Calling on God - Peter Bankson 2014-09-05

Fresh, inclusive, creation-conscious prayers to nourish your soul—and the soul of your worship community. “We are called to name the extravagant wildness of God, the overflowing abundance of creation, and the deep aching need of a broken world in new words and images that speak to contemporary concerns.... [These prayers] are an invitation to pray boldly.” —from the Introduction This special prayerbook is for today’s Christians who find comfort in the rhythm of the traditional lectionary but long to connect with God in ways that are satisfying to the

modern heart and mind. Founded on creativity, inclusivity and sharing, it encourages us to remember the divine elements of the natural world around us as we express our hopes and fears for others and ourselves. Inspiring words help us give thanks for human inventions and lament the evils of poverty, violence and oppression of all kinds while remaining mindful of God’s promises of healing for a broken world. Following the annual procession of the seasons with prayers that are appropriate for personal devotion as well as for use in leading worship, these new ways to call on God will feed your soul and inspire you to find your own fresh language for thanksgiving, praise, intercession and petition, whether in your community or personal spiritual life.

Prayers for Everyday Use - Jonathan Ridler 2019-11-28

Prayer sustains life. It is our response to the impulse of God within us. To pray at all times, in all places, and in every circumstance, is to maintain that lifeline to God. This collection of original prayers is suitable for individuals and communities, for private devotions or public worship. There are prayers here for most occasions, including praise, intercession, joy, sorrow, repentance, thanksgiving, birth, families, sickness, death, guidance, protection, and the Holy Days and seasons of the Church from Advent through to Christ the King. Each prayer has an associated image that reflects the nature of the prayer in some manner. It is the author's

hope that the prayers may inspire the reader to pray more often, to be more mindful of Our Lord in all things, and to move the reader to manifestly participate in the Body of Christ in thought, word and deed.

Discovering How to Pray - Hope MacDonald 1990

If you think there's nothing new that can be written on prayer -- think again! In this practical and inspiring book, *Discovering How to Pray*, Hope MacDonald gives refreshing new insights into a perennial problem of Christians -- how, when, where, and why we should pray. The author distinguishes two kinds of prayer--'arrow' prayer (the kind we shoot up to God all day long) and the prayer of worship and intercession. Although arrow prayers are an important part of Christian life, says MacDonald, we cannot live on them unless they are 'grounded upon the foundation of our prayers of worship and intercession.' MacDonald outlines nine steps that can lead you to a meaningful life of prayer and worship: ·Making time to pray ·Finding a quiet place ·Worshiping and meditating ·Confession ·Time of thanksgiving ·Saying a prayer of protection ·Inner listening ·The prayer of faith ·Picturing the prayer as answered

Building Your House of Prayer - Sally Mazzella 2012-04-17

Jesus Christ did not sit Sally down at the beginning of her walk with Him and say, "You will teach others how to pray, and help Me to build 'houses of prayer'." Throughout thirty years of ministry as she served in the church... as she worked in youth and family ministry... as she met individually with people who had great needs... as she took part in organized prayer ministries and national prayer outreaches... as she eventually helped to establish healing ministry training sites... it became

apparent to her that there were people that knew how to pray effectively and who saw the Lord doing amazing things. From observation and experience it became apparent that Jesus Christ likes ***active, ***effective, ***heart-engaged, ***holy, ***sincere, and ***united prayer before His throne of grace for others and for the world! This in no way belittles 'passionate individual prayer' or 'Jesus' working His own desired miracles', but 'united prayer ministry' enlarges the foundational work of 'reaching the world for Christ' and provides places where 'healing those most wounded' are available in our day of human history. The time has come to unite those who intercede... ***for others... ***for the Church... ***for communities... and ***for the world, so that the 'bride of Jesus Christ' will bring in the 'great harvest of souls' in this hour of history. We have much work to do - in His Name! Enjoy the journey!

Dare to Be a Daniel - Amos Olutola Fadiran 2021-07-07

An awakening call to all Christians to prove the omnipotence of our God to the world as we manifest excellent wisdom, provide solutions to teething national and international problems and carry out spectacular exploits that would compel unbelievers to fear God, acknowledge His sovereignty, bow down to worship His majesty and come to the realization that the Most High God rules in the kingdom and affairs of men. This is the challenge that the life and ministry of Daniel pose to Christians today. Imagine a scenario where the king of the most powerful and dreadful nation of that time fell down prostrate, before the young captive Daniel. The king literally idolized him, ordered that an offering of incense be made to Daniel, and exclaimed reverently; "Truly, your God is the God of gods, the Lord of kings and the Revealer of Secrets". All these happened because to the utter dismay of king Nebuchadnezzar, Daniel, through prayer and God's gifts revealed and interpreted the king's untold dream. By this feat, Daniel and his friends were greatly promoted while God's name was highly glorified and honoured. God made them to excel far above their colleagues. This book further makes us to appreciate that with an adequate knowledge of our God, a readiness to please Him by keeping ourselves pure, a rugged faith, and an unwavering loyalty to Him, there is no limit to which God can use our

lives and ministries to prove His majesty, just as He did through Daniel and his companions. By manifesting these traits, the burning furnace was turned to an air-conditioner and the mouths of dreadful lions were locked. This book encourages Christians from all walks of life to prayerfully demonstrate these traits as Daniel did, so that we can impact the world around us positively for God. This book is an expository on how Christians can receive divine guidance regularly and specifically as it carefully unveils the requisite processes, e.g. through God's Word, by Spirit-filled Counsellors, and overwhelmingly by the Holy Spirit. The author shares his own practical experiences in these regards. It reveals how parents can develop intimacy with their children that would enhance winning them for Christ and help them to fulfil destiny. This is an inevitable book for all who desire excellence in life and ministry as it systematically details the divine steps for the attainment and maintenance of excellence in these respects. The book should be a hot-cake for genuine result-oriented intercessors, as it uses Daniel's life to expound on how to become an excellent intercessor. Through rugged faith in God, coupled with unrelenting prayers, a Christian can always emerge victorious over fierce trials and enemy gang-ups, to bring glory to God's Name. This book can be rightly described as a handbook for Christian youths as well as an important guidebook for all Christians. Through the help of the Holy Spirit, it offers in-depth details on: how Christian youths can positively use their energy without manifesting youthful exuberance, conduct themselves wisely in the fear of God, do exercises towards righteousness, be on fire for the Lord and yet be humble and obedient. It shows how they can choose godly companions, become responsible and respectable in the community and in the Church, soar into prominence, and fulfill their God ordained destinies in life. A reviewer described it as a 'book that is conceived from the womb of the Holy Spirit, timely, apt, and heart-warming.' Another reviewer referred to it as, 'an exquisite treasure, a compendium of sorts, from being a Bible study material, a book replete with life cum personal experiences, a prayer manual, and a visibly recognized Holy Spirit inspired Ministry Instruction Manual. The prayer box at the end of each

chapter provides a set of prayers, which if thoroughly applied would surely transform the reader into a Daniel in his or her operational base, be it at home, school, work place, church or the society at large.

Love The Heartbeat of God for Revival - Dr. Jo Anna Watson 2014-06-11

The end times are upon us and since God is more concerned about redemption than judgment He is calling all people, especially the church, to return to Him in 'first love.' We have been given a commandment to love God with all of our mind, soul, will, and strength, and to love others as we love ourselves. Unfortunately, such love is lacking. Many are crying out for revival, but unless there is a turning back to God with sincere repentance, there will be no substance for the fires of revival to be ignited during these end times. God's love, as does all love, demands a response and He is waiting for your response. When love is returned wholeheartedly, who knows if God will rend the heavens and come down in power, thus ushering in a revival that will blaze through our churches and nations bringing the much needed healing to our lands.

Prevailing Prayers of Intercession and Supplication - Akinbowale

Isaac Adewumi 2019-12-03

THOSE who pray know that prayer gets answered by God. In the ecological culture of prayer and its sublime gestational realm, spiritual phenomena metamorphose into tangible physical realities as a well-sculpted script in its gamut of performance delivery. Divinity rules in the affairs of men on this side of the divide depending on how well-guided prayer pundits are. This book, 'PREVAILING PRAYERS OF INTERCESSION AND SUPPLICATION GUIDES,' sets out to sensitize and equip readers by giving a sense of proper direction through a biblical predisposition to the fact that an unanswered prayer is never God's desire. Prayers channelled through the holy vessels of God are honoured

by God. Hence, Psalms 66:18 says, "If I regard iniquity in my heart, the Lord will not hear me." There are several kinds of prayer but a prayer of intercession involves standing in the gap as a bridge for others' welfare to turn things around and sustain positive changes. It redirects the vicissitudes of life and makes living much better for both the prospects or targets of prayer and its subjects who can spare time to be with God without selfishness and bitterness. Intercessory prayer moves mountains, removes barriers, breaks yokes or chains, lifts burdens, rolls away sorrows, gives victory in every battle of life, provides calmness in crisis and eases perplexing situations confronting believers and the world itself in its socio-economic and political landscapes. In the same breath, through prayers of supplication, we receive assurance, protection, authority, and dominion. It reveals our dependence on God, takes us to the realm of the supernatural and moves God to act on our behalves. In these last days, believers have to be guided to repair the altar of prayer and get acquainted with God more than ever before according to Job 22:21-30. Many saints of old left us their footprints in the ministry of intercession and supplication among whom are Abraham, Moses, Elijah and a host of others. They were all successful in their time. If only we too would consecrate and commit ourselves to the ministry of intercession and supplication, we will succeed and make enviable marks in our churches, homes, environment, and nations. More importantly, we must believe in the power of intercession in order to activate it, operate in it, practice it and seek God on behalf of others. Premised on the foregoing, our prayers must be fervent, effectual and importunate if we would to get things done and have results. We ourselves must be sold-out to Jesus and develop a loving beauty of spirit for other people as we engage in prayer without ceasing. With our spirit given up to God in intercession, there is hope for our Churches, nations, and ministries. Ultimately, our rewards shall be great from the Good Lord Who does not owe anyone.

St. Augustine's Prayer Book - 2013

Another World is Possible - Dwight N. Hopkins 2014-12-18

'Another World is Possible' examines the many peoples who have

mobilized religion and spirituality to forge identity. Some claim direct links to indigenous spiritual practices; others have appropriated externally introduced religions, modifying these with indigenous perspectives and practices. The voices of Black people from around the world are presented in essays ranging from the Indian subcontinent, Japan and Australia to Africa, the UK and the USA. From creation narratives to trickster heroes, from the role of spirituality in HIV positive South Africa to its place in mental health and among the poor, spirituality is shown to be essential to the survival of individuals and communities.

Lost Art of Intercession Expanded Edition - James W. Goll 2007-04-28

Over two hundred and fifty years ago, this verse was burned into the hearts of Moravian refugees in the tiny community of Herrnhut in eastern Germany. Their commitment to restore the Watch of the Lord, through 24 hours of unbroken prayer and intercession continued for more than 100 years. God is calling His warriors once again to mount the Watch of the Lord. When God's people send up the incense of prayer and worship, God will send down supernatural power, anointing, and acts of intervention. Author James W. Goll combined with the writings of E.M. Bounds paints an inspiring picture of prophetic clarity and prayerful urgency that sound God's clarion call to His Church. Now is the time to mount the walls with prayer and praise, and restore The Lost Art of Intercession.

The Ministry Of Prayer Volume II - Apostle Arvind 2020-09-17

As humans, we focus a lot on the mechanics but a child or a seed is not worried, how they will grow. They are born to grow and the only condition required for their growth is a proper or favorable environment. Similarly, the proper or favorable environment here is our prayer. Our part in the kingdom and as believers, we need to pray and ask and God knows how to provide because He promised us that our prayers will be answered. Matthew 7:7-8 " Ask it will be given.....For every one that asketh receiveth.." In my volume one, I shared different types of prayers and their importance and in this book, I am sharing some more types of prayers which I have been practicing and preaching more than a decade. The Bible says ""All Kinds of Prayers"" , they are (1) Prayer (2) petition(3) supplication (4) intercession (5) Praise (6) Thanksgiving (7) worship (8) Declaration or Decree Whether it was a prayer, supplication, intercession, praise, thanksgiving, worship, crying, whispering, or dancing God accepted all and answered His children. Lord Jesus was also had the habit of praying. And if it was important to Him then it's important for us also. I pray to God the Father in Lord Jesus' name that this book would be a blessing to all the readers and the Holy Spirit will speak and reveal some new things to you. God Bless!

Our Triune God - Peter Toon 2002

Who is the God of the Bible? From both within the church and outside her walls the orthodox doctrine of the Holy Trinity, declared in Scripture and passed down in ecumenical creeds and local confessions of faith, is under attack. The emerging absence of a Trinitarian mind-set so prevalent in the church today has enormous implications for the future of the Christian faith. Concerned to counter contemporary attacks on the doctrine of God, Peter Toon here demonstrates the existence and priority of a Trinitarian pattern in Scripture and defends the essential role of the Trinity in Christian belief, faith, and practice.

The Ministry of Praise And Thanksgiving - Zacharias Tane Fomum 2015-02-24

How to "Halleluiah" in All Circumstances You may never have thought that praise and thanksgiving to God go together, that they constitute a ministry to the Lord, which he highly values. Professor Fomum examines the Biblical basis for this and much more relating to praise and thanksgiving in this volume. From the obvious giving of thanks when things go well and praising the Lord in victory, the author goes on to teach on "costly" praise and thanksgiving, how to "halleluiah" even when it hurts, which is the best sacrifice to the Lord. This volume is packed with Biblical case studies, from a whole section on David to those on Job and the Lord Jesus. Several chapters are very practical: how to set up a daily calendar of praise and thanksgiving; recording the details of one's life for praise and thanksgiving; the power of cold routine! There is no need to be anxious anymore about the poverty of praise and thanksgiving

in your prayer life. This volume is an answer to your prayers and for Philippians 4:6.
