Greek and Roman Mythology - Hermann Steuding 1897

2019-10-29

The first anthology to present the entire range of ancient Greek and Roman stories- from myths and fairy tales to jokes Captured centaurs and satyrs, talking animals, people who suddenly

The Book of Greek and Roman Folktales, Legends, and Myths - William Hansen

change sex, men who give birth, the temporarily insane and the permanently thick-witted, delicate sensualists, incompetent seers, a woman who remembers too much, a man who cannot laugh-these are just some of the colorful characters who feature in the unforgettable stories that ancient Greeks and Romans told in their daily lives. Together they created an incredibly rich body of popular oral stories that include, but range well beyond, mythology-from heroic legends, fairy tales, and fables to ghost stories, urban legends, and jokes.

Roman Mythology - Matt Clayton 2020-03-05

In this book, you will discover many fascinating aspects of the Roman gods, goddesses, and mythological creatures. Each of the first six chapters begins with a narrative scene which helps bring the legendary and mythical characters to life.

[Roman Myths](#) - Jane F. Gardner 1993

The myths of the Romans are stories not about the gods but about the Romans themselves.

Writers such as Livy, Virgil and Ovid presented myths as if they were actual histories of the origins and early days of Rome.

Roman Gods & Goddesses - William White
1900-01-01

While the ancient Roman pantheon in many ways resembles that of ancient Greece, there is much that sets apart Roman mythology. Romans also borrowed from the religions of ancient Egypt, Asia Minor, and the Middle East, and legendary figures such as Romulus and Remus, tied closely to the history of Rome, feature prominently in ancient stories. The major and lesser figures of Roman mythology are presented in this vibrant volume with sidebars spotlighting related facts and concepts about Roman mythology and religion.

Roman Mythology - Jordan Parr 2021-12-15

Roman mythology is closely linked in our minds to Greek mythology, and for a good reason. As Rome evolved into an empire, its people began to long for a mythical history to solidify Roman

identity. Romans, however, were not particularly interested in the effort it would take to create these myths from scratch, so they borrowed them. Greece was not the only influence on Roman culture, but it was the most prominent one. Still, when the Romans appropriated these tales, they made them their own, renaming the leading players and infusing the stories with a good dose of Roman ideology. Crucially, Roman religion and myth were meant to be practical. They discarded the Greeks' affinity for poetry and philosophy and instead focused on structure and ceremony--the gods' stories became Rome's stories, providing a divine pedigree for its conquerors and the proper rituals for continued prosperity. In Rome, the gods, like everything else, existed to benefit the empire. This book will introduce you to those gods, to the heroes they helped (and hindered), to the monsters they created and killed, and to the world of ancient Rome where they were worshipped. The stories are not for the faint of heart. They are full of war

and betrayal, of blood and sorrow, of long voyages and narrow escapes, and most of all, of the perilous thrill that awaits mortals that venture into the realm of the gods.

Roman Mythology - Anthony Clark 2019-01-25
Introduce young readers to the basics of Roman mythology, focusing on origin, intriguing anecdotes, lesser known but fascinating information, ties to modern culture, and more!

Greco-Roman Mythology - M. A. Dwight
2022-09-29

Reprint of the original, first published in 1871.

Roman Mythology - Matt Clayton 2020-01-19
Feats of strength and skill, monsters, magic, divine interventions, and the overcoming of impossible odds by larger-than-life figures all feature in this book. The Roman myths contained in this collection will be brought to life so all the details are more than merely a bunch of dry facts.

Encyclopedia of Greco-Roman Mythology -
Mike Dixon-Kennedy 1998

Contains over 1,400 entries for mythological, legendary, and historical characters, as well as an essay on Greek civilization, a bibliography, a chronology, and a list of Roman emperors

Roman Myths - Eric Braun 2018

"Make the mythology of ancient Rome come to life for young readers through engaging stories and dramatic photos and illustrations. Discover the gods and goddesses behind the myths and the powers they used to control and change the world. There's Jupiter, the king of the gods who ruled the sky, and Neptune, the god and ruler of the seas, plus many more. Sidebars, facts, and help uncover how these myths influenced the culture and daily life of ancient Rome."--

Publisher's description.

Read for FREE with Kindle Unlimited! Roman Mythology: A Comprehensive Guide to Roman Mythology including Myths, Art, Religion, and

CultureDo you want to learn about Roman Mythology? Roman Mythology is made up of many traditional stories related to the history and religion of ancient Rome. Many of the stories are represented as visual art and literature from ancient Rome, right up to the more modern-day works. The Greek religions and myths also had some influence on Roman mythology and stories from Greek mythology were often retold in Roman mythology using the names of the Roman gods. Roman mythology was more focused on humans with occasional godly intervention, usually related to destiny. Some of the main sources of the knowledge we have of Roman mythology today comes from Vergil's Aeneid, Dionysius's Roman Antiquities, Ovid's Fasti, Propertius's elegies and the first few books of Livy's history. Other sources include paintings, sculptures and reliefs, wall paintings and even coins. The Founding of Rome One myth that is related to the founding of Rome is the tale of how the Trojan prince Aeneas

arrived in Italy after fleeing the sacked City of Troy. They have some interesting adventures and eventually make landfall in an area southwest of where Rome stands today. Aeneas marries Lavinia, King Latinus's daughter and this starts a war as she had been engaged to Turnus before Aeneas's arrival. Turnus is killed by Aeneas, and Aeneas's line forms the start of the Alban Kings. From this line, Numitor is born, who is eventually Rhea Silva's father. Rhea Silva is forced to become a Vestal virgin priestess but is eventually the mother to Romulus and Remus. The most famous story related to the founding of Rome was the story of Romulus and Remus, the twins brought up by a wolf. They were said to be the sons of Rhea Silva and either the hero Hercules (demi-god) or the war god Mars. They were abandoned, raised by a wolf and eventually found and tamed by a shepherd. As adults, they killed their great-uncle who had ordered them killed as infants. They decided to establish a city (Rome), but had a fight and Remus was killed by

The Everything Classical Mythology Book - Lesley Bolton 2002-04-01

Full of action, romance, betrayal, passion, violence, and tragedy, the timeless ancient Greek and Roman myths make great reading. With a cast of unique characters and

unbelievable story lines, classical mythology explains phenomena such as creation, weather, nature, and the universe with unparalleled drama. The Everything Classical Mythology Book is an entertaining and educational guide that explains all the great myths and explores how they have influenced language, art, music, psychology, and even today's popular culture. The book tells the fascinating stories of the gods' rise to power on Mount Olympus and of their frequent clashes with larger-than-life heroes. Rounded out with a helpful glossary, an index of characters, and many reading resources, this action-packed new addition to the Everything series brings classical mythology to life!

Treasures Of Roman Mythology - Austin D. Kaplan 2020-11-22

Unlock Your Roman Treasure Box! Enter a world where gods and goddesses mingle with the humans that worship them in elaborate temples, where heroes fight epic battles and monsters are thwarted, where legendary tales are told with an

eye toward eternal glory-the treasure that is Roman mythology is an undeniable pleasure to read. Explore another world of ancient values, virtues, and vices, which are never to be forgotten. The motifs of Roman mythology are similar to that of many other mythologies: Supernatural power is a handy way to explain the extraordinary; heroes are larger-than-life, with superhuman strength and wisdom to spare; gods are tricky and should be approached with caution; harrowing journeys are undertaken; battles are fought and champions are forged. The Romans developed a highly-sophisticated government and military, and successfully conquered much of the known Western world; their influence is undeniable still yet today. We can see the Roman evolution from their legendary founding, to their epic expansion, to their continued presence in our popular imagination through the thread of their treasure trove of myths and tales. This book can take you through that journey, beginning with an

overview of the Roman peoples and cultures, and into an understanding of their pantheon of gods and goddesses, their amazing tales of adventure and restless search for meaning, and a glimpse into who they actually were via the stories they held dear. Some specific elements you will encounter: - Some of the main gods of the Greco-Roman pantheon, with all their quirks and foibles - The Roman Council of Twelve Gods and their all-too-human role in the peoples they oversee - The epic tales of the founding of one of the greatest empires in history - The multiple myths of the Metamorphoses, from tales of transformation to love stories, both tragic and magical - The politics and history of Rome that informed the stories the ancient Romans told about themselves and their culture - From the Minotaur to the Medusa-fascinating human-animal hybrids - The vision of women in Roman culture, from temptress to protector - Stories about one of the most legendary figures in mythological history: Hercules - The first Roman

emperor and his desire to create a new story of Rome - Contemporary visions of Roman characters and how they inform our Western institutions, our literary and artistic history, and our contemporary culture Roman mythology is diverse and fascinating, offering us an insight into how ancient people believed and lived, into what they valued and vilified, and into how they loved and thrived. Finally, if you have enjoyed these treasured tales of Roman mythology, don't forget to explore the other fantastic realms of mythological magic in this series of books: Treasures of Egyptian Mythology, Treasures of Celtic Mythology, Treasures of Norse Mythology, and Treasures of Greek Mythology. You will find yourself in awe of the sweeping scope of history and culture represented by these mythological traditions, as well as get a better understanding of how we continually make and re-make these myths for our own times. That's the fabulous thing about myths: They never truly die.

Aphrodite to Zeus - Luke Roman 2011

Presents alphabetically arranged entries on the gods and creatures of Greek and Roman mythology and provides summaries and commentary on the literary works that are the sources of the myths.

Remus - Timothy Peter Wiseman 1995-08-25
Romulus founded Rome - but why does the myth give him a twin brother Remus, who is killed at the moment of the foundation? This mysterious legend has been oddly neglected. Roman historians ignore it as irrelevant to real history; students of myth concentrate on the more glamorous mythology of Greece. In this book, Professor Wiseman provides, for the first time, a detailed analysis of all the variants of the story, and a historical explanation for its origin and development. His conclusions offer important new insights, both into the history and ideology of pre-imperial Rome and into the methods and motives of myth-creation in a non-literate society. In the richly unfamiliar Rome of Pan, Hermes and Circe the witch-goddess, where a

general grows miraculous horns and prophets demand human sacrifice, Remus stands for the unequal struggle of the many against the powerful few.

The Book of Greek and Roman Folktales, Legends, and Myths - William Hansen

2017-03-07

267. "Watch Out!"

An Outline of Greek and Roman Mythology -

Francis Willey Kelsey 1889

Gods and Goddesses in the Garden - Peter Bernhardt 2008-03-11

Zeus, Medusa, Hercules, Aphrodite. Did you know that these and other dynamic deities, heroes, and monsters of Greek and Roman mythology live on in the names of trees and flowers? Some grow in your local woodlands or right in your own backyard garden. In this delightful book, botanist Peter Bernhardt reveals the rich history and mythology that underlie the origins of many scientific plant names. Unlike

other books about botanical taxonomy that take the form of heavy and intimidating lexicons, Bernhardt's account comes together in a series of interlocking stories. Each chapter opens with a short version of a classical myth, then links the tale to plant names, showing how each plant "resembles" its mythological counterpart with regard to its history, anatomy, life cycle, and conservation. You will learn, for example, that as our garden acanthus wears nasty spines along its leaf margins, it is named for the nymph who scratched the face of Apollo. The shape-shifting god, Proteus, gives his name to a whole family of shrubs and trees that produce colorful flowering branches in an astonishing number of sizes and shapes. Amateur and professional gardeners, high school teachers and professors of biology, botanists and conservationists alike will appreciate this book's entertaining and informative entry to the otherwise daunting field of botanical names. Engaging, witty, and memorable, Gods and Goddesses in the Garden

transcends the genre of natural history and makes taxonomy a topic equally at home in the classroom and at cocktail parties.

Greek and Roman Mythology - Don Nardo

2009-06-24

Author Don Nardo and Consultant Editor Barbette Spaeth have compiled this volume that provides entries about various aspects of Greek and Roman mythology, grouped in the categories of rulers, heroes, and other human characters. Readers will learn about major and minor gods, animals, monsters, spirits, and forces. Entries cover important places and things, and major myth tellers and their works. Includes retellings of twelve myths.

The Mythology of Plants - Annette Giesecke

2014-04-01

This engaging book focuses on the perennially fascinating topic of plants in Greek and Roman myth. The author, an authority on the gardens, art, and literature of the classical world, introduces the book's main themes with a

discussion of gods and heroes in ancient Greek and Roman gardens. The following chapters recount the everyday uses and broader cultural meaning of plants with particularly strong mythological associations. These include common garden plants such as narcissus and hyacinth; pomegranate and apple, which were potent symbols of fertility; and sources of precious incense including frankincense and myrrh. Following the sweeping botanical commentary are the myths themselves, told in the original voice of Ovid, classical antiquity's most colorful mythographer. The volume's interdisciplinary approach will appeal to a wide audience, ranging from readers interested in archaeology, classical literature, and ancient history to garden enthusiasts. With an original translation of selections from Ovid's *Metamorphoses*, an extensive bibliography, a useful glossary of names and places, and a rich selection of images including exquisite botanical illustrations, this book is unparalleled in scope

and realization.

Greek and Roman Mythology A to Z -

Kathleen N. Daly 2009

An illustrated dictionary of the gods, heroes, and legends of the Greek and Roman peoples.

Roman Mythology - David Stuttard 2019-09-17

The perfect guide to Roman myths and the landscapes and ideas that shaped them—for both the actual and armchair traveler. All roads lead to Rome, as the famous saying goes. Rome was a melting pot of peoples from across the Mediterranean and beyond, each bringing their own myths and legends of heroes and heroines, gods and goddesses. Roman myths formed the backdrop to the rituals and customs of everyday life, from the way aristocrats dressed up for a banquet to the bloodthirsty audiences thrilled to watch criminals forced to enact the roles of mythological characters. In *Roman Mythology*, David Stuttard offers an innovative approach to the subject, taking the reader on a tour of the great sites of the ancient Roman world. Each

account begins with a brief, evocative description of the location and landscape, followed by its associated myths and stories, as well as any rituals performed there in antiquity. Drawing on the great works of Dionysius of Halicarnassus, Plutarch, Ovid, Horace, and Virgil, and with commissioned maps and illustrations, as well as practical information about the sites today, this book is a fresh look at a subject of great fascination. Compact enough to fit in a backpack, *Roman Mythology* is perfect for both the armchair and experienced traveler.

Mythology - E.M. Berens 2015-09-07

Get the full, amazing stories on Greek and Roman Gods like Zeus and Athena, mythical creatures, and larger than life heroes the likes of Odysseus and Helen of Troy.

Greek & Roman Mythology - Malcolm Couch 1998-03

A pictorial examination of Greco-Roman mythology and its heroes.

Dictionary of Greek and Roman Biography and

Mythology: Earinus-Nyx - William Smith 1846

Mythology - Steven Berner 2000-12-01

A comprehensive guide to the gods and goddesses in Greek and Roman mythology. Great companion for any mythology-related courses or the mythology buff.

Ancient Roman Mythology - Peter Kamara 1997-04

An introduction to the history, religion and myths of ancient Rome.

Greek and Roman Mythology - Don Nardo 1998

Examines the historical development of Greco-Roman mythology, its heroes, and its influence on the history of Western civilization.

The Greek and Roman Myths - Philip Matyszak 2010

An introduction to the Greek and Roman myths and tales that lie at the heart of Western culture includes intriguing facts and stories, including the labors of Hercules and the voyage of

Odysseus.

Roman Gods, Heroes, and Mythology - Patrice Sherman 2018-12-15

Romulus, founder of Rome; Minerva, the goddess of wisdom; and beautiful spirits called nymphs are well-known subjects of Roman mythology. *Roman Gods, Heroes, and Mythology* explores the gods, heroes, creatures, and stories of Roman mythology, in addition to examining their influence today. Aligned to Common Core Standards and correlated to state standards. Core Library is an imprint of Abdo Publishing, a division of ABDO.

The Greek and Roman Myths: A Guide to the Classical Stories - Philip Matyszak 2010-11-15

Full of intriguing facts and diverting stories—the ideal introduction to the myths and tales that lie at the heart of Western culture. Who was Pandora and what was in her famous box? How did Achilles get his Achilles heel? What exactly is a Titan? And why is one computer virus known

as a Trojan horse? The myths of ancient Greece and Rome can seem bewilderingly complex, yet they are so much a part of modern life and discourse that most of us know fragments of them. This comprehensive companion takes these fragments and weaves them into an accessible and enjoyable narrative, guiding the reader through the basic stories of classical myth. Philip Matyszak explains the sequences of events and introduces the major plots and characters, from the origins of the world and the labors of Hercules to the Trojan War and the

voyages of Odysseus and Aeneas. He brings to life an exotic cast of heroes and monsters, wronged women and frighteningly arbitrary yet powerful gods. He also shows how the stories have survived and greatly influenced later art and culture, from Renaissance painting and sculpture to modern opera, literature, movies, and everyday products.

Roman Myths and Legends - Jilly Hunt 2013
Discusses Roman mythology and its origins, the structure of the mythological world, and the gods, goddesses, and heroes featured in legend.
