The Art of Psychic Reiki - Lisa Campion
2018-10-01

From master Reiki teacher Lisa Campion comes The Art of Psychic Reiki, a one-of-a-kind, step-by-step guide for learning the sacred art of Reiki while cultivating the psychic and intuitive skills crucial to this healing energy work. Reiki is a gentle yet powerful, hands-on energy healing method from Japan that's been gaining in popularity over the last century—not only with bodyworkers and massage therapists in the West but also with medical professionals who can attest to its healing power. Born from the author's decades of experience with Reiki healing and her own methods, The Art of Psychic Reiki provides everything you need to know about this healing art, including the critical psychic development and empathy training that prepares healers to go out and do the work they were meant to do. If you're drawn to the healing art of Reiki, you might be a highly sensitive person, with high levels of empathy, intuition,

and latent psychic abilities (a combination of intuition and inner knowing, plus the ability to connect with higher wisdom). And since Reiki is a form of energy healing, many new practitioners may experience what's called a psychic opening as they learn or practice. For this reason, it's important that every Reiki practitioner master the ability to navigate their empathic and psychic sensitivities while engaged in this work—and this book can help. Whether you're new to Reiki or you're a practitioner seeking to deepen your knowledge and enhance your skills, with this guide you'll learn how to use Reiki to heal yourself and others, cultivate and trust your natural intuition, develop your empathic and psychic abilities, work with your spirit guides, and ground and protect yourself as a practitioner of this sacred healing art.

All Women Are Healers - Diane Stein
2011-03-02

"By the study, experimentation and practice of natural healing, women are changing and charting the future of health care. Despite heavy resistance or lack of recognition from patriarchal medicine, they are nevertheless making positive changes that will continue and increase. The emphasis on self-healing returns health care to the consumer, to women's lives and bodies, for the first time in centuries. The medical system cannot control a movement held in the hands of women, though it may try. The Women's Book of Healing - Diane Stein 2004-05-19

Women are naturally healers. Throughout time, they have performed curative roles as mothers, midwives, caregivers, and wisewomen, but modern medicine has suppressed this important tradition. Ancient women healers knew that the body is more than what is seen: through body, emotions, mind, and spirit, we can connect with the Goddess and actively choose to heal ourselves and others. By relearning and using ancient skills like aura and chakra work, creative visualization, meditation, laying on of hands, psychic healing, and working with crystals and gemstones, women can prevent or transform many dis-eases of the body and spirit before they become matters for modern medicine. In THE WOMEN'S BOOK OF HEALING, Diane Stein, author of the best-selling ESSENTIAL REIKI, demystifies, explains, and teaches these skills in ways that modern women can learn and use. She first introduces basic healing, then applies those skills to healing with crystals and gemstones—a

beautiful, effective, and empowering aspect of the ancient woman's healing methods. A comprehensive guide from a knowledgeable healer, THE WOMEN'S BOOK OF HEALING proves that well-being is within a woman's choice and natural abilities, and reaffirms her timeless role as healer of herself and others. • An affirmation of woman's traditional role as healer, speaking to a national trend toward alternative medicine and natural healing methods. • Demystifies, explains, and teaches the healing capabilities of auras, chakras, laying on of hands, crystals, gemstones, and colors. • Thoroughly revised and updated, with a new introduction. • Diane Stein's books have sold more than 600,000 copies.
