The Flowers of True Love - Susan Igogo
2016-08-19

Lynn Lovelock is a curvy, sexy, incredible-looking banker; she grew up in a small town near Kansas State. Her life was ordinary until she met Matt, a funny, handsome, and very hardworking man who was passionate about providing his financial expertise all over the world. At thirty years old, she was wishing for the happy-ever-after of life, but Matt was on and off, which led her to ask the status of their relationship. Matt told her he was still playing field and was not ready for a serious relationship with Lynn or any other woman. Her heart was broken, and her hopes dissolved. She could not see life without him. So she left the town she

was born and raised in and moved to the city with no thought of seeking any other special person. While in the city, however, life circumstances brought her an unavailable man, a cheater, a lifetime bachelor, and a homosexual. She gave up the idea of happy endings. Finally, she met Ajay, an international student who reminded her that true love existed on earth at any age. She let him be the captain of love, sailing in their love boat to blissful shores. On their way, racial storms and cultural waves made their journey challenging. Would they let interracial dating sink their love? Or would they overcome all the tribulations and tie the knot?

The Real Christ - Duncan Heaster 2009

"Beginning with basic Bible teaching about the Lord Jesus Christ, Duncan Heaster proceeds to deconstruct the popular Trinitarian view of Jesus. But the author doesn't leave us with nothing in its place. He explores at great depth the character of the Lord Jesus, using close study of the Biblical text to perform a kind of archaeology of ancient personality. And he relentlessly pursues to the end his cardinal point: that knowing the real Christ is the essence of true Christianity, both now and eternally."--p. 4 of cover.

Roman Religion - Valerie M. Warrior 2006-10-16

Examining sites that are familiar to many modern tourists, Valerie Warrior avoids imposing a modern perspective on the topic by using the testimony of the ancient Romans to describe traditional Roman religion. The ancient testimony recreates the social and historical contexts in which Roman religion was practised. It shows, for example, how, when confronted with a foreign cult, official traditional religion accepted the new cult with suitable modifications. Basic difficulties, however, arose with regard to the monotheism of the Jews and Christianity. Carefully integrated with the text are visual representations of divination, prayer, and sacrifice as depicted on monuments, coins, and inscriptions from public buildings and homes throughout the Roman world. Also included are epitaphs and humble votive offerings that illustrate the piety of individuals, and that reveal the prevalence of magic and the occult in the spiritual lives of the ancient Romans.

In Season and Out of Season - David Gitari 2011-05-26

A challenging collection of 25 prophetic sermons preached between 1975 and 1994 by Bishop David Gitari. Throughout these sermons Gitari is at pains to apply the biblical message to the complex, contemporary scene in Kenya, influenced by the example of such preachers as Martin Luther King and John Stott, unafraid to speak out on social and political issues and

against corruption, and justice. Where appropriate, the setting and background to the preaching of the sermon is provided, as well as events which followed the preaching.

Novation, on the Trinity, Letters to Cyprian of Carthage, Ethical Treatises - Novatianus 2015-12-31

Novatian was a priest of Rome in the third century who wrote a commentary on the Rule of Faith, commonly titled, On the Trinity. Although the document is not well known outside of the field of early Christian studies, it made an important contribution to the doctrine of the Trinity in the early Church, and as several scholars have maintained, it helped set the stage for the definition of the faith known as the Nicene Creed. Novatian would eventually find himself at the center of a controversy which led to a schism of the Church, and so his works were relegated to obscurity for centuries. However, in its time, Novatian's On the Trinity was the epitome of Roman theology, and as some have argued, it was even ahead of its time. The present volume contains the complete works of Novatian translated into English, with an introduction and full bibliography of Novatian studies. This new translation takes into account the latest scholarship on Novatian, and brings the documents up to a new level of clarity and readability. The source text of this volume appeared in Corpus Christianorum Series Latina as Novatianus - Opera quae supersunt (CCSL 4), edited by G. F. Diercks. References to the corresponding pages of the Corpus Christianorum edition are provided in the margins of this translation.

Ellen G. White Special Testimonies Series: A and B - Ellen G. White 2013-05-01

From about 1890 to 1910, there were some 230 articles of Ellen G. White published in two groups of tracts/pamphlets which became known as Ellen G. White Special Testimonies Series: A and B. These counsels from the Lord were directed to various levels of leadership of the Seventh-day Adventist Church concerning the tumultuous church events of those years—the 1888 Righteousness by Faith crisis; 1901 Church reorganization, General Conference move to Washington, D. C.; fiery judgments of health and publishing institutions at Battle Creek; loss of Dr. John Harvey Kellogg and Battle Creek Sanitarium to apostasy; establishment of Loma Linda as an educational center; and establishment of multiple other sanitariums and schools. In addition to the important history covered by these 31 tracts, there is much spiritual and confidence inspiring counsel confirming that indeed God is in charge of His work. Regardless of difficulties, and discouraging appearances, He will lead His work to a successful completion.

The Acts of the Apostles - Ellen G. White
2014-05-26

The fifth book of the New Testament has been known from ancient times as The Acts of the Apostles; but this title cannot be found in the book itself. One of the earliest manuscripts, the Codex Sinaiticus, gives as the title the simple word Acts, with no mention of the apostles. There is a reason for this. Acts was intended to be more than a brief history of the service rendered by the twelve disciples, much more than the principal events in the lifework of its four leading characters, Peter, James, John, and Paul. The Acts of the Apostles was one of the last books written by Ellen G. White. It was

published a few years before her death. It is one of the most illuminating volumes that came from her prolific pen. The average reader will find in it light for Christian witnessing. The message of the book is up to date, and its relevancy is reflected in the effort of the author to show that the twentieth century will witness a bestowal of spiritual power exceeding that of Pentecost. The work of the gospel is not to close with a lesser display of the Holy Spirit's power than marked its beginning.

Steps to Personal Revival - Helmut HAUBEIL
2020-03-17

On August 14, 2011, when I was in Kandergrund in the Bernese Highlands in Switzerland an important connection became very clear to me. I recognized a spiritual cause for why we are losing part of our youth. I was very shocked. I thought of my children and grandchildren. Since then I have been intensively occupied with this subject. Now I believe that the same spiritual cause is behind many of our problems; specifically the personal problems, in the local churches and the world-wide church. It is the lack of the Holy Spirit. If this is the cause, then we should urgently address this issue. If the cause can be eliminated or considerably reduced, then many problems will become superfluous or will be resolved.
