Miss Peregrine's Home for Peculiar Children - Ransom Riggs
2011-06-07

Read the #1 New York Times best-selling series before it continues in *A Map of Days*. Bonus features • Q&A with author Ransom Riggs • Eight pages of color stills from the film • Sneak preview of *Hollow City*, the next novel in the series A mysterious island. An abandoned orphanage. A strange collection of very curious photographs. It all waits to be discovered in *Miss Peregrine's Home for Peculiar Children*, an unforgettable novel that mixes fiction and photography in a thrilling reading experience. As our story opens, a horrific family tragedy sets sixteen-year-old Jacob journeying to a remote island off the coast of Wales, where he discovers the crumbling ruins of *Miss Peregrine's Home for Peculiar Children*. As Jacob explores its abandoned bedrooms and hallways, it becomes clear that the children were more than just peculiar. They may have been dangerous. They may have been quarantined on a deserted island for good reason. And somehow—impossible though it seems—they may still be alive. A spine-tingling fantasy illustrated with haunting vintage photography, *Miss Peregrine's Home for Peculiar Children* will delight adults, teens, and anyone who relishes an adventure in the shadows. "A tense, moving, and wondrously strange first novel. The photographs and text work together brilliantly to create an unforgettable story."—John Green, New York Times best-selling author of *The Fault in Our Stars* "With its X-Men: First Class-meets-time-travel story line, David Lynchian imagery, and rich, eerie detail, it's no wonder *Miss Peregrine's Home for Peculiar Children* has been snapped up by Twentieth Century Fox. B+"—*Entertainment Weekly* "'Peculiar' doesn't even begin to cover it. Riggs' chilling, wondrous novel is already headed to the movies."—*People* "You'll love it if you want a good thriller for the summer. It's a mystery, and you'll race to solve it before Jacob figures it out for himself."—*Seventeen*

The Lightning Thief - Rick Riordan 2010-02-02

Percy Jackson is about to be kicked out of boarding school...again. And that's the least of his troubles. Lately, mythological monsters and the gods of Mount Olympus seem to be walking straight out of the pages of Percy's Greek mythology textbook and into his life. Book #1 in the NYT best-selling series, with cover art from the feature film, *The Lightning Thief*.

Ramtha, the White Book - Ramtha 2004

"The general introduction to Ramtha and his teachings now revised and expanded with a foreword by JZ Knight, a glossary of terms and concepts used by Ramtha, a detailed index and a commentary essay showing the significance of Ramtha's teachings. It addresses questions on the Source of all existence, our forgotten divinity, life after death, evolution, love, the power of consciousness and the mind, lessons from nature, and Ramtha's ascension"--Publisher's website.

Snow Crash - Neal Stephenson 2003-08-26

The "brilliantly realized" (The New York Times Book Review) breakthrough novel from visionary author Neal Stephenson, a modern classic that predicted the metaverse and inspired generations of Silicon Valley innovators Hiro lives in a Los Angeles where franchises line the freeway as far as the eye can see. The only relief from the sea of logos is within the autonomous city-states, where law-abiding citizens don't dare leave their mansions. Hiro delivers pizza to the mansions for a living, defending his pies from marauders when necessary with a matched set of samurai swords. His home is a shared 20 X 30 U-Stor-It. He spends most of his time goggled in to the Metaverse, where his avatar is legendary. But in the club known as The Black Sun, his fellow hackers are being felled by a weird new drug called Snow Crash that reduces them to nothing more than a jittering cloud of bad digital karma (and IRL, a vegetative state). Investigating the Infocalypse leads Hiro all the way back to the beginning of language itself, with roots in an ancient Sumerian priesthood. He'll be joined by Y.T., a fearless teenaged

skateboard courier. Together, they must race to stop a shadowy virtual villain hell-bent on world domination.

Enchantment - Guy Kawasaki 2011-03-08

Enchantment, as defined by bestselling business guru Guy Kawasaki, is not about manipulating people. It transforms situations and relationships. It converts hostility into civility and civility into affinity. It changes the skeptics and cynics into the believers and the undecided into the loyal. *Enchantment* can happen during a retail transaction, a high-level corporate negotiation, or a Facebook update. And when done right, it's more powerful than traditional persuasion, influence, or marketing techniques. Kawasaki argues that in business and personal interactions, your goal is not merely to get what you want but to bring about a voluntary, enduring, and delightful change in other people. By enlisting their own goals and desires, by being likable and trustworthy, and by framing a cause that others can embrace, you can change hearts, minds, and actions. For instance, *enchantment* is what enabled . . . • A Peace Corps volunteer to finesse a potentially violent confrontation with armed guerrillas. • A small cable channel (E!) to win the TV broadcast rights to radio superstar Howard Stern. • A seemingly crazy new running shoe (Vibram Five Fingers) to methodically build a passionate customer base. • A Canadian crystal maker (Nova Scotian Crystal) to turn observers into buyers. This book explains all the tactics you need to prepare and launch an *enchantment* campaign; to get the most from both push and pull technologies; and to enchant your customers, your employees, and even your boss. It shows how *enchantment* can turn difficult decisions your way, at times when intangibles mean more than hard facts. It will help you overcome other people's entrenched habits and defy the not-always-wise "wisdom of the crowd." Kawasaki's lessons are drawn from his tenure at one of the most enchanting organizations of all time, Apple, as well as his decades of experience as an entrepreneur and venture capitalist. There are few people in the world more qualified to teach you how to enchant people. As Kawasaki writes, "Want to change the world? Change caterpillars into butterflies? This takes more than run-of-the-mill relationships. You need to convince people to dream the same dream that you do." That's a big goal, but one that's possible for all of us.

Expresate - Holt Rinehart & Winston 2006-01-01

Red Moon - M.a. Grant 2013-08-01

Dark, moving and original, a story of family, survival, and getting on with life... Flynn Sinclair understands pack loyalty - for years as his Alpha father's enforcer, he has done things in the name of duty that he can't ever forget. But the vast expanse of Alaska offers him a peace he's never known. Alone, removed from pack life, he can focus on his research and try to forget his life before. But duty has a way of inviting itself in, and Flynn finds himself doing two reckless things in one week: leaving the safety of Alaska to save his brother Connor's life, and unwittingly falling in love with Evie Thompson, a woman who doesn't deserve to be drawn into his terrifying world. Connor carries news of their father's descent into madness, and it looks like neither geography nor Flynn's attempts at disengagement will put off a confrontation. Flynn had finally begun to believe that he might deserve something good in his life - something like Evie - but to move forward in the light, he must first reconcile with the dark.

You Are the Placebo - Dr. Joe Dispenza 2015-09-08

Is it possible to heal by thought alone—without drugs or surgery? The truth is that it happens more often than you might expect. In *You Are the Placebo*, Dr. Joe Dispenza shares numerous documented cases of those who reversed cancer, heart disease, depression, crippling arthritis, and even the tremors of Parkinson's disease by believing in a placebo. Similarly, Dr. Joe tells of how others have gotten sick and even died the victims of a hex or voodoo curse—or after being misdiagnosed with a fatal illness. Belief can be so strong that pharmaceutical companies use double- and triple-blind randomized studies to try to exclude the power of the mind over the body when evaluating new drugs. Dr. Joe does more than simply explore the history and the physiology of the placebo effect. He asks the question: "Is it possible to teach the principles of the placebo, and without relying on any external substance, produce the same internal changes in a person's health and ultimately in his or her life?" Then he shares scientific evidence (including color brain scans) of amazing healings from his workshops, in which participants learn his model of personal transformation, based on practical applications of the so-called placebo effect. The book ends with a "how-to" meditation for changing beliefs and perceptions that hold us back—the first step in healing. *You Are the Placebo* combines the latest research in neuroscience, biology, psychology, hypnosis, behavioral conditioning, and quantum physics to demystify the workings of the placebo effect . . . and show how the seemingly impossible can become possible.

The Civilizing Process - Norbert Elias 2000-07-13

The Civilizing Process stands out as Norbert Elias' greatest work, tracing the "civilizing" of manners and personality in Western Europe since the late Middle Ages by demonstrating how the formation of states and the monopolization of power within them changed Western society forever. The Right Stuff for Children Birth to 8 - Martha B. Bronson 1995-01-01 "[S]ee at a glance what play and learning materials are most beneficial for children of different ages—from early infant through the primary grades"—P. [4] of cover.

Hannibal - Thomas Harris 2009-06-23

#1 NEW YORK TIMES BESTSELLER • "Is it as good as *Red Dragon* and *Silence of the Lambs*? No . . . this one is better."—Stephen King, *The New York Times* Book Review You remember Hannibal Lecter: gentleman, genius, cannibal. Seven years have passed since Dr. Lecter escaped from custody. And for seven years he's been at large, free to savor the scents, the essences, of an unguarded world. But intruders have entered Dr. Lecter's world, piercing his new identity, sensing the evil that surrounds him. For the multimillionaire Hannibal left maimed, for a corrupt Italian policeman, and for FBI agent Clarice Starling, who

once stood before Lecter and who has never been the same, the final hunt for Hannibal Lecter has begun. All of them, in their separate ways, want to find Dr. Lecter. And all three will get their wish. But only one will live long enough to savor the reward. . . . Praise for Hannibal "Interested in getting the hell scared out of you? Buy this book on a Friday . . . lock all doors and windows. And by Monday, you might just be able to sleep without a night-light."—*Newsday* "Strap yourself in for one heck of a ride. . . . It'll scare your socks off."—*Denver Post* "A stunner . . . writing in language as bright and precise as a surgeon's scalpel, Harris has created a world as mysterious as Hannibal's memory palace and as disturbing as a Goya painting. This is one book you don't want to read alone at night."—*The Atlanta Journal-Constitution* "Relentless . . . endlessly terrifying . . . 486 fast-paced pages, in which every respite is but a prelude to further furious action . . . Hannibal begins with a murderous paroxysm that leaves the reader breathless. . . . Hannibal speaks to the imagination, to the feelings, to the passions, to exalted senses and to debased ones. Harris's voice will be heard for a while."—*Los Angeles Times* "A pleasurable sense of dread."—*The Wall Street Journal* "Enormously satisfying . . . a smashing good time, turning the pages for thrills, chills, horror and finally, a bracing, deliciously wicked slap in the face . . . perhaps the very best the thriller/horror genre is capable of producing."—*San Diego Union-Tribune*

The Book of Life (Movie Tie-In) - Deborah Harkness 2022-01-04

The #1 *New York Times*-bestselling third installment of the *All Souls* series, and the basis for the final season of "A Discovery of Witches," coming soon to AMC+, Sundance Now, and Shudder. In *The Book of Life* Diana and Matthew time-travel back from Elizabethan London to make a dramatic return to the present—facing new crises and old enemies. At Matthew's ancestral home, *Sept-Tours*, they reunite with the beloved cast of characters from *A Discovery of Witches*--with one significant exception. But the real threat to their future has yet to be revealed, and when it is, the search for *Ashmole 782* and its missing pages takes on even more urgency. In the third volume of the *All Souls* series, Harkness deepens her themes of power and passion, family and caring, past deeds and their present consequences. In palatial homes and university laboratories, using ancient knowledge and modern science, from the hills of the Auvergne to Venice and beyond, the couple at last learn what the witches discovered so many centuries ago.

The Power of Intention, Gift Edition - Wayne W. Dyer, Dr. 2010-10-01

Dr. Wayne W. Dyer has researched intention as a force in the universe that allows the act of creation to take place. This beautiful gift edition of Wayne's international bestseller explores intention—not as something we do—but as an energy we're a part of. We're all intended here through the invisible power of intention—a magnificent field of energy we can access to begin co-creating our lives! Part I deals with the principles of intention, offering true stories and examples showing how to make the connection. Wayne identifies the attributes of the all-creating universal mind of intention as kind, loving, beautiful, expanding, endlessly abundant, and receptive, emphasizing the importance of emulating this source of creativity. In Part II, he offers an intention guide with specific ways to apply the co-creating principles in daily life. Part III is an exhilarating description of Wayne's vision of an individual connected at all times to the universal mind of intention. "Intention is a force in the universe, and everything and everyone is connected to this invisible force."

The 48 Laws Of Power - Robert Greene 2010-09-03

THE MILLION COPY INTERNATIONAL BESTSELLER Drawn from 3,000 years of the history of power, this is the definitive guide to help readers achieve for themselves what Queen Elizabeth I, Henry Kissinger, Louis XIV and Machiavelli learnt the hard way. Law 1: Never outshine the master Law 2: Never put too much trust in friends; learn how to use enemies Law 3: Conceal your intentions Law 4: Always say less than necessary. The text is bold and elegant, laid out in black and red throughout and replete with fables and unique word sculptures. The 48 laws are illustrated through the tactics, triumphs and failures of great figures from the past who have wielded - or been victimised by - power.

(From the *Playboy* interview with Jay-Z, April 2003) PLAYBOY: Rap careers are usually over fast: one or two hits, then styles change and a new guy comes along. Why have you endured while other rappers haven't? JAY-Z: I would say that it's from still being able to relate to people. It's natural to lose yourself when you have success, to start surrounding yourself with fake people. In *The 48 Laws of Power*, it says the worst thing you can do is build a fortress around yourself. I still got the people who grew up with me, my cousin and my childhood friends. This guy right here (gestures to the studio

manager), he's my friend, and he told me that one of my records, Volume Three, was wack. People set higher standards for me, and I love it.

The Art of the Start - Guy Kawasaki 2004

A new product, a new service, a new company, a new division, a new anything - where there's a will, Kawasaki shows the way with his essential steps to launching one's dreams.

Focusing - Eugene T. Gendlin 1982-08-01

The classic guide to a powerful technique that can increase your mindfulness and lead to personal transformation Based on groundbreaking research conducted at the University of Chicago, the focusing technique has gained widespread popularity and scholarly acclaim. It consists of six easy-to-master steps that identify and change the way thoughts and emotions are held within the body. Focusing can be done virtually anywhere, at any time, and an entire "session" can take no longer than ten minutes, but its effects can be felt immediately—in the relief of bodily tension and psychological stress, as well as in dramatic shifts in understanding and insight. In this highly accessible guide, Dr. Eugene Gendlin, the award-winning psychologist who developed the focusing technique, explains the basic principles behind focusing and offers simple step-by-step instructions on how to utilize this powerful tool for tapping into greater self-awareness and inner wisdom. As you learn to develop your natural ability to "focus," you'll find yourself more in sync with both mind and body, filled with greater self-assurance, and better equipped to make the positive changes necessary to improve and enhance every aspect of your life.

The Transformation of Intimacy - Anthony Giddens 2013-04-23

The sexual revolution: an evocative term, but what meaning can be given to it today? How does 'sexuality' come into being and what connections does it have with the changes that have affected personal life on a more general plane? In answering these questions, Anthony Giddens disputes many of the dominant interpretations of the role of sexuality in modern culture. The emergence of what the author calls plastic sexuality - sexuality freed from its intrinsic relation to reproduction - is analysed in terms of the long-term development of the modern social order and social influences of the last few decades. Giddens argues that the transformation of intimacy, in which women have played the major part, holds out the possibility of a radical democratization of the personal sphere. This book will appeal to a large general audience as well as being essential reading for students and professionals.

The Teachings of Spencer W. Kimball - Edward L. Kimball 2006-12-01

Becoming Supernatural - Dr. Joe Dispenza 2017-10-31

The author of the New York Times bestseller *You Are the Placebo*, as well as *Breaking the Habit of Being Yourself* and *Evolve Your Brain*, draws on research conducted at his advanced workshops since 2012 to explore

how common people are doing the uncommon to transform themselves and their lives. Becoming Supernatural marries the some of the most profound scientific information with ancient wisdom to show how people like you and me can experience a more mystical life. Readers will learn that we are, quite literally supernatural by nature if given the proper knowledge and instruction, and when we learn how to apply that information through various meditations, we should experience a greater expression of our creative abilities; that we have the capacity to tune in to frequencies beyond our material world and receive more orderly coherent streams of consciousness and energy; that we can intentionally change our brain chemistry to initiate profoundly mystical transcendental experiences; and how, if we do this enough times, we can develop the skill of creating a more efficient, balanced, healthy body, a more unlimited mind, and greater access to the realms of spiritual truth. Topics include: • Demystifying the body's 7 energy centers and how you can balance them to heal • How to free yourself from the past by reconditioning your body to a new mind • How you can create reality in the generous present moment by changing your energy • The difference between third-dimension creation and fifth-dimension creation • The secret science of the pineal gland and its role in accessing mystical realms of reality • The distinction between Space-Time vs. Time-Space realities And much more...

“This book is . . . my personal search ‘for the face of the Lord.’”
—Benedict XVI In this bold, momentous work, the Pope—in his first book written as Benedict XVI—seeks to salvage the person of Jesus from recent “popular” depictions and to restore Jesus’ true identity as discovered in the Gospels. Through his brilliance as a theologian and his personal conviction as a believer, the Pope shares a rich, compelling, flesh-and-blood portrait of Jesus and incites us to encounter, face-to-face, the central figure of the Christian faith. From Jesus of Nazareth: “. . . the great question that will be with us throughout this entire book: But what has Jesus really brought, then, if he has not brought world peace, universal prosperity, and a better world? What has he brought? The answer is very simple: God. He has brought God! He has brought the God who once gradually unveiled his countenance first to Abraham, then to Moses and the prophets, and then in the wisdom literature—the God who showed his face only in Israel, even though he was also honored among the pagans in various shadowy guises. It is this God, the God of Abraham, of Isaac, and of Jacob, the true God, whom he has brought to the peoples of the earth. He has brought God, and now we know his face, now we can call upon him. Now we know the path that we human beings have to take in this world. Jesus has brought God and with God the truth about where we are going and where we come from: faith, hope, and love.”

Faith's Checkbook - C.H. Spurgeon 2014-10-09

Faith's Checkbook, written by world-renowned British pastor Charles H. Spurgeon, provides daily deposits of God's promises into your personal bank of faith. Spurgeon urges you to view each Bible promise as a check written by God that can be cashed by personally endorsing it and receiving the gift it represents. Cash in on the bountiful store of blessings when you withdraw daily from the Bank of Faith. This captivating eBook devotional offers inspiration and delight in our Lord, and it encourages readers to take God's promises to heart in just a few minutes of reading each day. Each verse is followed by a brief thought or application, making this eBook ideal for personal or family devotions

wherever you may go. The Table of Contents is linked so you can conveniently find your place where you left off. If you skip a day, no problem, you can easily begin on the next day's reading. “A promise from God may very instructively be compared to a check payable to order,” wrote Spurgeon. “It is given to the believer with the view of bestowing upon him some good thing. It is not meant that he should read it over comfortably, and then have done with it. No, he is to treat the promise as a reality, as a man treats a check.”

Secrets of the Millionaire Mind - T. Harv Eker 2009-10-13

Secrets of the Millionaire Mind reveals the missing link between wanting success and achieving it! Have you ever wondered why some people seem to get rich easily, while others are destined for a life of financial struggle? Is the difference found in their education, intelligence, skills, timing, work habits, contacts, luck, or their choice of jobs, businesses, or investments? The shocking answer is: None of the above! In his groundbreaking *Secrets of the Millionaire Mind*, T. Harv Eker states: "Give me five minutes, and I can predict your financial future for the rest of your life!" Eker does this by identifying your "money and success blueprint." We all have a personal money blueprint ingrained in our subconscious minds, and it is this blueprint, more than anything, that will determine our financial lives. You can know everything about marketing, sales, negotiations, stocks, real estate, and the world of finance, but if your money blueprint is not set for a high level of success, you will never have a lot of money—and if somehow you do, you will most likely lose it! The good news is that now you can actually reset your money blueprint to create natural and automatic success. *Secrets of the Millionaire Mind* is two books in one. Part I explains how your money blueprint works.

Through Eker's rare combination of street smarts, humor, and heart, you will learn how your childhood influences have shaped your financial destiny. You will also learn how to identify your own money blueprint and "revise" it to not only create success but, more important, to keep and continually grow it. In Part II you will be introduced to seventeen "Wealth Files," which describe exactly how rich people think and act differently than most poor and middle-class people. Each Wealth File includes action steps for you to practice in the real world in order to dramatically increase your income and accumulate wealth. If you are not doing as well financially as you would like, you will have to change your money blueprint. Unfortunately your current money blueprint will tend to stay with you for the rest of your life, unless you identify and revise it, and that's exactly what you will do with the help of this extraordinary book. According to T. Harv Eker, it's simple. If you think like rich people think and do what rich people do, chances are you'll get rich too!

Sinners in the Hands of an Angry God - Jonathan Edwards 2019-08-15

Preached at Enfield, Connecticut on July 8, 1741, this is perhaps the greatest sermon ever preached in America—and is certainly among the most well known. Owing to its forthright dealing with God's wrath and His intense hatred of sin and the sinner, it is also one of the most controversial. Indeed, for more than three-quarters of the sermon Edwards lays down a relentless stream of the most vivid and horrifying descriptions of the danger facing unregenerate men. While it is difficult to read such graphic language, there is abundant hope in the sermon's conclusion. Edwards puts it this way, “And now you have an extraordinary opportunity, a day wherein Christ has thrown the door of mercy wide open and stands calling and crying with a loud voice to poor sinners.” While those who would rather ignore God's justice in favor of His mercy condemn Edwards and his sermon, those who were present and actually heard him preach that day reacted in a decidedly different manner. According to the diary of Reverend Stephen Williams who attended the sermon, “Before the sermon was done there was a great moaning and crying through the whole House, ‘what shall I do to be saved; oh, I am going to hell, etc.’” The diary goes on to indicate that Edwards had to interrupt his sermon and come down to minister to those who were under such awful conviction. And so, in spite of what the scoffers might think or say, “the amazing and astonishing power of God” was manifested among the people that day—with many falling not into

the hands of an angry God, but into the arms of a mighty Savior.
