Norsk Engelsk Ordbok - Einar Haugen 1974-05-15

For more than forty years, the Haugen Norwegian-English Dictionary has been regarded as the foremost resource for both learners and professionals using English and Norwegian. With more than 60,000 entries, it is esteemed for its breadth, its copious grammatical detail, and its rich idiomatic examples. In his introduction, Einar Haugen, a revered scholar and teacher of Norwegian to English speakers, provides a concise overview of the history of the language, presents the pronunciation of contemporary Norwegian, and introduces basic grammatical structures, including the inflection of nouns and adjectives and the declension of verbs.

Colorful Rhyming Books for Preschoolers Dictionary for Kids English Norwegian - Jennifer & Smith Education 2020-04-28

Rhyming teaches children how language works. It helps them notice and work with the sounds within words. When children are familiar with a nursery rhyme or rhyming book, they learn to anticipate the rhyming word. This prepares them to make predictions when they read, another important reading skill. Read rhyming books to your child. If possible, try to have reading time at least once a day. As always, reading time should be a fun and enjoyable time for both of you, and it helps to build reading activity into part of a routine. Reading before bedtime is a good way to introduce the activity into your child's day.

[Sett i Gang](#) - Kari Dorer 2016-08-12

Sett i gang is designed for the North American learner who is just starting to study Norwegian language and culture. Sett i gang is a complete and versatile beginning Norwegian curriculum that will help a learner develop language skills and cultural understanding through activities that explore the relationship between one's own culture and that of Norway. Whether you are learning Norwegian at a university, in a community education course, or as a self-study project, this text will give you the skills to explore Norway in a unique and exciting manner. Sett i gang will introduce you to a contemporary Norway with progressive social-democratic values, an increasingly diverse population, and cities pulsing with cosmopolitan energy. In addition, Norway is a country where international diplomacy is valued, cell phones abound and contemporary style is intertwined with the traditional. Sett i gang will also connect you with historic Norway, a country with breathtaking natural beauty and strong traditions in mythology, folk music, bunads, and cuisine. We hope that you enjoy your journey that will connect you to Norway and Norwegians-both linguistically and culturally.

Scandinavian Song - Anna Hersey 2016-08-11

Scandinavian art songs are a unique expression of the cultures of Sweden, Norway, and Denmark. Although these three countries are distinct from one another, their languages and cultures share many similarities. Common themes found in art and literature include a love of nature, especially of the sea, feelings of longing and melancholy, the contrast between light and dark, the extremes of the northern climate, and lively folk traditions. These shared sensibilities are reflected and expressed in a tangible way through music. Scandinavian art song has faced several challenges over the years in North America (even in the American Midwest, where descendants of Scandinavian immigrants are concentrated). But matters have changed recently with the recent expansion of diction curricula to cover languages other than English, French, German, and Italian. The primary obstacle remains practical resources for the study of art songs and lyric diction of Sweden, Norway, and Denmark. This guide remedies this problem. Scandinavian Song is a practical guide to the art songs of Sweden, Norway, and Denmark. Unlike other sources that give at best a cursory overview of lyric diction in the Scandinavian languages, this guide provides practical information, enabling teachers and students to render transcriptions of Swedish, Norwegian, and Danish texts into the International Phonetic Alphabet (IPA)—an absolute necessity for any study of repertoire. An extensive survey of available music, sample IPA transcriptions and translations, as well as a website link with native speakers reciting selected song texts, make this book an invaluable resource for students and professors in North American college, university, and conservatory voice programs.

Conference proceedings. ICT for language learning. 10th Edition - Pixel 2017-10-23

Metaphors in Learner English - Susan Nacey 2013-11-15

This volume presents results from a corpus-based investigation into the metaphorical production of foreign language learners, comparing texts written by Norwegian (L2) learners of English with those written by British (L1) students. Three types of questions are addressed. The first has empirically measured answers: For example, do L2 English writers produce more metaphors than L1 novice writers? How frequent are novel metaphors in an L2, as compared with an L1? The second type has more subjective answers: How creatively do L2 English learners employ metaphor? Are they even expected to be able to produce metaphor at all? The third type combines theoretical and methodological perspectives: How is metaphorical creativity identified? What is the potential role of metaphoric competence? Most importantly, how are metaphors identified? To this end, the newly-developed 'Metaphor Identification Procedure' is tested and critiqued. This book is intended for metaphor researchers, corpus linguists, applied linguists and language educators.

English / Norwegian Dictionary - John Rigdon 2018-01-05

This bi-lingual dictionary contains 25,000 word pairs in English and Norwegian. You will note that approximately 5% of the words are the same in both languages (cognates). Each word is also identified for its

part of speech (N)oun, (V)erb, (P)ronoun, (A)djective, and (adv)erb. For pronunciation and definitions of the words in this book, see our website at <http://www.wordsrus.info> This dictionary is excerpted from our WordsRUs system which is based on Princeton's Wordnet. Additional language pairs are available. We also publish an English / Norwegian Dictionary with definitions. Check our website for availability.

Diachronic Perspectives on Domain-specific English - Marina Dossena 2006

This volume reflects the results of a workshop on the investigation of specialized discourse in a diachronic perspective, held within the 15th European Symposium on Language for Special Purposes ('New Trends in Specialized Discourse', Bergamo 2005). The articles deal with developments from the late medieval period to the present day, and the book encompasses studies in which the long-established tradition of domain-specific English is highlighted. The fields of contributions range from scientific to legal to political and business discourse. Special attention is given to argumentation, in an attempt to assess the time-depth of typical rhetorical strategies. Some methodological innovations are introduced in corpus linguistics. Numerous contributions bring new materials to scholarly discussion, as recently released or in-progress 'second-generation' corpora are used as data. Recent changes in present-day legal and scientific writing are also discussed as they witness fast adaptation to new requirements, due to the advent and growing familiarity of new technologies, international law and changes in academia.

Short Stories in Norwegian for Beginners - Olly Richards 2020-01-23

An unmissable collection of eight unconventional and captivating short stories for young and adult learners of Norwegian. "Olly's top-notch language-learning insights are right in line with the best of what we know from neuroscience and cognitive psychology about how to learn effectively. I love his work - and you will too!" - Barbara Oakley, PhD, Author of New York Times bestseller *A Mind for Numbers* Short Stories in Norwegian for Beginners has been written especially for students from high-beginner to low-intermediate level, designed to give a sense of achievement, a feeling of progress and most importantly - enjoyment! Mapped to A2-B1 on the Common European Framework of Reference (CEFR) for languages, these eight captivating stories are designed to give you a sense of achievement and a feeling of progress when reading. What does this book give you? - Eight stories in a variety of exciting genres, from science fiction and crime to history and thriller - making reading fun, while you learn a wide range of new vocabulary - Controlled language at your level to help you progress confidently - Authentic spoken dialogues to help you learn conversational expressions and improve your speaking ability - Accessible grammar so you learn new structures naturally, in a stress-free way - Beautiful illustrations accompanying each story, to set the scene and support your understanding - Pleasure! Research shows that if you're enjoying reading in a foreign language, you won't experience the usual feelings of frustration - 'It's too hard!' 'I don't understand!' Carefully curated to make learning a new language easy, these stories include key features that will support and consolidate your progress, including: - A glossary for bolded words in each chapter - Full plot summary - A bilingual word list - Comprehension questions after each chapter. As a result, you will be able to focus on enjoying reading, delighting in your improved range of vocabulary and grasp of the language, without ever feeling overwhelmed. From science fiction to fantasy, to crime and thrillers, Short Stories in Norwegian for Beginners will make learning Norwegian easy and enjoyable.

Lexicography and Terminology - Olga Karpova 2009-03-26

The present book contains a collection of works devoted to current trends in theoretical and practical lexicography, terminology and terminography. All papers are divided into two main sections. Part I: Lexicography deals with analysis of historical and typological problems in lexicography with special reference to English, Italian, Russian and Southern African dictionaries for general- and special- purposes. The main focus is given to the description of principles in lexicographic presentation of non-equivalent lexics, rhyming slang, idioms, clichés and gender nominations of people in bilingual and monolingual dictionaries. Part II: Terminology and Terminography is devoted to description of the current tendencies observed in terminology and terminography studies with special reference to modern European languages such as English, Russian, Norwegian, etc. Terms of different special domains are viewed from the angle of the latest achievements of modern science, cognitive linguistics in particular. It reveals specific features of terminological word-combinations, terms in colloquial use, peculiarities of terms belonging to newly formed Languages for Special purposes, typical features of recently appeared LSPs and presentations of new dictionaries' projects of different subject areas. This part reveals international nature of current tendencies in terminology studies and shows the national ways of their functioning and presentation in special dictionaries.

A Practical Guide to Electronic Resources in the Humanities - Ana Dubnjakovic 2010-09-25

From full-text article databases to digitized collections of primary source materials, newly emerging electronic resources have radically impacted how research in the humanities is conducted and discovered. This book, covering high-quality, up-to-date electronic resources for the humanities, is an easy-to-use annotated guide for the librarian, student, and scholar alike. It covers online databases, indexes, archives, and many other critical tools in key humanities disciplines including philosophy, religion, languages and literature, and performing and visual arts. Succinct overviews of key emerging trends in electronic resources accompany each chapter. The only reference guide to electronic resources written specifically for the humanities Addresses all major humanities disciplines in one convenient guide Concise format ideal for students, librarians, and humanities researchers

The Academy and Literature - 1891

Swedish - Philip Holmes 2003

Winner of the Swedish National Language Council's Erik Wellander Prize, 2003 Swedish: A Comprehensive Grammar is an award-winning complete reference guide to modern Swedish grammar. Systematic and accessible, the volume is organised to promote a thorough understanding of Swedish grammar, presenting the complexities of Swedish in a concise and readable form. Explanations are full, clear and free of jargon, and an extensive index, numbered paragraphs, cross-references and summary charts provide readers with easy access to the information they require. Now in its third edition, the text has been comprehensively updated to conform to new standards set in the description of language and to reflect the recommendations of the Language Council of Sweden. It offers an improved layout, completely revised index and more user-friendly paragraph structure. Continuing the tradition of previous editions, the emphasis remains fixed on Swedish in everyday communication, drawing on modern corpus material, the internet and the media to provide high frequency words and expressions. Examples have been modernised throughout and new content takes account of recent trends resulting from the increasing democratisation of written Swedish. Features include: detailed treatment of grammatical structures and parts of speech a wealth of examples from present-day Swedish particular attention to areas of confusion and difficulty for learners Swedish/English contrasts highlighted throughout the book chapters on word formation, orthography and punctuation. Swedish: A Comprehensive Grammar is the most thorough and detailed Swedish grammar available in English and is an essential reference source for the learner and user of Swedish, irrespective of level. It is ideal for use in schools, colleges, universities and adult classes of all types.

Powers of Darkness - Bram Stoker 2017-02-07

Powers of Darkness is an incredible literary discovery: In 1900, Icelandic publisher and writer Valdimar Þórsmundsson set out to translate Bram Stoker's world-famous 1897 novel *Dracula*. Called *Makt Myrkranna* (literally, "Powers of Darkness?"), this Icelandic edition included an original preface written by Stoker himself. *Makt Myrkranna* was published in Iceland in 1901 but remained undiscovered outside of the country until 1986, when *Dracula* scholarship was astonished by the

discovery of Stoker's preface to the book. However, no one looked beyond the preface and deeper into Þórsmundsson's story. In 2014, literary researcher Hans de Roos dove into the full text of *Makt Myrkranna*, only to discover that Þórsmundsson hadn't merely translated *Dracula* but had penned an entirely new version of the story, with all new characters and a totally re-worked plot. The resulting narrative is one that is shorter, punchier, more erotic, and perhaps even more suspenseful than Stoker's *Dracula*. Incredibly, *Makt Myrkranna* has never been translated or even read outside of Iceland until now. Powers of Darkness presents the first ever translation into English of Stoker and Þórsmundsson's *Makt Myrkranna*. With marginal annotations by de Roos providing readers with fascinating historical, cultural, and literary context; a foreword by Dacre Stoker, Bram Stoker's great-grandnephew and bestselling author; and an afterword by *Dracula* scholar John Edgar Browning, *Powers of Darkness* will amaze and entertain legions of fans of Gothic literature, horror, and vampire fiction.

Norway - Judy Lomax 2022-07-28

This well-established cruising guide covers the coast of Norway northwards from the Swedish border in the Skagerrak around the North Cape to the Russian border. It includes coverage of the Lofoten and Vesterålen islands, the Arctic archipelago of Svalbard and the remote volcanic island of Jan Mayen. Author Judy Lomax continues to sail this beguiling coastline of majestic fjords and multiple islands and uses her extensive network of contacts, built up over more than 30 years, to help monitor changes in the region. This fourth edition incorporates numerous updates to her previous work and expands on the detail for some areas such as the Oslo Fjord and the Telemark Canal. There is a wealth of new photographs and revised Imray plans throughout. Whether you are on a private vessel or one of the many ships cruising this stunningly beautiful region, Norway is a trusted and proven companion.

"Any yachtsman even contemplating a visit to this loveliest of cruising areas could be considered negligent if he did not buy this book". - RHR, *Cruising* "...The author finds it difficult to avoid superlatives when talking about Norwegian scenery. I find it equally difficult to avoid superlatives when talking about this book. I am impressed. Also most Norwegians may learn a lot of facts from this excellent book. This will remain a classic, and will come in new editions in the foreseeable future..." Customer feedback "For anyone sailing in Norwegian waters this book is an absolute must. It is the perfect example of a truly excellent pilot from which practically nothing can be found missing." Christine Holroyd, *Cruising Association* magazine.

The original, most complete and most up-to-date guide for mariners to the coasts of Norway, Svalbard (Spitsbergen), and the west coast of Sweden. Continuously updated since 1978. Over 900 pages in five volumes. 1000 ports and anchorages. Tips on cruising northern destinations gathered by the authors during 35 years and 150,000 miles of North Atlantic cruising. Insider's perspective from Norwegian authors Hans Jakob and Eli gathered in 45 years of cruising Norway. Planning maps and over 1200 photographs. Includes a harbours and anchorages waypoint file for loading into your plotter or navigation software. This is a fixed layout guide book and so best viewed on tablets although phones will work, particularly larger ones. Can also be viewed in a browser on a computer, but links do not work (Google limitation).

Exploring Newspaper Language - Gisle Andersen 2012

This book describes new methodological and technological approaches to corpus building and presents recent research based on the Norwegian Newspaper Corpus. This is a large monitor corpus of contemporary Norwegian language, compiled through daily harvesting of web newspapers. The book gives an overview of the corpus and its system architecture, and presents tools used for tasks such as text harvesting, annotation, topic classification and extraction and frequency profiling of new words and phrases. Among the innovative technologies is Corpuscle, a corpus query engine and management system which is flexible enough to handle very large corpora in an efficient way. The individual research contributions based on the corpus explore different aspects of Norwegian, including the occurrence of anglicisms, neologisms and terminology, and the use of metonymy and metaphor in newspaper language. The book also describes an innovative method of applying correspondence analysis and implicational analysis to investigate interdependencies between morphosyntactic variants.
