*Dar Es Salaam by Night* - Ben R. Mtobwa 1999

Kiswahili, Msingi Wa Kusema Kusoma Na Kuandika - Thomas J. Hinnebusch 1998

This is a comprehensive manual intended to

teach students the basics of communicating in Swahili at an elementary level. It is designed to teach major communicative skills such as speaking, listening, reading, and writing. Moreover, the text strives to impart fundamental

knowledge about East African and Swahili culture.

The Moral World of the Qur'an - M.A. Draz 2008

This book analyzes for the first time in English the ethical theory that underpins Qur'anic legislation by providing a classification of specific verses in which Islam's holy book discusses moral issues. The principal purpose of this book is to demonstrate the ways in which the Qur'an theoretically and practically provides the moral code to which Muslims around the world adhere. The author divides his analysis into a survey of Qur'anic attitudes towards the basic ethical issues of obligation and responsibility, issues of moral psychology such as motivation and intention, as well as matters of social ethics such as the function of law in society. He then explores the meanings of individual morality, morality within the family and civil society, and the relationship of morality to the idea of the state.

**The Good Enough Teen** - Brad E. Sachs

2005-01-04

Respected psychologist Dr. Brad Sachs helps parents to recognize their unrealistic expectations for their teenagers and to love, accept and nurture the family they have to its full potential. His approach frees them to discover acceptance of themselves and of their children. The ages twelve to eighteen are often the most challenging and trying years for adolescents--and their parents. No other phase of life is characterized by so much physical and psychological change happening so quickly. And frequently the child parents had loved and understood becomes a teenager they hardly recognize--the child who loved music grows into a teen who wants to play video games rather than the piano; or the little girl who loved dolls becomes a teen who loves staying out with her older, rebellious boyfriend. *The Good Enough Teen*, however, shows you how to see your child's evolution as a window of opportunity--for you, for your child, and for your entire family.

Rather than having you brace for your offspring's adolescence with your eyes shut and your jaw clenched, this book will help you to understand the invisible transformation teens are experiencing, as well as the ways in which your own adolescence intimately influences this understanding. You will find yourself better able to see even your child's most exasperating behaviours as steps in his or her striving towards maturity, rather than chronic problems or mean-spirited efforts designed to make you miserable. The Good Enough Teen presents a developmental overview of what parents can expect from their children during adolescence, then delineates the five stages in the journey towards accepting a child for who he or she is. With prescriptive tools and strategies for parents, including checklists, quizzes, and exercises, and numerous case studies from the author's own practice, The Good Enough Teen is vital help for any parent with a teenager.

Inside Secret Societies - Michael Benson 2005

Secret Societies lifts the lid on some of the most notorious and clandestine organisations in the world. From frat boy handshakes to the 47th level of Freemasonry, this entertaining and hugely informative guide tells all. Even the most sceptical of readers will agree that secret societies are more important than just passwords, secret handshakes and silly ceremonies. Often they control business and politics. The book includes 150-200 entries, each detailing a secret society. There is also an extensive bibliography and glossary included.

*Claim No Easy Victories* - Firoze Manji 2013-10

'In this unique collection of essays contemporary thinkers from across Africa and internationally commemorate the anniversary of Amilcar Cabral's assassination. They reflect on the legacy of this extraordinary individual and his relevance to contemporary struggles for self-determination and emancipation.'--bookcover.

The Media History of Tanzania - Martin Sturmer 1998

*Steps to Personal Revival* - Helmut HAUBEIL  
2020-03-17

On August 14, 2011, when I was in Kandergrund in the Bernese Highlands in Switzerland an important connection became very clear to me. I recognized a spiritual cause for why we are losing part of our youth. I was very shocked. I thought of my children and grandchildren. Since then I have been intensively occupied with this subject. Now I believe that the same spiritual cause is behind many of our problems; specifically the personal problems, in the local churches and the world-wide church. It is the lack of the Holy Spirit. If this is the cause, then we should urgently address this issue. If the cause can be eliminated or considerably reduced, then many problems will become superfluous or will be resolved.

**Islam and the Secular State** - Abdullahi Ahmed An-Na'im Na 2009-06-30

What should be the place of Shari'a - Islamic religious law - in predominantly Muslim societies

of the world? In this book, a Muslim scholar and human rights activist envisions a positive and sustainable role for Shari'a, based on a profound rethinking of the relationship between religion and the secular state in all societies.

**Swahili-English Dictionary** - Arthur Cornwallis Madan 1903

*The Case for Marriage* - Linda Waite 2002-03-05

A groundbreaking look at marriage, one of the most basic and universal of all human institutions, which reveals the emotional, physical, economic, and sexual benefits that marriage brings to individuals and society as a whole. The Case for Marriage is a critically important intervention in the national debate about the future of family. Based on the authoritative research of family sociologist Linda J. Waite, journalist Maggie Gallagher, and a number of other scholars, this book's findings dramatically contradict the anti-marriage myths that have become the common sense of most

Americans. Today a broad consensus holds that marriage is a bad deal for women, that divorce is better for children when parents are unhappy, and that marriage is essentially a private choice, not a public institution. Waite and Gallagher flatly contradict these assumptions, arguing instead that by a broad range of indices, marriage is actually better for you than being single or divorced- physically, materially, and spiritually. They contend that married people live longer, have better health, earn more money, accumulate more wealth, feel more fulfillment in their lives, enjoy more satisfying sexual relationships, and have happier and more successful children than those who remain single, cohabit, or get divorced. The Case for Marriage combines clearheaded analysis, penetrating cultural criticism, and practical advice for strengthening the institution of marriage, and provides clear, essential guidelines for reestablishing marriage as the foundation for a healthy and happy society. "A

compelling defense of a sacred union. The Case for Marriage is well written and well argued, empirically rigorous and learned, practical and commonsensical." -- William J. Bennett, author of The Book of Virtues "Makes the absolutely critical point that marriage has been misrepresented and misunderstood." -- The Wall Street Journal [www.broadwaybooks.com](http://www.broadwaybooks.com)

**I, Migrant** - Sami Shah 2014-08-01

Despite nearly being killed by a kangaroo and almost lynched and run out of town after his comedy was taken far too seriously, Sami Shah is very happy to be living in Australia. He has fronted his own satirical show on TV in Karachi, worked as a journalist and been a highly regarded newspaper columnist - all dangerous occupations to be involved in - when the combination of seeing the aftermaths of a devastating bomb attack and being the target of death threats convinced him to leave Pakistan. Under the terms of their Australian migration visa, Sami and his wife and young daughter were

obliged to settle in a rural area, and so they moved to Northam in Western Australia. Now Sami is battling a crippling addiction to meat pies, but at least is no longer constantly mistaken for an escaped asylum seeker from the nearby detention centre. He has also been the star of Australian Story, the subject of an article in The New York Times, and has performed countless comedy shows to ever-growing and appreciative audiences. I, Migrant tells the hilarious and moving story of what it's like to leave the home you love to start a new life in another country so your child can be safe and grow up with a limitless future. Australia is lucky to have Sami Shah. Read I, Migrant, and laugh till you cry.

**Swahili Poetry** - Lyndon Harries 1962

*Essays on the Anatomy of Expression in Painting*

- Sir Charles Bell 1806

First edition of Bell's (1774-1842) important study of the anatomy and physiology of facial

expression. The expressions, attitudes, and movements of the human body had always interested scientists as well as artists, but never before had they been treated with such depth and conciseness. The work reflects Bell's brilliance as both artist and anatomist, and inspired Darwin's own *Expression of the Emotions* (1872), which he described Bell as one of the founders of the subject as a branch of science. Reynolds, 404, Wellcome, II, p.135, B & L Rootenberg, 1987

[Africans and Americans: Embracing Cultural Differences](#) - Joseph Mbele 2005

This book discusses differences between African and American culture, to help prevent cultural miscommunications which might poison or ruin relationships between Africans and Americans. I am lucky to have lived in both Africa and America, and I feel privileged and obliged to share my views and experiences with others.

**Trap Kitchen** - Malachi Jenkins 2017-12-12  
"Jenkins and Smith, who once belonged to rival L.A. gangs, became friends and started a catering business marketed solely on Instagram. Media outlets took notice, as did Snoop Dogg and Martha Stewart, paving the way for their debut cookbook" - Publishers Weekly  
When two former members of Los Angeles' most nefarious rival gangs decided to unite under one oven, they had no idea that they would be creating an empire. Trap Kitchen is more than just a cookbook. It's a glimpse into the meals that have now become famous in the LA streets thanks to the series of pop-up restaurants that continue to bloom throughout the area. Celebrities and residents alike flock to the locations for soulful meals, but it's more than that. Having lost friends and family to violence, we learn how the masterminds behind Trap Kitchen sought to change the paths they were on, using cooking as their driving force. While other cookbooks may

boast a level of urban-skewed appeal in their realness, this cookbook also delves into the stories of why they became involved in cooking in the first place. It's both a heartfelt and stomach-filling experience to learn how two men changed their stars by seeking out peace and good food for themselves and their community.

**Introduction to Social Macrodynamics** - A. V. Korotaev 2006

*Kill Bin Laden* - Dalton Fury 2009-09-15

The mission was to kill the most wanted man in the world--an operation of such magnitude that it couldn't be handled by just any military or intelligence force. The best America had to offer was needed. As such, the task was handed to roughly forty members of America's supersecret counterterrorist unit formerly known as 1st Special Forces Operational Detachment-Delta; more popularly, the elite and mysterious unit Delta Force. The American generals were flexible. A swatch of hair, a drop of blood, or

simply a severed finger wrapped in plastic would be sufficient. Delta's orders were to go into harm's way and prove to the world bin Laden had been terminated. These Delta warriors had help: a dozen of the British Queen's elite commandos, another dozen or so Army Green Berets, and six intelligence operatives from the CIA who laid the groundwork by providing cash, guns, bullets, intelligence, and interrogation skills to this clandestine military force. Together, this team waged modern siege of epic proportions against bin Laden and his seemingly impenetrable cave sanctuary burrowed deep inside the Spin Ghar Mountain range in eastern Afghanistan. Over the years, since the battle ended, scores of news stories have surfaced offering tidbits of information about what actually happened in Tora Bora. Most of it is conjecture and speculation. This is the real story of the operation, the first eyewitness account of the Battle of Tora Bora, and the first book to detail just how close Delta Force came to

capturing bin Laden, how close U.S. bombers and fighter aircraft came to killing him, and exactly why he slipped through our fingers. Lastly, this is an extremely rare inside look at the shadowy world of Delta Force and a detailed account of these warriors in battle.

*Beyond Memory* - Max Mojapelo 2008

"South Africa possesses one of the richest popular music traditions in the world - from marabi to mbaqanga, from boeremusiek to bubblegum, from kwela to kwaito. Yet the risk that future generations of South Africans will not know their musical roots is very real. Of all the recordings made here since the 1930s, thousands have been lost for ever, for the powers-that-be never deemed them worthy of preservation. If one peruses the books that exist on South African popular music, one still finds that their authors have on occasion jumped to conclusions that were not as foregone as they had assumed. Yet the fault lies not with them, rather in the fact that there has been precious

little documentation in South Africa of who played what, or who recorded what, with whom, and when. This is true of all music-making in this country, though it is most striking in the music of the black communities. Beyond memory: recording the history, moments and memories of South African music is an invaluable publication because it offers a first-hand account of the South African music scene of the past decades from the pen of Max Thamagana Mojapelo, who was situated in the very thick of things, thanks to his job as a DJ at the South African Broadcasting Corporation. This book - astonishing for the breadth of its coverage - is based on his diaries, on interviews he conducted and on numerous other sources, and we find in it not only the well-known names of recent South African music but a countless host of others whose contribution must be recorded if we and future generations are to gain an accurate picture of South African music history of the late 20th and early 21st centuries"--Publisher's

description.

A Decade of Tanzania - Kurt Hirschler  
2019-07-01

This chronology for 2005 to 2017 compiles the chapters on Tanzania previously published in the Africa Yearbook. Politics, Economy and Society South of the Sahara.

JK - Julius Edo Nyang'oro 2010

The first comprehensive study of Jakaya Mrisho Kikwete, the President of the United Republic of Tanzania, who took office in 2005. Julius Nyang'oro offers an insightful analysis of President Kikwete's beginnings as a party functionary and analyses his rise to the highest political office in the country. In his analysis of Kikwete as a politician, Nyang'oro manages to weave a compelling narrative on the relationship between Kikwete's political evolution and the contemporary history of Tanzania since independence.

The Dynamics of Law - Michael S. Hamilton  
2008-01-24

Thoroughly revised and updated, this widely used text offers a concise introduction to the American legal system for students without a legal background. The book's coverage is cross-disciplinary, informed by the literature of law, business administration and the social sciences, especially public administration and policy. Its goal is to give non-lawyers in all these areas a lucid overview of the workings of the American legal system as it may affect individuals and organizations in their interactions with each other and the environment. Unlike longer, more expensive competing works, *The Dynamics of Law* presents its subject with clarity and precision, and minimal use of legal terms. It offers clear explanations of how to brief a case and how statutes and regulations are codified in the United States. Study problems and review questions in each chapter, drawn from legal literature as well as general interest articles and books, are designed to stimulate classroom discussion.

## **Transcendental Magic** - Éliphas Lévi 1923

*Chickens in the Bus* - Joseph Mbele 2021-08-26  
"Chickens in the Bus" is a sequel to my popular book, "Africans and Americans: Embracing Cultural Differences." The latter, widely read and also featured in college and university programs from the USA to China, led readers and me to think about a sequel. With additional insights into issues raised in "Africans and Americans," "Chickens in the Bus" addresses new topics, such as child raising and the cultural dimension of business between Africans and Americans.

Parent-Child Relations - Hisham Altalib 2013  
This easy-to-read, comprehensive guide contains what you need to know on how to parent with confidence. Packed with advice and powerful tips, using the latest research on child development and parenting techniques, it offers a mine of information on how to let children flourish, take the frustration out of parenting

and develop happy family relations. Authors provide guidance on developing character, knowledge, values, and skills, as well as a faith-based outlook in children, benefitting parents with kids of all ages. The many strategies and techniques offered include: teaching children how to problem-solve, make decisions, and develop self-esteem. Raising God conscious, moral, successful children, with a sense of civic responsibility in today's world is not easy. It is also not impossible. Effective parenting is the key.

Oginga Odinga - Ajuma Oginga Odinga 1992

*Kamusi Ya Kiingereza-Kiswahili* - Institute of Kiswahili Research 1996

This massive authoritative Swahili dictionary, is the most definitive and comprehensive in existence. It has taken a team of lexicographers and academics fourteen years to prepare, with the support of the Institute of Kiswahili Research in Dar es Salaam. The last comparable edition

was in 1939, and was primarily intended to help the user to comprehend English texts. The dictionary records new words and meanings of words which the language has acquired since 1939; and provides lexicographical information needed by current dictionary users. There are more than 50,000 entries, with an attempt to give every English word an equivalent in Swahili, or otherwise a phrase; and the vocabulary covers both general and specialized language. Guidance is provided on use and connotation, word formation and syntax, and derivatives and compounds of a headword are explicitly shown in each entry. The full information and arrangement given for each entry is: headword, homographs, wordclass, alternative spelling of a headword, cross-reference, gloss, definition, subject label, usage label, regional label, senses separated by numbers, illustrative examples, compounds, derivatives, and adjectival complementation.

**African Oral Literature** - Isidore Okpewho

1992

"... its pages come alive with wonderful illustrative material coupled with sensitive and insightful commentary." —Reviews in Anthropology "... the scope, breadth, and lucidity of this excellent study confirm that Okpewho is undoubtedly the most important authority writing on African oral literature right now..." —Research in African Literatures "Truly a tour de force of individual scholarship..." —World Literature Today "... excellent..." —African Affairs "... a thorough synthesis of the main issues of oral literature criticism, as well as a grounding in experienced fieldwork, a wide-ranging theoretical base, and a clarity of argument rare among academics." —Multicultural Review "This is a breathtakingly ambitious project..." —Harold Scheub "... a definitive accounting of the evidence of living oral traditions in Africa today. Professor Okpewho's authority as an expert in this important new field is unrivaled." —Gregory

Nagy "Isidore Okpewho's African Oral Literature is a marvelous piece of scholarship and wide-ranging research. It presents the most comprehensive survey of the field of oral literature in Africa." —Emmanuel Obiechina "... a tour de force of scholarship in which Okpewho casts his net across the African continent, searching for its verbal forms through voluminous recent writings and presents African oral literature in a new voice, proclaiming the literariness of African folklore." —Dan Ben-Amos "This is an outstanding book by a scholar whose work has already influenced how African literature should be conceived.... Professor Okpewho is a scholar with a special talent to nurture scholarship in others. After this work, African literature will never be the same." —Mazisi Kunene Isidore Okpewho, for many years Professor of English at the University of Ibadan, is one of the handful of African scholars who has facilitated the growth of African oral literature to its status today as a literary

enterprise concerned with the artistic foundations of human culture. This comprehensive critical work firmly establishes oral literature as a landmark of high artistic achievement and situates it within the broader framework of contemporary African culture.

**Walter Rodney** - Karim F Hirji 2017-01

Hirji makes a case that Rodney's seminal work retains its value for understanding where Africa has come from, where it is going, and charting the path towards genuine development for its people. It is a succinct, coherent defence of an intellectual giant who lived and died for humanity, an essential read for anyone interested in Africa.

*Death at the Well* - Kithaka wa Mberia 2011

Matengo Folktales - 1999

This book presents English translations of 10 folktales from Southern Tanzania, which the author recorded in the mid-1970's. Also, an essay on the folktale in general, and a

commentary on each story.

**Takadini** - Ben Josiah Hanson 2000

**The Threat of Liberation** - Amrit Wilson  
2013-09-24

The Threat of Liberation focuses on the tumultuous years of the Cold War, when, in a striking parallel with today, imperialist powers were seeking to institute 'regime change' and install pliant governments. Using iconic photographs, declassified US and British documents, and in-depth interviews, Amrit Wilson examines the role of the Umma Party of Zanzibar and its leader, the visionary Marxist revolutionary, Abdulrahman Mohamed Babu. Drawing parallels between US paranoia about Chinese Communist influence in the 1960s with contemporary fears about Chinese influence, it looks at the new race for Africa's resources, the creation of AFRICOM and how East African politicians have bolstered US control. The book also draws on US cables released by Wikileaks

showing Zanzibar's role in the 'War on Terror' in Eastern Africa today. The Threat of Liberation reflects on the history of a party which confronted imperialism and built unity across ethnic divisions, and considers the relevance of such strategies today.

**Making Space** - Matrix (Organization) 1984

*Biubwa Amour Zahor Mwanamke*

*Mwanamapinduzi* - Zuhura Yunus 2021-11

*Biubwa Amour Zahor: Mwanamke*

*Mwanamapinduzi* ni kitabu cha kipekee kabisa katika historia ya ushiriki wa wanawake kwenye harakati za Waafrika kijitawala, siyo kwa Zanzibar tu, bali kwa Tanzania nzima na Afrika

kwa ujumla. Ushiriki wa Biubwa katika Mapinduzi ya Zanzibar haukulenga kupata cheo wala sifa, bali kutoa mchango wake muhimu katika kuwezesha Mapinduzi, jambo ambalo ni nadra sana katika siasa. Biubwa ametoa mfano wa uwanamapinduzi unaotakiwa kuigwa na wengi, hasa vijana wa jinsia zote wanaopenda nchi yao, ili kuhakikisha kuwa nchi yetu na Afrika yetu inasonga mbele.

*Swahili Language Handbook* - Edgar C. Polomé 1967

**Kamusi Ya Tashbihi, Vitendawili, Milio Na Mishangao** - K. W. Wamitila 2004
