White Crow - Marcus Sedgwick 2011-07-05

One of School Library Journal's Best Fiction Books of 2011 Some secrets are better left buried; some secrets are so frightening they might make angels weep and the devil crow. Thought provoking as well as intensely scary, Marcus Sedgwick's White Crow unfolds in three voices. There's Rebecca, who has come to a small, seaside village to spend the summer, and there's Ferelith, who offers to show Rebecca the secrets of the town...but at a price. Finally, there's a priest whose descent into darkness illuminates the girls' frightening story. White Crow is as beautifully written as it is horrifically gripping. This title has Common Core connections.

By Midnight - Mia James 2011

April Dunne is not impressed. She's had to move from Edinburgh to Highgate, London, with her parents. She's left her friends - and her entire life - behind. She has to start at a new school and, worst of all, now she's stuck in a creepy old dump of a house which doesn't even have proper mobile phone reception.

Ravenwood, her new school, is a prestigious academy for gifted (financially or academically) students - and the only place her parents could find her a place, in the middle of term, in the middle of London, on incredibly short notice. So she's stuck with the super-rich, and the super-smart . . . and trying to fit in when the rest of the students seem to be more glamorous, smarter, or more talented than she is, is more than tough. It's intimidating and isolating, even when she finds a friend in the conspiracy-theorist Caro Jackson - and perhaps finds something more than friendship in the gorgeous, mysterious Gabriel Swift. But there's more going on at Ravenwood than meets the eye. Practical jokes on new students are normal, but when Gabriel saves her from . . . something . . . in Highgate Cemetery, and then she discovers that a murder took place just yards away from where she had been standing, April has to wonder if something more sinister is going on. . . . and whether or not she's going to live through it . . . Into the Woods - John Yorke 2014-05-29

An analysis of the fundamental narrative structure, why it works, the meanings of stories, and why we tell them in the first place. The idea of *Into the Woods* is not to supplant works by Aristotle, Lajos Egri, Robert McKee, David Mamet, or any other writers of guides for screenwriters and playwrights, but to pick up on their cues and take the reader on a historical, philosophical, scientific, and psychological journey to the heart of all storytelling. In this exciting and wholly original book, John Yorke not only shows that there is truly a unifying shape to narrative—one that echoes the great fairytale journey into the woods, and one, like any great art, that comes from deep within—he explains why, too. With examples ranging from *The Godfather* to *True Detective*, *Mad Men* to *Macbeth*, and fairy tales to *Forbrydelsen* (*The Killing*), Yorke utilizes Shakespearean five-act structure as a key to analyzing all storytelling in all narrative forms, from film and television to theatre and novel-writing—a big step from the usual three-act approach. *Into the Woods: A Five-Act Journey into Story* is destined to sit alongside David Mamet's *Three Uses of the Knife*, Robert McKee's *Story*, Syd Field's *Screenplay*, and Lajos Egri's *The Art of Dramatic Writing* as one of the most original, useful, and inspiring books ever on dramatic writing. Praise for *Into the Woods* "Love storytelling? You need this inspiring book. John Yorke dissects the structure of stories with a joyous enthusiasm allied to precise, encyclopedic knowledge. Guaranteed to send you back to your writing desk with newfound excitement and drive." —Chris Chibnall, creator/writer, *Broadchurch* and *Gracepoint* "Outrageously good and by far and away the best book of its kind I've ever read. I recognized so much truth in it. But more than that, I learned a great deal. Time and again, Yorke articulates things I've always felt but have never been able to describe. . . . This is a love story to story—erudite, witty and full of practical magic. I struggle to think of the writer who wouldn't benefit from reading it—even if they don't notice because they're too busy enjoying every page." —Neil Cross, creator/writer, *Luther* and *Crossbones* "Part 'how-to' manual, part 'why-to' celebration, *Into the Woods* is a wide-reaching and infectiously passionate exploration of storytelling in all its guises . . . exciting and thought-provoking." —Emma Frost, screenwriter, *The White Queen* and *Shameless*

The Art of Cars - Michael Wallis 2015-11-03

In the tradition of the smash hits *Toy Story*, *A Bug's Life*, *Toy Story 2*, *Monsters, Inc.*, *Finding Nemo*, and *The Incredibles* comes the newest film from Pixar Animation Studios, *Cars*, the story of a race car who learns that it's not all about the fast lane. (In fact, life begins at the off-ramp.) Offering an insider's view into the artistic development of *Cars*, this gorgeously illustrated book celebrates the whimsical yet painstaking research that fueled Pixar's directors, production designers, and artists. Fascinating storyboards, full-color pastels, on-the-road snapshots, and hundreds of character sketches reveal the origins of Pixar's charming and clever automobile-based world. Gleaned from the team's trips to racetracks and down the famed Route 66, *The Art of Cars* is as colorful as its memorable story and characters, making this book—the only movie tie-in for adults—a spirited ride down the road of a masterful animated feature film. *Cars* is a Walt Disney Pictures presentation of a Pixar Animation Studios film. 2006 by Disney Enterprises, Inc./Pixar Animation Studios. Just Between Us - Maya Linden 2013

Empathetic, supportive and respectful... Or competitive, manipulative and downright bitchy? Or somewhere in between? In *Just Between Us*, a host of Australia's best-loved female writers bare all on this age-old quandary: Are female friendships all-natural and nurturing? Or are some more damaging than delightful? And most of all, what happens when female relationships go off the rails? And who is to blame? While falling in and out of romantic love is a well-documented experience, losing a friend rarely gets discussed. Which doesn't mean the pain is less - quite the opposite, as we discover in this extraordinary collection of heartfelt fiction and non-fiction works that put female friendship in the spotlight. Nikki Gemmill looks at the hardwiring that keeps us bonded in tightly knit packs, but makes us feel oh-so-claustrophobic in mothers groups and at the school gate. Melina Marchetta reveals the peculiar shame of being overlooked for the high-status netball positions of Centre and Goal Attack. Liz Byrski conducts a forensic examination of her own friendship history, and finds some uncomfortable patterns. And Merridy Eastman pens a letter from Helena to Hermia from *A Midsummer Night's Dream*, which shines the light on one of literature's most famously dysfunctional female friendships.

Ode to a Tenor Titan - Bill Milkowski 2021-10-01

After John Coltrane, there was no more revered and profoundly influential saxophonist on the planet than Michael Brecker. For those coming of age in the 1970s, during that transitional decade when the boundaries between rock and jazz had begun to blur, Brecker stood as a transcendent figure. He was their Trane. Ode to a Tenor Titan follows Michael's story from growing up in Philadelphia, finding his tenor sax voice during his brief stint at Indiana University, making his move to New York City in 1969 and taking the Big Apple by storm through the sheer power of his monstrous chops on the instrument. A commanding voice in jazz for four decades, Brecker possessed peerless technique (a byproduct of his remarkable work ethic and relentless woodshedding) and an uncanny ability to fit into every musical situation he encountered, whether it was as a ubiquitous studio musician (more than nine hundred sessions) for such pop stars as Paul Simon, James Taylor, Bruce Springsteen, Todd Rundgren, Chaka Khan, and Steely Dan; playing with seminal fusion bands like Dreams, Billy Cobham, and the Brecker Brothers; or collaborating with the likes of Frank Zappa, Charles Mingus, Pat Metheny, and Herbie Hancock. But his biggest triumphs

came as a bandleader during the last twenty years of his career, when he produced some of the most challenging, inspired, and visionary modern jazz recordings of his time. A preternaturally gifted player whose facility seemed almost superhuman, he was also modest to a fault and universally beloved by fellow musicians. After coming through a dark decade of heroin addiction, he turned his life around and became a beacon for countless others to lead clean and sober lives. At the peak of his powers, he was struck down by a rare preleukemic blood disease that sidelined him for two and a half years. He got off a sick bed to make a heroic comeback with his swan song, Pilgrimage, which Pat Metheny called "one of the great codas in modern music history" and which earned him a posthumous Grammy Award in 2007. Michael Brecker was a player of tremendous heart and conviction as well a person of rare humility and kindness, and his story is one for the ages.

American Rhone - Patrick J. Comiskey 2016-10-11

"Thoughtfully conceived and very well written, this is essential somm reading."—The Somm Journal "This is the most important wine book of the year, perhaps in many years."—The Seattle Times "Crisply written, impeccably researched, balanced if fundamentally enthusiastic, scholarly but accessible, and full of unexpected details and characters."—The World of Fine Wine No wine category has seen more dramatic growth in recent years than American Rhône-variety wines. Winemakers are devoting more energy, more acreage, and more bottlings to Rhône varieties than ever before. The flagship Rhône red, Syrah, is routinely touted as one of California's most promising varieties, capable of tremendous adaptability as a vine, wonderfully variable in style, and highly expressive of place. There has never been a better time for

American Rhône wine producers. American Rhône is the untold history of the American Rhône wine movement. The popularity of these wines has been hard fought; this is a story of fringe players, unknown varieties, and longshot efforts finding their way to the mainstream. It's the story of winemakers gathering sufficient strength in numbers to forge a triumph of the obscure and the brash. But, more than this, it is the story of the maturation of the American palate and a new republic of wine lovers whose restless tastes and curiosity led them to Rhône wines just as those wines were reaching a critical mass in the marketplace.

Patrick J. Comiskey's history of the American Rhône wine movement is both a compelling underdog success story and an essential reference for the wine professional.

"I THINK ONE OF DADDY'S LITTLE GIRLS KILLED HIM." For the four glamorous daughters of Lord Oswald Balcon, money can buy anything. From Fendi handbags to Ivy League educations, they live in a world of designer labels and unrestricted opulence -- their father's money and aristocratic status, coupled with their dazzling good looks, bought them every opportunity and advantage. They are beautiful, blond, and barely thirty, and the world is their luxury playground. Venetia, the sophisticated interior designer, has booming professional success but is desperate for a child and an escape from a loveless marriage. Camilla, the rising political star, is too brilliant and ambitious for any of her unworthy lovers to handle. Sweet yet savvy Cate is living out her ultimate dream, launching her own magazine, with an all-too-handsome business partner. The baby of the family, Serena, is one of the country's most beautiful actresses, on the cusp of international stardom, but her party-girl lifestyle is bringing about more scandal than success. The girls are the darlings of the London paparazzi, but when Lord Balcon turns up dead, the shadow of

suspicion falls on his four daughters. A jealous tyrant, Daddy has tried to bring his daughters down all their lives. These four women -- at the top of their careers in show business, publishing, interior design, and politics -- must face an awful accusation, and each other, as they try to discover the truth that lies beneath the glossy surface of their lives. The facade of the Balcon family hides a web of deceit and betrayal, in which a thirty-year-old secret lurks, threatening to destroy them all. From the sun-drenched beaches of the Caribbean to Manhattan's elite society circuit, from the exclusive fashion houses of Milan to the star-studded streets of Cannes, the Balcon sisters play out their lives in a whirl of glitz and the ultra chic. But as tragedy and danger stalk every one of them, the scene is set for a stunning climax.

Andre de Dienes - André De Dienes 2005

During 1945 Andre de Dienes (1913-1985) photographed a young model named Norma Jean. His subsequent five-year working relationship with the woman who became Marilyn Monroe is the beginning of de Dienes's career in Hollywood. He photographed celebrities, and his documentary work took him from Muscle Beach in Venice to sharecroppers working the cotton fields of the deep South. But his first love in photography was the female nude, and in his lifetime he photographed and published thousands of these pictures. Selected from the archives of his estate are seventy-five of the finest images printed by the artist.

Reproduced actual size these prints are a time capsule of half-century old interpretations of female beauty.

Live-in tutor wanted for four-year-old. Must be willing to relocate to a remote mountain estate. \$3K/week cash. On the run from ruthless killers, I'm down to ten bucks in my wallet and a half-tank of gas in my ancient car when I spot the ad. The job sounds like the answer to my prayers, but there's a catch. The child's father is the most beautiful, most dangerous man I've ever met. Darkly seductive and filthy rich, Nikolai Molotov is a tantalizing mystery, a lethally alluring contradiction. I should've heeded them... because I'm not the only one with secrets. My safe haven just might be the devil's lair, and once he's claimed me, it will be too late to run.
