**The Politics of Shakespeare** - D. Cohen 1993-09-20

This book is an attempt to explore Shakespearean drama from the vantage point of

the oppressed, invisible, and silent individuals and collectivities constructed in the plays. It examines the ideological apparatuses which produce and naturalise oppression and the political structures through which that oppression is sustained. Derek Cohen is concerned to demonstrate the many ways in which political and personal life, always interdependent, intersect, contradict, and disrupt one another often in the interests of and to the advantage of the dominant social ideology. **Poverty, Migration, and Settlement in the Industrial Revolution** - James Stephen Taylor 1989

Cymbeline. Titus Andronicus. Pericles. King Lear. Romeo and Juliet. Hamlet. Othello** - William Shakespeare 1824

*The Dragon'S Beasts* - Fred A. Wilson 2017-06-14

The book of Daniel 2 reveals by symbols the successive empires/kingdoms of the world with a statue of a human figure of a head of gold, chest of silver, thighs of bronze, legs of iron, and feet of a mixture of clay and iron. Daniel 7, which describes four beasts (a lion, a bear, a leopard,

and a terrible beast with ten horns), covers the same period in world history as in chapter 2. While the king of Babylon saw the majestic power and grandeur of the Gentile empire/kingdoms, Prophet Daniel saw their real character, beastly conduct, wicked rule, and profligate government. All the beasts (empire/kingdoms) were destroyed by the Messiah, Immanuel (the Stone), who the builders of the nations of man rejected and who is the cornerstone of the holy nation of believers. Revelation 12 describes the great dragon thrown down, the age-old serpent that is called the devil and Satan, he who continually deceives and seduces the entire inhabited world. He was thrown down to the earth, and his angels were thrown down with him. This usurping dragon would form successive compacts with mankind for the dominion of the earth. Revelation 13 shows the final compact between the nations of man and the man of sin, Satan (the dragons beasts), engulfing even the holy people (Israel, the church the woman on the beast in Revelation 17). When the stone finally destroyed the lawless kings of the nations/kingdoms, their rule was dispersed to the lots of nation-states created by the common people the rule of commoners. These are the nation-states of democratically elected commoners. Revelation 13 (and 17) shows the rebellion and apostasy of our Christendom/Queendom of Babylon, the great nation-states of man setting themselves up against the son of man, Immanuel. Why the stone is about to crush Christendom of Babylon the great! And the stone that smote the image became a great mountain or rock and filled the whole earth (Daniel 2:3435). Yes, he is the rock of ages!

*Servants of the State* - Martin Lawn 1987
