**Judas Iscariot: Damned or Redeemed** - Carol A. Hebron 2016-09-22

At the beginning of the 20th century, Judas was characterised in film as the epitome of evil: the

villainous Jew. Film-makers cast Judas in this way because this was the Judas that audiences had come to recognize and even expect. But in the following three decades, film-makers - as a

result of critical biblical study - were more circumspect about accepting the alleged historicity of the Gospel accounts. Carol A. Hebron examines the figure of Judas across film history to show how the portrayal becomes more nuanced and more significant, even to the point where Judas becomes the protagonist with a role in the film equal in importance to that of Jesus'. Hebron examines how, in these films, we begin to see a rehabilitation of the Judas character and a restoration of Judaism. Hebron reveals two distinct theologies: 'rejection' and 'acceptance'. The Nazi Holocaust and the exposure of the horrors of genocide at the end of World War II influenced how Judaism, Jews, and Judas, were to be portrayed in film. Rehabilitating the Judas character and the Jews was necessary, and film was deemed an appropriate medium in which to begin that process.

**Guide to Scripts Used in English Writings Up to 1500** - Jane Roberts 2008

Despite a resurgence of interest in the history of

the English language, this work is the only book available to introduce readers to the scripts used in Old and Middle English writing. The best way to understand changes in scripts across time is through visual examples, and this highly illustrated book reveals precisely how Middle English is different from Old English and how these gradual changes have developed. Images from important literary texts such as Caedmon's "Hymn" and the Lindisfarne Gospels demonstrate the chronological progression of the writing.

*Over the Moon* - David Essex 2012-03-01

As a young schoolboy, David Essex dreamed of becoming a professional footballer, and was signed up by his beloved West Ham United, but as a teenager he developed a passion for music which set him on a very different path, and ultimately led to superstardom. It wasn't, however, an easy start. Scraping a living on the edges of show business was a hard slog, and he endured many disappointments. Then aged 23, he went along to an audition for a new musical called Godspell and won the role of Jesus that was to shoot him to fame. Within a year he was starring in the smash hit film, That'll Be the Day, and had written and recorded his first number one single 'Rock On'. It was the start of Essex Mania, and a long journey of undreamt of adventure. From Godspell to EastEnders it's been an amazing life. And here is David's full incredible story - in his own words.

### **The Spitfire Grill** - James Valcq 2002

It all starts with the release of fidgety, suspicious Percy Talbott from state prison after serving a five-year sentence. We don't know why, only that she's released and on her way to Gilead and its "colors of paradise." But when she arrives it is February and bitter cold, and the

only one around to meet her is restless Sheriff Joe Turner, who takes her to the Spitfire Grill to help the aging Hannah Ferguson run the diner. All is gray, dismal and listless around them, and the characters are in the "winter of their lives" emotionally and spiritually.

### **A New Brain** - William Finn 1999

By the Tony-award winning authors of Falsettos, here is an energetic, sardonic, often comical musical about a composer during a medical emergency. Gordon collapses into his lunch and awakes in the hospital surrounded by his maritime-enthusiast lover, his mother, a co-worker, the doctor and the nurses. Reluctantly, he had been composing a song for a children's television show that features a frog - Mr. Bungee - and the specter of this large green character and the unfinished work haunts him throughout his medical ordeal. What was thought to be a tumor turns out to be something more operable and Gordon recovers, grateful for a chance to compose the songs he yearns to produce.

**A Wonderful Guy** - Eddie Shapiro 2021

Fascinating, never-before-published interviews with Broadway's leading men offer behind-the-scenes looks at the careers of some of the most beloved performers today. In *A Wonderful Guy*, a follow up to *Nothing Like a Dame: Conversations with the Great Women of Musical Theater*, theatre journalist Eddie Shapiro sits down for intimate, career-encompassing conversations with nineteen of Broadway's most prolific and fascinating leading men. Full of detailed stories and reflections, his conversations with such luminaries as Joel Grey, Ben Vereen, Norm Lewis, Gavin Creel, Cheyenne Jackson, Jonathan Groff and a host of others dig deep into each actor's career; together, these chapters tell the story of what it means to be a leading man on Broadway over the past fifty years. Alan Cumming described *Nothing Like a Dame*, as an encyclopedia of modern musical theatre via a series of tender meetings between a diehard fan and his idols. Because of Eddie Shapiro's utter

guilelessness, these women open up and reveal more than they ever have before, and we get to be the third guest at each encounter. A Wonderful Guy brings more fly-on-the-wall opportunities for fans to savour, students to study, and even the unindoctrinated to understand the life of the performing artist. [Manchester by the Sea](#) - Kenneth Lonergan 2021-03-09

The Academy Award-winning screenplay of “a drama of surpassing beauty” (Wall Street Journal) Kenneth Lonergan’s Academy Award and BAFTA-winning screenplay for the acclaimed film *Manchester by the Sea* is a staggering achievement and an emotionally devastating meditation on grief. Lee Chandler is a brooding, irritable loner who works as a handyman in Boston. One damp winter day he gets a call summoning him to his hometown, Manchester-by-the-Sea, the fishing village where his working-class family has lived for generations. His brother’s heart has given out

suddenly, and he’s been named guardian to his riotous 16-year-old nephew. His return re-opens an unspeakable tragedy, as he is forced to confront a past that separated him from his wife, Randi, and the community where he was born and raised. A sweeping story of loss and new beginnings, *Manchester by the Sea* “illuminates with quiet, unyielding grace how you and I and our neighbors get by, and sometimes how we don’t” (Boston Globe). Rounding out the volume is a trenchant and incisive introduction by Kenneth Lonergan on writing for film.

**You've Got to Have a Dream** - Ian C. Bradley 2005-01-01

Arguing that the musical is the “most ubiquitous and dominant cultural icon of our age,” scholar Ian Bradley unpacks the theological significance of the musical. Bradley argues that musicals provide millions of people around the world not just with entertainment but also with spiritual and theological values, a philosophy of life, and an encounter with God. In addition, he offers his

thoughts on what the popularity of the musical might mean for the future of the church.

How To Write A Script in 30 Days - Ken Davenport 2017-08-31

All of the greatest creators, from Beethoven to Edison, had something in common. They didn't just create stuff. They created a ton of stuff. That's why I'm a big believer that producers should produce more, directors should direct more, and, of course, writers should write more. The funny thing is, too many writers I know just can't finish a script. Maybe they have ideas, and maybe they write a few scenes, but they don't get to the end. Or maybe they've never written anything and are too afraid to start! That's why I wrote this book, which guarantees you'll have a finished script, whether or not you've ever written anything before! That's right. In only one month, you can go from a blank page to a completed script, ready to be staged. Just imagine . . . you'll have a full script in your hands (or a Producer's hands) by the end of this

month if you start today! So what are you waiting for?

The Mikado to Matilda - Thomas S. Hischak 2020-06-15

In The Mikado to Matilda: British Musicals on the New York Stage, Thomas Hischak provides an overview of British musicals that made their way to Broadway, covering their entire history up to the present day. This is the first book to look at the British musical theatre with reference to those London musicals that were also produced in New York City. The book covers 110 British musicals, ranging from 1750 to the present day, including the popular Gilbert and Sullivan comic operettas during the Victorian era, the Andrew Lloyd Webber mega-musicals of the late twentieth century, and today's biggest hits such as Matilda. Each London musical is discussed first as a success in England and then how it fared in America. The plots, songs, songwriters, performers, and producers for both the West End and the Broadway (or Off

Broadway) production are identified and described. The discussion is sometimes critical, evaluating the musicals and why they were or were not a success in New York.

*Godspell* - Janice A. Matthews 1975

The Oxford Handbook of Musical Theatre Screen Adaptations - Dominic McHugh 2019

Hollywood's conversion to sound in the 1920s created an early peak in the film musical, following the immense success of *The Jazz Singer*. The opportunity to synchronize moving pictures with a soundtrack suited the musical in particular, since the heightened experience of song and dance drew attention to the novelty of the technological development. Until the near-collapse of the genre in the 1960s, the film musical enjoyed around thirty years of development, as landmarks such as *The Wizard of Oz*, *Meet Me in St Louis*, *Singin' in the Rain*, and *Gigi* showed the exciting possibilities of putting musicals on the silver screen. *The Oxford Handbook of Musical Theatre Screen Adaptations* traces how the genre of the stage-to-screen musical has evolved, starting with screen adaptations of operettas such as *The Desert Song* and *Rio Rita*, and looks at how the Hollywood studios in the 1930s exploited the

publication of sheet music as part of their income. Numerous chapters examine specific screen adaptations in depth, including not only favorites such as *Annie* and *Kiss Me, Kate* but also some of the lesser-known titles like *Li'l Abner* and *Roberta* and problematic adaptations such as *Carousel* and *Paint Your Wagon*. Together, the chapters incite lively debates about the process of adapting Broadway for the big screen and provide models for future studies. **The Apple Tree** - Jerry Bock 198?

**Jesus, the Gospels, and Cinematic**

**Imagination** - Richard Walsh 2021-08-12

Jesus films arose with cinema itself. Richard Walsh and Jeffrey L. Staley introduce students to these films with a general overview of the Jesus film tradition and with specific analyses of 22 of its most influential exemplars, stretching from *La vie du Christ* (1906) to *Mary Magdalene* (2018). The introduction to each film includes discussion of plot, characters, visuals, appeal to

authority, and cultural location as well as consideration of the director's (and/or other filmmakers') achievements and style. Several film chapters end with reflections on problematic issues bedeviling the tradition, such as cultural imperialism and patriarchy. To assist teachers and researchers, each chapter includes a listing of DVD chapters and the approximate "time" (for both DVDs and streaming platforms) at which key film moments occur. The book also includes a Gospels Harmony cataloging the time at which key gospel incidents appear in these films. Extensive endnotes point readers to other important work on the tradition and specific films. While the authors strive to set the Jesus film tradition within cinema and its interpretation, the DVD/streaming listing and the Gospels Harmony facilitate the comparison of these films to gospel interpretation and the Jesus tradition.

*The Musical Theater of Stephen Schwartz* - Paul R. Laird 2014-04-10

As the composer/lyricist for *Godspell*, *Pippin*, *Wicked*, and other musicals, Stephen Schwartz has enjoyed one of the most significant careers in American musical theater for more than four decades. Schwartz has also achieved success on the big screen, contributing to such films as *Enchanted*, *The Prince of Egypt*, and *Pocahontas*. For his work, he has received six Tony nominations, three Grammys, and three Academy Awards. *The Musical Theater of Stephen Schwartz: From Godspell to Wicked and Beyond* is a detailed examination of Schwartz's various projects throughout his career. Musicologist Paul R. Laird discusses at length Schwartz's major shows and also considers his other ventures, such as the music and lyrics for animated features from Disney and Dreamworks. The book focuses on two major aspects of Schwartz's creations: the process of collaboration resulting in a project's completion and a descriptive analysis of his music and lyrics. Laird also describes each show's critical

reception and its place in the larger history of musical theater. Based on extensive interviews with Schwartz and a number of his major collaborators, this book provides a rare look into the creation of the composer and lyricist's shows and films. The Musical Theater of Stephen Schwartz is intended for fans as well as students and professional researchers in music, theater, and the musical theater.

**Critical Events in Teaching & Learning** -

Peter Woods 2012-05-04

This volume describes and analyses exceptional educational events – periods of particularly effective teaching representing ultimates in teacher and pupil educational experience. The events themselves are reconstructed in the book through teacher and pupil voices and through documentation. A model of 'critical event' is derived from the study, which might serve as a possible framework for understanding other

such occurrences in schools.

Prom - 2019

**The Gospel According to Matthew** - 1999

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

**The Seinfeld Scripts** - Jerry Seinfeld

1998-04-30

Jerry. George. Elaine. Kramer. We've followed their misadventures for nearly ten years on

Thursday nights. Here, finally, are the scripts of the first two seasons that will take you back to the beginning of Seinfeld. Featuring the first 17 episodes ever aired, *The Seinfeld Scripts* contains all the great lines that have kept us laughing for years: the pilot episode, "The Seinfeld Chronicles," where it all began; George introduces his importer/exporter alter ego Art Vanderlay in "The Stakeout"; Kramer becomes obsessed with cantaloupe in "The Ex-Girlfriend"; Jerry and George meet Elaine's dad in "The Jacket"; is Jerry responsible for a poor Polish woman's death when he makes "The Pony Remark"?; Jerry and Elaine decide to become intimate again in "The Deal"; what will George do when he is banned from the executive bathroom in "The Revenge"?; and Jerry, George, and Elaine wait for a table in "The Chinese Restaurant." It's all here: the award-winning writing of Seinfeld, "the defining sitcom of our age". Created by Larry David and Jerry Seinfeld. Elaine: My roommate has Lyme disease. Jerry:

Lyme disease? I thought she had Epstein-Barr syndrome? Elaine: She has this in addition to Epstein-Barr. It's like Epstein-Barr with a twist of Lyme disease. George: She calls me up at my office she says, "We have to talk." Jerry: The four worst words in the English language. Kramer: What a body. Yeeaaaah...that's for me. Jerry: Yeah and you're just what she's looking for, too--a stranger, leering through a pair of binoculars ten floors up.

**A Book about the Film Monty Python's Life of Brian** - Darl Larsen 2018-02-15

As a follow-up to their first true feature film, *Monty Python and the Holy Grail*, the comic troupe next decided to tackle a "shadow" version of the Christ story. Shot in the Middle East and produced during Margaret Thatcher's ascendant years, the film satirized—among other matters—authoritarianism and religious zealotry. Upon its release, *Monty Python's Life of Brian* was both a critical and commercial success, and has been since hailed as one of the

greatest comedies of all time. But the film also faced backlash from religious groups for its blasphemy, perceived or otherwise. In *A Book about the Film Monty Python's Life of Brian: All of the References from Assyrians to Zeffirelli*, Darl Larsen identifies and examines the plethora of cultural, historical, and topical allusions in the film. In this resource, Larsen delineates virtually every allusion and reference that appears in the film—from first-century Jerusalem through 1970s Great Britain. Organized chronologically by scene, the entries in this cultural history cover literary and metaphoric allusions, symbolisms, names, peoples, and places, as well as the many social, cultural, and historical elements that populate this film. By closely examining each scene, this book explores the

Pythons' comparisons of the Roman and British Empires and of Pilate and Margaret Thatcher. In addition, Larsen helps to situate *Life of Brian* in the "Jesus" re-examination of the postwar period, while also taking a close look at the terror groups of first-century Judea and the modern world. *A Book about the Film Monty Python's Life of Brian* will appeal to scholars of history, film, British culture, and pop culture, as well as to the many fans of this iconic group. [The Gospel According to Mark - 1999-01-01](#) The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave
