Freestyle Embroidered Mandalas - Hazel Blomkamp 2018-11-20

Over 20 luminous mandalas designs to stitch by master embroiderers Hazel Blomkamp and Di van Niekerk and fine artist Monique Day-Wilde. When top artists from various disciplines collaborate, the result is bound to be greater than the sum of the individuals' skills. In this unique book, master embroiderers Hazel Blomkamp and Di van Niekerk have come together with fine artist Monique Day-Wilde to create a collection of luminous designs inspired by the beauty and mysticism of mandalas. Using Monique's original mandala designs as their templates, Hazel and Di have adorned the rounded outlines with creative surface

embroidery using a wide range of stitches and techniques in stunning combinations. From simple, monochromatic line patterns to colorful and flamboyant bead-and-thread fusions, the embroidered mandalas will inspire and delight everyone from beginners to the most experienced. Throughout the book the authors share plenty of ideas and tips, and offer instruction with a fresh approach to surface embroidery. There is a complete stitch gallery with illustrations and instructions for all the stitches and techniques used which includes old favourites, such as simple back- and chain stitches, as well as the more intricate - needle lace, trellis couching and weaving. Beadwork is also explored to add sparkle and finishing touches, and special effects are created by incorporating the occasional bit of trapunto, ribbon embroidery and appliqué. Both line and color templates of the designs are included, with a detailed stitch diagram and list of threads and materials for every project. A selection of templates also show different embroidery treatments to illustrate how versatile the designs are. Fall into a captivating treasure trove of whorled stitches and silk, and discover the beautiful world designed by these renowned artists of needle and brush.

Crewel Birds - Hazel Blomkamp 2020-03-18

Six flamboyant crewel birds to stitch in popular author Hazel Blomkamp's much-loved, sumptuous style. In this fourth title in Hazel Blomkamp's series on crewel embroidery with a twist, the focus is on farm and game birds. The birds give a nod to current trends, most notably the Zentangle look with crewel-style filling-in stitches and techniques. *Crewel Birds* is a celebration of Hazel's signature techniques: a wide variety of surface/crewel stitches, some of which are brand new and many with a different take or different ways of combining stitches to make them more interesting. Also included are needle lace techniques as embroidery stitches, loom weaving techniques modified for embroidery, and unique combinations of both of these. The incorporation of beads and crystals adds even more dazzle to the intricate designs. There are six projects, each explained with detailed step-by-step instructions and clear photographs, with design templates and a full stitch gallery providing everything readers need to recreate them with ease. The projects comprise a phoenix, rooster, common pheasant, mallard duck, flamingo and golden pheasant. In addition to these sumptuous embroideries, Hazel explains how to hand quilt the backgrounds and finish the edges with binding to put them together in a 'rag book', as an alternative to framing. For embroiderers looking for something different and new to stitch, and for those keen to challenge themselves with more complex embroidery techniques, this book is a must-have.

Needle Lace Techniques for Hand Embroidery - Hazel Blomkamp 2017-09

Working from the *Encyclopedia of Needlework* by T.H. de Dillmont, originally published in the late 19th century, Hazel Blomkamp has compiled all of the key needle lace embroidery techniques into one handy and portable stitch book. The book begins with a basic guide to needle lace techniques, based on several stitches Dillmon used which Hazel has broken down into easy steps. Over 40 needle lace stitches are then described, each with a clear diagram and step-by-step instructions, and a photograph of one of Hazel's beautiful piece to provide inspiration. All have been detailed on one side of the page only, allowing the reader to place a magnetic cross-stitch board underneath. They can then use the magnetic rulers that come with the board to mark the row that they are working on, making the instructions easier to follow. The book is wire-bound, allowing the pages to lie flat while you work, and the book's notebook-size fits perfectly in a workbag for easy transportation while stitching on the go. With all the stitches needed for needle lace hand embroidery at their fingertips, both new and experienced embroiderers will find inspiration from this invaluable resource.

Big Embroidery - Nancy Nicholson 2018-10-04

Stash-busting embroidery projects for home décor, clothes, and accessories with folk art-inspired designs, by author of Modern Folk Embroidery. Big Embroidery is all about stitching beautiful designs up fast using yarn instead of embroidery thread. Designer Nancy Nicholson has created a collection of stunning designs based on traditional crewel work, and adapted them for a modern audience using everyday yarn. Crewel embroidery is traditionally done using two-ply wool and stitched onto linen. Nancy shows how to get beautiful results using different types of yarn and fabric, including upholstery fabrics, woolens, and tweeds, to create a collection of stunning quick-to-stitch projects. Choose from home decor items such as cushions, bags, wall hangings and table runners, as well as ideas for embellishing clothing. Nancy shows readers how to do all the key embroidery stitches with a stitch library featuring easy-to-follow diagrams of all the basic crewel embroidery stitches in detail.

Thread Doodling - Carina Envoldsen-Harris 2020-08-04

Calmness and creativity couldn't be more easily fun. With 1 needle, 15 stitches and 2 hoops, embroider over 20 different designs, fitting either a 5in or 3in hoop, to discover your creativity in your calmness.

Containing 32 pages of transfers. Over 20 different contemporary embroideries to transfer and stitch, plus 11 extra transfer designs to get your creative juices flowing! With just a needle and selection of threads, you can gently create a stunning collection of stitcheries while relaxing after a long working day in the home or office. In Carina's latest book, she shows you how to 'doodle' embroider - lose yourself in your stitches and floss, and unconsciously form embroideries not only full of colour but your personality too. To help you start your journey to original, personal doodle work, Carina has shared a variety of designs, ranging from formal patterns - such as geometrics, mandalas, labyrinths and knots gardens - to more experimental, free-form shapes that will encourage you to explore your skills and creativity. These feature more abstract designs, maps and sketch-style scenes. Finally, Carina takes you step by step through her own creative process in her 'Garden' embroidery sample, to show you how to start, work and finish a design, so you can see how to forge a unique embroidery yourself. Each of Carina's designs includes photographs of the finished embroidery, a thread key, a stitch diagram and suggestions of how to work the design. In addition, Carina will give advice on how to rework her embroidery, to encourage your own creativity. At the back of the book, a corresponding transfer can be found so that you can easily draw the design outline onto your own fabric. Essential materials and easy-to-follow techniques chapters can be found at the beginning of the book, along with step-by-step diagrams for the 15 embroidery stitches used to make all the designs in the book - providing you with a fuss-free, colourful crash-course on how to start your embroideries. Finally, 32 pages (16 sheets) of transfers are included, offering variations and ideas for you to dive into and work up your own unique stitcheries! Calmness and creativity couldn't be more easily fun.
