Behold a Pale Horse - William Cooper 2012-04-11
Bill Cooper, former United States Naval Intelligence Briefing Team member, reveals information that remains hidden from the public eye. This information has been kept in Top Secret government files since the 1940s. His audiences hear the truth unfold as he writes about the assassination of John F. Kennedy, the war on

drugs, the Secret Government and UFOs. Bill is a lucid, rational and powerful speaker who intent is to inform and to empower his audience. Standing room only is normal. His presentation and information transcend partisan affiliations as he clearly addresses issues in a way that has a striking impact on listeners of all backgrounds and interests. He has spoken to

many groups throughout the United States and has appeared regularly on many radio talk shows and on television. In 1988 Bill decided to "talk" due to events then taking place worldwide, events which he had seen plans for back in the early '70s. Since Bill has been "talking," he has correctly predicted the lowering of the Iron Curtain, the fall of the Berlin Wall and the invasion of Panama. All Bill's predictions were on record well before the events occurred. Bill is not a psychic. His information comes from Top Secret documents that he read while with the Intelligence Briefing Team and from over 17 years of thorough research. "Bill Cooper is the world's leading expert on UFOs." -- Billy Goodman, KVEG, Las Vegas. "The onlt man in America who has all the pieces to the puzzle that has troubled so many for so long." - - Anthony Hilder, Radio Free America "William Cooper may be one of America's greatest heros, and this story may be the biggest story in the history

of the world." -- Mills Crenshaw, KTALK, Salt Lake City. "Like it or not, everything is changing. The result will be the most wonderful experience in the history of man or the most horrible enslavement that you can imagine. Be active or abdicate, the future is in your hands." -- William Cooper, October 24, 1989.

Buddy Emmons - Steve Fishell 2022-09-06

The acknowledged maestro of the pedal steel guitar, Buddy Emmons lent his unparalleled virtuosity to over five decades of hit recordings and set standards that remain the benchmark for musicians today. Steve Fishell's merger of

biography and memoir draws extensively on in-depth interviews with Emmons and the artist's autobiographical writings. Emmons went from playing strip clubs to a Grand Ole Opry debut with Little Jimmy Dickens at age 18. His restless experimentation led to work with Ernest Tubb and Ray Price--and established him in a career that saw him play alongside a who's who of American music. Fishell weaves in stories and anecdotes from Willie Nelson, Brenda Lee, Linda Ronstadt, Pat Martino, and many others to provide a fascinating musical and personal portrait of an innovator whose peerless playing and countless recordings recognized no boundaries. A one-of-a-kind life story, Buddy Emmons expands our view of a groundbreaking artist and his impact on country music, jazz, and beyond.

The Language of Journalism - Melvin J. Lasky

"Hugely enjoyable--and valuable. I dropped everything else to read it. A treasure..."--

Charles Wheeler, senior foreign correspondent, the BBC
The newspaper is to the twentieth century what the novel was for the nineteenth century: the expression of popular sentiment. In the first of a three-volume study of journalism and what it has meant as a source of knowledge and as a mechanism for orchestrating mass ideology, Melvin J. Lasky provides a major overview. His research runs the gamut of material found in newspapers, from the trivial to the profound, from pseudo-science to habits of solid investigation. The volume is divided into four parts. The first attacks deficiencies in grammar and syntax with examples from newspapers and magazines drawn from the German as well as English-language press. The second examines the key issues of journalism: accuracy and authenticity. Lasky provides an especially acute account of differences between active literacy and passive viewing, or the relationship of word and picture in defining authenticity.

The third part emphasizes the problem of bias in everything from racial reporting to cultural correctness. This is the first systematic attempt to study racial nomenclature, identity-labeling, and literary discrimination. Lasky follows closely the model set by George Orwell a half century earlier. The final section of the work covers the competition between popular media and the redefinition of pornography and its language. The volume closes with an examination of how the popular culture both influenced and was influential upon literary titans like Hemingway, Lawrence, and Tynan. Melvin J. Lasky was the editor of *Encounter in England* from 1958 until its close in 1990. It was viewed as the most brilliant European periodical of its time. Lasky served as foreign correspondent for the *New York Times* and *The Reporter*, and has written for many of the intellectual journals from *Partisan Review* to *Commentary*. He is the author of *The Hungarian Revolution,*

Africa for Beginners, Utopia and Revolution, On the Barricades, and Off, and Voices in a Revolution.

Planets for Pagans - Shesso, Renna 2014-12-01

"The sky was our original calendar, our original storybook, the first illustrated edition, the prototype GPS. Beyond its pragmatic usefulness, the sky was the domain of spirit, traversed by deities and a place to which human souls departed. Let's re-enchant it, shall we?"-Renna Shesso Impeccably researched by one of the most eclectic pagan scholars working today, this book aims to reengage our fascination with the planets and stars. Shesso looks at the mythology, legend, science and lore about the planets and most significant stars in a chapter-by-chapter format. Included are nearly 150 diagrams and illustrations--of the heavens,

astrological views, depictions of gods and goddesses, sky totems, Tarot symbols, star charts, and more. Anyone with even a vaguely pagan bent, anyone with a reverence for the natural world, who has ever marveled at the night sky will love this enchanted view of the planets and stars.

The Never-Ending Revival -

Michael F. Scully 2008-03-04
Focusing on American folk music and roots music since the 1950s, *The Never-Ending Revival*: Rounder Records and the Folk Alliance analyzes the intrinsic contradictions of a commercialized folk culture. In recent years, both Rounder Records and the North American Folk Music and Dance Alliance have sought to make folk music widely available, while simultaneously respecting its defining traditions and unique community atmosphere. Tracing the histories of these

organizations, Michael F. Scully explores the lively debates about the difficulty of making commercially accessible music, honoring tradition, and remaining artistically relevant, all without "selling out." He combines rich interviews of music executives and practicing folk musicians with valuable personal experience to reveal how this American subculture remains in a "never-ending revival" based on fluid definitions of folk and folk music.

Morrissey & Marr: The

Severed Alliance - Johnny

Rogan 2012-06-26

Morrissey & Marr: The Severed Alliance is among the most successful - and controversial - rock biographies ever published. Having denounced the book and called for the death of its author Johnny Rogan, Morrissey later did a U-turn and cited it as evidence in the royalty-related court case brought by Smiths drummer Mike Joyce. Now, 20 years after it was first published, Rogan has returned to his definitive

Smiths biography to produce a completely revised edition based on new information and new interviews to add to the almost 100 initially conducted over a four-year period. Widely acclaimed as one rock's leading writers, Johnny Rogan now brings yet more insight and analysis to his best-selling book that revealed, for the first time, the true and unsanitised story of The Smiths - the most important group of their generation.

Armored Angels Alliance - Daniel Duvall 2010-05
Five young born-again Christians form an alliance. They promise to look out for one another as they face the world and all of the drama that goes with it. They are also committed to sharing their faith with others. They each learn lessons about forgiveness and true repentance as they face personal trials and tribulations. Their faith and stamina are put to the test

when they each must face personal crises. Scott sets out to help a young boy who is found wandering the streets late at night. Valerie must set aside the painful memories of her past in order to be strong enough to help out someone in need. Samantha is concerned for the welfare of her mother who is trapped in a desperate situation. Lincoln's main concern is for his grandmother who lives alone in a big house. Chris attempts to share his faith with a friend from the past who is living a self-destructive lifestyle. Through it all they learn that love is the most powerful key to open the door to everlasting peace and contentment.

Loose Cannons and Other Weapons of Mass Political Destruction - J. D. Elder
2008-02-01

Just in time for the presidential election, a political satire that finally puts politics in proper perspective- by equating it with professional wrestling.

DeWayne Cantrell, a reformed politician, is co-owner of Buckland County Extreme Wrestling- a political pro wrestling federation that satirizes politics and the political elites on a weekly basis. BCEW eventually catches the eye of David Hutchinson, a powerful United States Senator from Ohio running for re-election, and he subpoenas DeWayne to appear before a hearing of his Senate sub-committee. After a heated exchange with Hutchinson at the hearing, Cantrell realizes it's not a joke anymore. Can DeWayne stand up for the little guy and stick it to the Washington D.C. elites? And to

what lengths will the professional politicians, political operatives, and special interest groups go to stop him? And will American politics ever be the same?
