Ally, en talentfull seiler, skal til å konkurrere i et av verdens mest utfordrende yachtrace når hun får nyheten om adoptivfarens plutselige og mystiske død. Hun skynder seg tilbake for å møte sine fem søstre i deres slott ved Genfersjøen. Hun er også, i all hemmelighet, involvert i et lidenskapelig kjærlighetsforhold. I kjølvannet av de opprivende hendelsene som følger, reiser Ally ut på havet for å forfølge sporene hennes far la igjen i Norge. Omtalen er utarbeidet av BS.

Nudity - Ruth Barcan 2004-06-17

We alternately think of nudity as a perversion and a state of innocence. Why is our response so contradictory and why is nudity treated so

differently in different contexts? Drawing on popular culture, literature, philosophy, religion, and firsthand interviews in order to answer these questions, Barcan encounters morticians, nudists, strippers, nurses, tattooists, artists and pornographers. Shining a light on a topic that has been largely ignored despite its ability to titillate, shock and entertain, Nudity is a fascinating blend of meaningful minutiae and big philosophical questions about this most unnatural state of nature.

Cartea vinurilor romanesti (The Wine Book of Romania) - Marinela V. Ardelean 2018-11-27

„Nu pot decât să-i fiu recunoscător dnei Marinela V. Ardelean pentru efortul său, mereu reiterat, de a face cunoscut profilul românesc al oenologiei europene. Cititorul, localnic sau străin, află tot ce nu știa, sau știa vag, despre un patrimoniu care își merită locul printre valorile protejate ale civilizației noastre. Inventarul e amplu și alcătuit cu acribie, autoarea are toate calitățile unui comunicator eficient: expertiză (globală și circumstanțială), hărnicie inteligentă, profesionalitate pragmatică, farmec personal. Mai în glumă, mai în serios, ea reușește, prin acest volum, ceea ce nu reușește istoria contemporană: unificarea spațiului românesc, consemnarea continuității dintre spațiul de dincoace de Prut și cel al Republicii Moldova. Avem ce bea, avem ce citi, avem ce visa. Un cuvânt de laudă și pentru ținuta grafică a cărții: avem și ce privi! Lectură plăcută! Noroc!“ - Andrei Pleșu „I can only thank Mrs Marinela V.

Ardelean for her effort, always reiterated, to make the Romanian profile of European oenology known. The reader, local or foreign, finds out everything he did not know, or he barely knew, about a patrimony that deserves its place among the protected values of our civilization. The inventory is extensive and rigorous, the author has all the qualities of an efficient communicator: expertize (global and circumstantial), intelligent workmanship, pragmatic professionalism, personal charm. As a joke, but not really, she succeeds, through this volume, where contemporary history fails: the unification of the Romanian space, marking the continuity of the space between this side of the Prut and the Republic of Moldova. We have what to drink, we have what to read, we have what to dream of. A word of praise for the graphic outfit of the book too: we also

have what to look at! Enjoy your reading! Cheers!“ - Andrei Pleșu

Shantaram - Gregory David Roberts 2004-10-13

Based on his own extraordinary life, Gregory David Roberts' Shantaram is a mesmerizing novel about a man on the run who becomes entangled within the underworld of contemporary Bombay—the basis for the Apple + TV series starring Charlie Hunnam. "It took me a long time and most of the world to learn what I know about love and fate and the choices we make, but the heart of it came to me in an instant, while I was chained to a wall and being tortured." An escaped convict with a false passport, Lin flees maximum security prison in Australia for the teeming streets of Bombay, where he can disappear. Accompanied by his guide and faithful friend, Prabaker, the two enter the city's hidden society of beggars and gangsters, prostitutes and holy men, soldiers and actors, and Indians and exiles from other countries, who seek in this remarkable place what they cannot find elsewhere. As a hunted man without a home, family, or identity, Lin searches for love and meaning while running a clinic in one of the city's poorest slums, and serving his apprenticeship in the dark arts of the Bombay mafia. The search leads him to war, prison torture, murder, and a series of enigmatic and bloody betrayals. The keys to

unlock the mysteries and intrigues that bind Lin are held by two people. The first is Khader Khan: mafia godfather, criminal-philosopher-saint, and mentor to Lin in the underworld of the Golden City. The second is Karla: elusive, dangerous, and beautiful, whose passions are driven by

secrets that torment her and yet give her a terrible power. Burning slums and five-star hotels, romantic love and prison agonies, criminal wars and Bollywood films, spiritual gurus and mujaheddin guerrillas—this huge novel has the world of human experience in its reach, and a passionate love for India at its heart.
