A Death in White Bear Lake - Barry Siegel 2017-09-26

A mother's search for the son she gave up uncovers terrifying secrets in a Minnesota town in this "masterfully depicted true-crime tale" (Publishers Weekly). In 1962, Jerry Sherwood gave up her newborn son, Dennis, for adoption. Twenty years later, she set out to find him—only to discover he had died before his fourth birthday. The immediate cause was peritonitis, but the coroner had never decided the mode of death, writing "deferred" rather than indicate accident, natural causes, or homicide. This he did even though the autopsy photos showed Dennis covered from head to toe in ugly bruises, his clenched fists and twisted facial expression suggesting he had died writhing in pain. Harold and Lois Jurgens, a middle-class, churchgoing couple in picturesque White Bear Lake, Minnesota, had adopted Dennis and five other foster children. To all appearances, they were a normal midwestern family, but Jerry suspected that something sinister had happened in the Jurgens household. She demanded to know the truth about her son's death. Why did authorities dismiss evidence that marked Dennis as an endangered child? Could Lois Jurgens's brother, a local police lieutenant, have interfered in the investigation? And most disturbing of all, why had so many people who'd witnessed Lois's brutal treatment of her children stay silent for so long? Determined to find answers, local detectives and prosecutors rebuilt the case brick by brick, finally exposing the shocking truth behind a nightmare in suburbia. A finalist for the Edgar Award, *A Death in White Bear Lake* is "a distinguished entry in the annals of crime documentary," and a vivid portrait of the all-American town that harbored a sadistic killer (The Washington Post).

Navajo Textiles - Nancy J. Blomberg 1994-07-01

William Randolph Hearst's collection of Navajo textiles is one of the most complete gatherings of nineteenth-century Navajo weaving in the world. Comprising dozens of Classic Period serapes, chief blankets, Germantown eyedazzlers, and turn-of-the-century rugs, the 185-piece collection was donated to the Los Angeles County Museum of Natural History in 1942 but for the next forty years was known only to a handful of scholars. Hearst began acquiring textiles from the Fred Harvey Company after viewing an exhibit of Indian artifacts. Over four decades he amassed a collection spanning more than a century of Navajo weaving and including nearly every major type produced from 1800 to 1920. Hearst's passion for American Indian artifacts was so strong that he had originally visualized his now-famous castle in San Simeon as a showplace for his Navajo textile collection. At a time when the Harvey Company was itself influencing the development of Indian handcrafts by opening up the tourist market, Hearst contributed to this influence by expressing his own artistic preference for rare and unusual pieces. This catalogue raisonné, featuring nearly 200 illustrations, provides the general public with the first look at this important collection. Nancy Blomberg's narrative introduces the reader to the history of Navajo weaving and documents Hearst's role in its development. The heart of the book provides a detailed analysis of each textile: fibers, yarn types, dyes, and designs. Navajo Textiles thus constitutes an invaluable reference for scholars and collectors and will be enjoyed by anyone who appreciates these beautiful creations from the Navajo loom.

Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.
