The O Level Book - 2011-07-31

With the recent scrapping of GCSEs fresh in everyone's minds, The O Level Book is the perfect book to settle that age-old argument between the generations: were the exams of yesteryear really harder than anything children have to face today in the age of calculators and spell checkers? Are contemporary kids less intelligent than previous generations? Here is the chance to find out as the whole family pit their wits against one another in the ultimate generation game, contrasting the schooling of yesteryear with modern educational practices. Testing you on a range of old-school topics: English Language; General Science; Geography and History; Household Cookery; Mathematics. A wonderfully nostalgic yet testing anthology, The O Level Book encourages you to dust off your slide rules and get your thinking caps on to see who will come out on top in your family!
