousand-year-old epic, *The Mahabharata*, with fictional but highly recognizable events and characters from twentieth-century Indian politics. Nothing is sacred in this deliciously irreverent, witty, and deeply intelligent retelling of modern Indian history and the ancient Indian epic *The Mahabharata*. Alternately outrageous and

instructive, hilarious and moving, it is a dazzling tapestry of prose and verse that satirically, but also poignantly, chronicles the struggle for Indian freedom and independence.

Religious Literacy - Stephen Prothero 2009-10-13

The United States is one of the most religious places on earth, but it is also a nation of shocking religious illiteracy. Only 10 percent of American teenagers can name all five major world religions and 15 percent cannot name any.

Nearly two-thirds of Americans believe that the Bible holds the answers to all or most of life's basic questions, yet only half of American adults can name even one of the four gospels and most Americans cannot name the first book of the Bible. Despite this lack of basic knowledge, politicians and pundits continue to root public policy arguments in religious rhetoric whose meanings are missed—or misinterpreted—by the vast majority of Americans. "We have a major civic problem on our hands," says religion scholar Stephen Prothero. He makes the provocative case that to remedy this problem, we should return to teaching religion in the public schools. Alongside "reading, writing, and arithmetic," religion ought to become the "Fourth R" of American education. Many believe that America's descent into religious illiteracy was the doing of activist judges and secularists hell-bent on banishing religion from the public square. Prothero reveals that this is a profound misunderstanding. "In one of the great ironies of American religious history," Prothero writes, "it was the nation's most fervent people of faith who steered us down the road to religious illiteracy. Just how that happened is one of the stories this book has to tell." Prothero avoids the trap of religious relativism by addressing both the core tenets of the world's major religions and the real differences among them. Complete with a dictionary of the key beliefs, characters, and stories of Christianity, Islam, and other religions, *Religious Literacy* reveals what every American needs to know in order to confront the domestic and foreign challenges facing this country today.

Religion Matters - Prothero, Stephen 2020-07-01

A religion is a system of stories, and there is no better way to engage with the world's religions than through the stories that animate their beliefs and practices. Through the exploration of

these ancient stories and contemporary practices, Stephen Prothero, a New York Times bestselling author and gifted storyteller, helps students better grasp the role of religion in our fractured world and to develop greater religious literacy. Videos and an award-winning adaptive learning tool, InQuizitive, further engage students and help them master core objectives and develop their own religious literacy.

Indian National Bibliography - 2011-07

Quiz Time History - Editorial Board 2012-04-01

Quiz Time History is an exhaustive book including interesting and Brain-teasing questions and answers on almost all the phases of our glorious past. This quiz book consists of three main parts: Part-I, dealing with the Early and Medieval Indian History; Part-2, on the facts and figures of Modern Indian History and the Contemporary World and Part-3, containing General Questions on World History. All the questions have been accompanied by answers to educate and enlighten the readers, students of all ages in general and the aspirants of Civil Services Examinations in particular. The Civil Services Examinations as we all know begins with the Civil Services Aptitude Test (CSAT). The CSAT is the new Recruitment Process of Civil Services Exams conducted by the UPSC (Union Public Service Commission). The CSAT has been brought into effect from the Civil Services Examination, 2011. This will not only enable the Government of India to choose civil servants with the right aptitudes, but also end the use of scaling system for varying subjects that has been a matter of concern for many. However, no changes have been introduced in the Civil Services (Main) Examination and the Personality Test in the scheme of Civil Services Examination (CSE). This book contains all the vital historical facts and figures which can be useful for students appearing for the above mentioned competitive examinations. So friends, grab the book immediately and test your historical skills by solving these 1100 questions based on the various phases of Indian and World History!

Parva - Santesivara L. Bhairappa 1994
It Is A Transformation Of An Ancient Legend Into A Modern Novel. In This Process, It Has Gained Rational Credibility And A Human Perspective. The Main Incident, The Bharata War, Symbolic Of The Birthpangs Of A New World-Order, Depicts A Heroic But Vain Effort To Arrest The Disintegration And Continue The Prevailing Order. It Is Viewed From The Stand Points Of The Partisan Participants And Judged With Reference To The Objective Understanding Of Krishna. Narration, Dialogue, Monologue And Comment All Are Employed For Its Presentation. Shot Through With Irony, Pity And

Understanding Objectivity, The Novel Ends With The True Tragic Vision Of Faith In Life And Hope For Mankind.

The Pregnant King - Devdutt Pattanaik
2014-07-11

'I am not sure that I am a man,' said Yuvanashva. 'I have created life outside me as men do. But I have also created life inside me, as women do. What does that make me? Will a body such as mine fetter or free me?' Among the many hundreds of characters who inhabit the Mahabharata, perhaps the world's greatest epic and certainly one of the oldest, is Yuvanashva, a childless king, who accidentally drinks a magic potion meant to make his queens pregnant and gives birth to a son. This extraordinary novel is his story. It is also the story of his mother Shilavati, who cannot be king because she is a woman; of young Somvat, who surrenders his genitals to become a wife; of Shikhandi, a daughter brought up as a son, who fathers a child with a borrowed penis; of Arjuna, the great warrior with many wives, who is forced to masquerade as a woman after being castrated by a nymph; of Ileshwara, a god on full-moon days and a goddess on new-moon nights; and of Adi-natha, the teacher of teachers, worshipped as a hermit by some and as an enchantress by others. Building on Hinduism's rich and complex mythology—but driven by a very contemporary sensibility—Devdutt Pattanaik creates a lush and fecund work of fiction in which the lines are continually blurred between men and women, sons and daughters, husbands and wives, fathers and mothers. Confronted with such fluidity the reader is drawn into Yuvanashva's struggle to be fair to all—those here, those there and all those in between.

Things Fall Apart - Chinua Achebe 2008
'Things Fall Apart' tells the story of Okonkwo, an important man in the Igbo tribe in the days when white men were first on the scene. Okonkwo becomes exiled from his tribe, as a result of his pride and his fears, with tragic consequences.

Mahabharata Quiz Book - Rajendra Pratap Singh 2009-01-01
Mahabharata has been called the Pancharama Veda. The epic describes the story of Aryavrata or India's entire history. It has been inspiring the life of the people of our country by the depiction of ideal male and female characters in it.

Although the number of people who know a little about the Mahabharata runs into millions, yet a lot about it remains unknown. To read, understand and absorb a voluminous epic like Mahabharata is tedious and time consuming. Mahabharata is like an ocean, the deeper you go the more you discover. It is an immeasurable treasure trove of knowledge. There is well researched information about nearly 200 characters. 'What was the name', 'Interesting information', 'How they got their names', 'An ocean of relationships', 'Boons and curses', 'Fate', 'Numbers' are some of the prominent chapters which make up the total of fourteen chapters making this book a virtual dictionary about the Mahabharata. This book is not only important for the common man but also for writers, scholars, editors, researchers, teachers and students.

contest, Quiz and knowledge testing features are covered every month in this magazine.

Tragic Views of the Human Condition - Lourens Minnema 2013-06-06

Can tragic views of the human condition as known to Westerners through Greek and Shakespearean tragedy be identified outside European culture, in the Indian culture of Hindu epic drama? In what respects can the Mahabharata epic's and the Bhagavadgita's views of the human condition be called 'tragic' in the Greek and Shakespearean senses of the word? Tragic views of the human condition are primarily embedded in stories. Only afterwards are these views expounded in theories of tragedy and in philosophical anthropologies. Minnema identifies these embedded views of human nature by discussing the ways in which tragic stories raise a variety of anthropological issues- issues such as coping with evil, suffering, war, death, values, power, sacrifice, ritual, communication, gender, honour, injustice, knowledge, fate, freedom. Each chapter represents one cluster of tragic issues that are explored in terms of their particular (Greek, English, Indian) settings before being compared cross-culturally. In the end, the underlying question is: are Indian views of the human condition very different from Western views?
