Live from Downing Street - Nick Robinson 2013
The relationship between politicians and broadcasters has always been fraught with tension. Today, every word and act of those who wield power is instantly broadcast and dissected on 24-hour rolling news channels, blogs and Twitter. But in the past, broadcasters were banned by

law from debating anything newsworthy and Parliament imprisoned those who dared to report what MPs had said. Since that censorship ended, the two sides have clashed repeatedly. Live From Downing Street takes us on an absorbing journey through the history of this power struggle, dwelling in fascinating detail on the charismatic key players from radio and television - the Dimblebys, Day, Frost, Walden, Paxman, Humphrys - and those who fought back - Churchill, Wilson, Thatcher and Blair. As the BBC's Political Editor, Nick Robinson is uniquely placed to add his own perceptive insights into the controversial issue of impartial reporting, providing a colourful and gripping account of the hard-fought battles for the right to tell the public about the decisions taken on their behalf.

Election Notebook - Nick Robinson 2015-06-11 Just after ten o'clock on Thursday, 7 May 2015 Nick Robinson stared down the lens of camera 5 in the BBC's Election Night Studio to explain to millions the significance of an exit poll that shocked the country and heralded an earthquake in British politics. That moment was a personal milestone for the BBC's Political Editor, who had been discharged from hospital just hours earlier following weeks of treatment for cancer and the loss of his voice after surgery. In the year leading up to that night Nick kept a journal recording the events he reported on day after day to millions of viewers and

listeners, and which he continued to monitor, often from his hospital bed as he fought to get fit in time for election night. This is Nick's behind-the-scenes account of his encounters with David Cameron, who many wrote off before the shock victory he called his 'sweetest'; Ed Miliband, who turned abuse & ridicule into respect before leading Labour to its worst defeat in a generation; Nick Clegg, who led his party into power and then to humiliation and near oblivion; Nigel Farage, who rose so fast and then fell at the final hurdle; Alex Salmond, whose public clash with Nick led to thousands protesting outside the BBC's Scottish HQ, and Nicola Sturgeon, whose stunning success as SNP leader has put Scottish independence back on the map. The result is an extraordinary narrative, characterized by Nick Robinson's trademark insight, analysis and backstage gossip, of an adrenaline-fuelled year which culminated in a captivating election that transformed Britain's political landscape.
